**Criteria for breaking deadlock in scoring**

(1) If two or more tenderers score an equal total number of points, the contract must be awarded to the tenderer that scored the highest points for specific goals.

(2) If two or more tenderers score equal total points in all respects, the award must be decided by the drawing of lots.

Award of contracts to tenderers not scoring highest points.

- A contract may be awarded to a tenderer that did not score the highest points only in accordance with section 2(1)(f) of the Act.

**NB.** Should the evaluation outcome be less than the anticipated number successful tenderers i.e. 06 (six), contracts will be concluded with the successful tenderers and the tender will be re-issued to top up the number to ensure that we have 06 service providers.

Should the highest-ranking tenderer fail to meet the requirements, the second highest ranking tenderer will be considered, the evaluations will go to the next tenderer until a successful tenderer is recommended for the contract.

Should the recommended service provider fail to meet the financial analysis requirements, the tenderer’s personal banking statements or the bank letter will be requested from the service provider to determine the manner in which they handle their bank accounts. This will assist in confirming the financial stability of the suppliers.

<b>Contractual Requirements</b>	<p>Contractual Requirements may include the following :</p> <p>a) Commercial statutory documents  b) Safety and Health Requirements  c) Quality requirements.  d) Financial Analysis of Financial Statements</p> <p><b>SDL &amp; I Undertaking</b>  The SDL &amp; I undertaking is attached for negotiations with the successful tenderers to propose on subcontracting, skills development, and job creation.
