MBD 9: CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
- 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

2. Overview

The Ethekwini Municipality is the owner of property described as Proposed Lease on Erf 12281 Durban situated on the Durban Beachfront at 150 O.R Tambo Parade measuring 853 m². The building on the property consists of a restaurant and take-away facility.

Durban, South Africa's famous Surf City that is now part of the greater eThekwini Metropolitan Municipality, is justifiably proud of its Golden Mile – a stretch of some of the safest swimming beaches in South Africa.

Durban's beachfront promenade is patronised by early morning joggers, cyclists, pram-pushing moms, dog-walking seniors and a host of perambulating city dwellers who love taking in the fresh, salt-laden morning breeze. From Addington Beach, just north of the Point and Durban Harbour, the promenade passes a laid-back African-style restaurant overlooking the beach with a quaint pub on the pier that gives patrons a bird's-eye view of surfers and bathers.

To the south is Vetch's Pier, with its great snorkelling opportunities, and a sheltered region popular among kayakers, windsurfers and jet-ski enthusiasts. Next stop is uShaka Marine World, an impressive shipwreck-themed aquarium incorporating the Wet 'n' Wild water park. The aquarium is home to a diversity of Indian Ocean marine species and includes 2 restaurants, one of which forms part of a shark tank. Curio and clothing shops, along with daily dolphin and penguin shows, complete this tourist attraction.

Both southern and northern beaches attract thousands throughout the year with waves ideal for swimming, surfing and body-boarding. You'll pass several piers along Durban's beachfront, most of which are used daily by anglers, and there's a host of hotels overlooking the beachfront, many offering excellent accommodation and restaurants. There are also more relaxed beer and burger spots, and a couple of trendy coffee shops worth a visit.

Travellers with small children might prefer to spend time at the paddling pools, where slides and fountains add to the kids' enjoyment. There's also the Rachel Finlayson salt-water swimming pool, as well as fast-food eateries on and around North Beach.

3. Vision for the property

The proposals should align the facility to the City's vision for the area in line with the strategies, legislative requirements and regulatory frameworks.

The paragraph 7.2 of eThekweni Inner City Local Area Plan has outlined the vision Beachfront as follows:

“7.2 BEACH

Bounded by Bay Terrace to the South, Argyle Road (M17) to the north, the M4 to the west, and the beach to the east; the precinct encompasses the primary tourist beaches, including what is known colloquially as the Golden Mile with its hotel strip, and the back of beach area.

7.2.1 ROLES

7.2.1.1 STRATEGIC

The strategic role of the beachfront is clearly tourism. The beach and associated promenade is Durban's playground.

7.2.1.2 ECONOMIC

The primary economic role is also tourism and entertainment, but includes significant residential and commercial property assets, along the coast as well as in the 'back of beach' zone. Commercial uses are mostly entertainment related or providing local amenity for residents.

7.2.1.3 SOCIAL

The beachfront is Durban's largest and most inclusive public open space, so the social roles are important. Local, National, and International recreational events take place within the precinct, and the area is very well used by residents across the metro.

7.2.1.4 ECOLOGICAL

From an ecological perspective, the beach edge is the physical coastline and has an important coastal drainage role. Biodiversity is being improved with the revegetation of

several of the dunes which is designed to improve the resilience of the area to storm damage.

7.2.2 KEY IDEAS

- Protect and enhance the beachfront as a key tourism asset .
- New connections and reconfigured M4
- Release land for fine grained, perimeter block, mixed use green/brown field/in-fill/conversion development in support of creating high density, integrated walkable neighborhoods.
- Reinforce and optimize the pattern of green open spaces parallel to the beachfront, one block back to create a second layer of higher value properties
- Protect biodiversity and adopt a managed retreat approach to infrastructure along the coast
- Provide landscaping shade and protection to encourage outdoor use.
- The implementation of land-scape to provide a softening to the urban environment and provide a tropical environment commensurate with the beach front activity.
- Development should promote a mix of interesting, vibrant and exciting leisure activities during the day and in the evening that will attract both residents and visitors. This needs to go beyond the provision of restaurant site opportunities. Opportunities exist for cultural recognition and artworks.”
