

NOTES

All dimensions on the drawings must be verified against the existing site conditions before the commencement of any work.

Drawings may not be scaled.

The vertical dimensions of brickwork are based on multiple centre lines of 85mm and the contractor must set out brickwork accordingly.

The contractor is responsible for site inspections by the building inspectors of the local authorities.

Except where otherwise indicated all given levels are unfinished levels.

The copyright of this drawing vests in the architect unless otherwise indicated.

All work must be done according to the South African Bureau of Standards's code of practice SABS 0400-1990.
