

## CLARIFICATION Q AND A'S

- 
- No Supplier Non-Disclosure Agreement is attached to the tender documents? – **applies at conclusion stage at the tendering stage there is supplier declaration attached to the invitation to tender.**
- The Technical Mandatory documents require 2 copies of each certified document - is this a typing error, as it is an electronic submission? **Compiling started before electronic submission was introduced please ignore the 2 copies requirements.**
- **Deviations:** Please advise if the following will be open for negotiation upon contract award: **yes when submitting under deviation declare as deviation then when successful we will have negotiations.**
- **NTCSA target is not completed in this table for skills development:** supplier to suggest but I will also be included as a negotiation items at contract award stage.
- Kindly assist us with the electronic BOQ for pricing for the tender no: E1088NTCSAKZN – Bill uploaded
- 
- I want to find out on the tender document are we pricing for both areas since we have two forms of offer. Please can you clarify for me. **Award will be split into two arears. If you are interested in one area to mention the area on the tender documents however if you tendering or both you need to submit 2 BOQ offers.**
