

Clarification Document

Query 1: (Terrain Split up & Feature List)

In the NEC3 contract document under Section “**C2.2 – Price List**” for Category 4: GIS and Remote Sensing Data Analysis & Feature Extraction, Please clarify the following:

- a) Item No. 4.6 to 4.14 refers to various feature extractions in point, line and polygon. Please clarify the contribution of urban and rural area within the specified project-area.

Base the pricing on a generic peri-urban area

- b) Please specify which features are expected to be extracted under each geometry type: point, line and polygon?

You may use:

point = building

Line = high voltage powerline

- c) Please clarify the difference between two columns Rate and Price. Shall we enter the same value in both columns?

Price = Quantity x Rate

Query 2: (Reference projects in Category 3 & 4)

Could we use the same reference projects to demonstrate experience for both Category 3: Spatial Data Creation and Development and Category 4: GIS and Remote Sensing Data Analysis?

Yes, you may, just indicate as such.

Query 3: (Metadata Standard)

In the document NEC3 contract document page 32, under “**Technical** Criteria” - Category 3: Spatial Data Creation and Development, section (b) states:

“Provide one sample metadata record for a spatial dataset produced by your organisation within the last 12 months. The metadata record must clearly indicate the metadata standard applied”

Please specify the list of mandate contents required in the Metadata.

Provide a sample metadata file of any spatial data set that was created by your department.

Query 5: (NEC3 Contract document)

It is assumed that foreign companies (non-South African) need not submit the Tenderer's CIDB registration number. Please advise?

CIDB registration is not applicable to this tender therefore, tenderers are not required to submit a CIDB registration number.

Query 6: (NEC3 Contract document)

Please advise if foreign companies (non-South African) need to submit the SDLI Strategy BIDDERS TEMPLATE?

All local and foreign bidders are required to complete and submit the SDL&I Strategy Bidders Template together with their proposals before the tender closing date.

Foreign bidders are encouraged to form a joint venture with a South African company holding a valid B-BBEE certificate and to obtain a consolidated B-BBEE certificate for the joint venture entity. Where a foreign bidder elects to bid independently, it will score zero B-BBEE preference points and will be evaluated on price only.
