

## ANNEXURE – A

### TECHNICAL COMPLIANCE SHEET

The compliance response is to contain ONLY the following statements, “**Comply**”, or “**Do not comply**”.

The bidders must provide proof of compliance, example certificates of accreditation, brochures of solutions proposed, acknowledgement letters, etc. and indicate the location thereof in their tender document.

Main Specification:			
Item	Item	Response	Comments/Proof of Compliance
1	Locks /devices are to be manufactured from hardened steel or material that should be able to withstand the technical tests		
2	Special mechanisms designed to lock (install) and unlock (remove) these locks (such as a key, electronic key card, fingerprint, RFID card, security token etc...)		
3	The methodology of unlocking and locking must be secure and allow for the locking and unlocking at locations far removed from each other. The locking mechanism must be of such that the Respondent has the necessary capability to ensure the required logistics to lock and unlock at distant remote locations		

**100% Compliance – failure to complete, sign and submit will result in disqualification**

**Respondent Signature** \_\_\_\_\_ **Date** \_\_\_\_\_
