RE: INVITATION TO TENDER (MPARN11283GX)

Dear Sir/ Madam

Kindly refer to the above subject.

After careful consideration, we regret to advise that Eskom Holdings SOC Limited has decided to cancel the tender for the *full refurbishment, testing, and delivery of medium voltage motors at Arnot Power Station for a period of 60 months*, due to the following reason:

- Change of scope, technical evaluation criteria, and the contracting strategy.

Eskom is working tirelessly to finalise the revised requirements, and upon approval, the tender will be re-issued. All bidders who responded to the initial tender will be advised accordingly once the process resumes.

We would like to take this opportunity to thank you for your participation and interest in the above tender.

Yours Faithfully
