<p>Bidders who fail to obtain a minimum 70% for functionality under stage 3 will not be considered further.</p> <p>Bidders are requested to provide evidence of complying with these Functional Criteria by completing the relevant forms in the bid document (Forms) as well supplying completion certificates for completed projects as proof. Failure to supply completion certificates/reference letters as required will mean that the project will not be contributing towards experience of the company and bidders will lose points on this criterion, under completed projects.</p>			

Stage 4: Price and Specific Goals

The procedure for the evaluation of responsive tenders is Method 2 where the tender is evaluated in terms of price and Specific Goals. The 80/20 Preference points system will be used, with a maximum of 80 is allocated for price on the following basis:

$$P_s = 80 \left(1 - \frac{P_t - P_{\min}}{P_{\min}} \right)$$

Where

P_s = Points scored for price of bid under consideration
 P_t = Price of bid under consideration
 P_{\min} = Price of lowest acceptable bid

In terms of Regulation 5 (2) and 6 (2) of the Preferential Procurement Regulations, preference points must be awarded to a Bidder for attaining the B-BBEE status level of contribution in accordance with the table below:

PHASE 4: THE 80/20 POINTS AWARDED FOR PRICE AND B-BBEE STATUS LEVEL OF CONTRIBUTION

Failure on the part of a bidder to submit proof of documentation required in terms of this tender to claim for specific goals with the bid, will be interpreted to mean that preference points for specific goals are not claimed and will not be allocated.

“Specific goals” means specific goals as contemplated in section 2(1)(d) of the PPPFA Act which may include contracting with persons, or categories of persons, historically disadvantaged by unfair discrimination on the basis of race, gender and disability including the implementation of programmes of the Reconstruction of Development Programme as published in *Government Gazette* No. 16085 date 23 November 1994.

“Ownership” means the percentage ownership and control, exercised by individuals within an enterprise.

“Disability” means, in respect of a person, a permanent impairment of a physical, intellectual, or sensory function, which results in restricted, or lack of, ability to perform an activity in the manner, or within the range, considered normal for a human being.

- A blind person (in terms of the Blind Persons Act, 1968 (Act no.26 of 1968);
- A deaf person, whose hearing is impaired to such an extent that he/she cannot use it as a primary means of communication;
- A person who, as a result of permanent disability, requires a wheelchair, caliper or crutch to assist him/her to move from one place or another;
- A person who requires an artificial limb; or
- A person who suffers from a mental illness (in terms of the Mental Health Act, 1973 (Act no. 18 of 1973).

“Youth” means, in respect of a person younger than 35 years of age.

“Location of enterprise” Local equals province. Where a project cuts across more than one province, the bidder may be located in any of the relevant provinces to obtain the points.

The definition and measurement of the goals above is as follows:

Women, disability and youth:

This will be measured by calculating the pro-rata percentage of ownership of the bidding company which meets criterion. E.g. Company A has five shareholders each of whom own 20% of the company. Three of the five shareholders meet the criterion, i.e. they are women/disability/youth. Therefore, this bidder will obtain 60% of the points allowable for this goal.
