Appointment of duly authorised service provider for the supply and delivery of Dignity Packs in Bojanala District.

2. PROJECT DESCRIPTION

The North West Province was rated 8.8% of the Poverty Head Count with a total of 42, 5% of the intensity of poverty. North West province as the rest of the country faces the triple challenges of poverty, unemployment and inequality. The majority of the parts of the North West Province are rural in nature. In 2016, Bojanala Platinum District Municipality had a poverty head count of 8.8% with the poverty intensity of 42, 9%. In the North West Province, there is a relationship between poverty, unemployment and inequality for both males and females. The relationship between the rates of unemployed females living in poverty is slightly higher than that of their male counter-parts. Furthermore, lack of food security leads to poor nutrition. The reduction of inequality and poverty is critically important to improve people's lives across the Province. This includes linking families with poverty alleviation projects and other developmental services in the community, such as food security initiatives etc.

The North West Department of Social Development, (NW: DSD) has the mandate of care, support and protection to vulnerable individuals and households within the communities. This mandate is realized by delivering social welfare and assistance services aimed at providing material support to vulnerable individuals and groups. As a result, the department has developed a Social Relief of Distress programme to respond to the challenges of disasters, extreme poverty and destitution. It aims at creating a temporary safety net for people who experience undue hardship and are faced with exceptionally difficult circumstances in their lives. Social Relief of Distress programme includes food parcels blankets, sanitary dignity packs, school uniforms interventions which are distributed to the identified households and individuals. Social Relief of Distress means the alleviation of people's conditions of need by means of temporary and immediate rendering of material assistance.

The department also undertakes to assist families which have experienced deaths related to disasters or death under exceptional circumstances, and the families do not have means to bury the deceased. In this instance, food parcels will be provide towards the bereaved families.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

6. The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However communication between partners in a joint venture or consortium³ will not be construed as collusive bidding.
7. In particular, without limiting the generality of paragraphs 6 above, there has been no consultation, communication, agreement or arrangement with any competitor regarding:
 - (a) prices;
 - (b) geographical area where product or service will be rendered (market allocation)
 - (c) methods, factors or formulas used to calculate prices;
 - (d) the intention or decision to submit or not to submit, a bid;
 - (e) the submission of a bid which does not meet the specifications and conditions of the bid; or
 - (f) bidding with the intention not to win the bid.
8. In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications and conditions or delivery particulars of the products or services to which this bid invitation relates.
9. The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.

³ Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.

10. I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.
