1. INTRODUCTION

The purpose of this project is to provide a service to supply and deliver of OHTE Material for Western Cape Region.

2. DESCRIPTION OF WORKS/SCOPE OF WORKS

Supply and delivery of Material.

3. DURATION

6 months

4. GUARANTEE

- 4.1. Prasa Tech reserves the right to visually inspect the material during delivery for any defects or damages.
- 4.2. The material shall be subjected to a guarantee period of one year. The guarantee period shall commence the day it is formally handed over to and accepted by Prasa Tech.
- 4.3. Any defects that may become apparent during the guarantees period shall be rectified to the satisfaction of the client at a free cost.
- 4.4. Should the contractor fail to comply with the above, Prasa is entitled to take effective replacement of the defective material. The contractor must reimburse Prasa Tech the total cost for replacement of materials.

5. PENALTY

Should the Contractor fail to complete delivery on/before the stipulated completion dates, a penalty fee of R5000 per week will be charged.

6. DELIVERY

All the material supplied must be delivered to : PRASA ELECTRICAL INFRASTRUCTURE , SALT RIVER , WESTERN CAPE.
