3.	<p>We are pleased to confirm that we are ready to proceed with the scheduled site visit alongside our structural engineer to assess the roofing structure for the proposed solar rooftop installation. Could you kindly advise us of the date and time that would be most convenient for Eskom's team to conduct this assessment? We will ensure our availability to facilitate the process.</p> <p>Additionally, to assist in finalizing the design of the support structure for the solar installation, we kindly request confirmation of which structural drawings (e.g., roof plans, load-bearing details, foundation specifications, etc.) will be provided by Eskom during or prior to the site visit. This information will enable us to align our engineering plans with the existing infrastructure requirements.</p> <p>Please let us know if there are any further details or documentation required from our side to ensure a smooth evaluation. We appreciate your guidance and look forward to your response.</p>	<p>The Follow on meeting will be taking place on 09 May 2025 – 10:00am at 3 Menston Road Westville.</p> <p>We are trying to source the information as per your request and information will be shared as it becomes available.</p>	30 APRIL 2025
