PRICING LABOURS RATES FOR REPAIRS

Labour rates (part 1) --NB! Any repairs to proceed, service provider shall strip, diagnose, and quote. The approval will be granted for any repairs. All transport and overheads are to be included within the pricing.

IMPORTANT NOTE

The tender amounts provided must include ALL COSTS for Maintenance, Servicing and Repairs of Fire equipment. The tendered amount shall further include profit, mark up, overheads, tools, General worker and all necessary equipment needed to offer the services.

Service Provider undertakes to adhere to the National Minimum Wage Act 66 of 1995 and the latest relevant gazetted updated rates as amended and published from time to time in the Government Gazette, including the Minimum General worker rates of the BIBC (Building Industry Bargaining Council) as updated. These employment conditions are gazetted in the Collective Agreement by the minister of General worker and as such becomes law.

NOTE: This is a As & When contract and therefore service providers are advised to factor in the escalations as per the statutory requirements for the following years
