These outcomes form a set of strategic outputs which all planning operations are based on. These strategic outcomes are as follows:

- To preserve and protect the military and cultural heritage of the Castle of Good Hope.
- To optimize the tourism potential of the Castle of Good Hope.
- To optimise accessibility to the Castle of Good Hope by the public.

The Castle of Good Hope is a declared National Heritage site protected by the National Heritage Resources Act, Act 25 of 2000. Therefore, the strategic outcomes must also include:

- Development of the capacity of the Castle of Good Hope to promote understanding, reconciliation and nation-building.
- Agreement with the Department of Defence in terms of the management of the Castle of Good Hope as a defence endowment property.

The Castle Control Board is responsible for the overall management, maintenance and promotion of the Castle of Good Hope as a heritage site and tourism attraction. In terms of the legislative mandate, the organisation is expected to provide a range of public services and goods on behalf of the Department of Defence to local community members, tourists, school learners, students, conservation agencies, exhibitors, performers, cultural organizations, traditional authorities, filming companies, event organisers, military institutions and many more.

28 TAX COMPLIANCE

No tender shall be awarded to a bidder who is not a tax compliant. CCB reserves the right to withdraw an award made, or cancel a contract concluded with a successful bidder in the event that it is established that such bidder was in fact not tax compliant at the time of the award, or has submitted a fraudulent TCC to CCB, or whose verification against the Central Supplier Database (CSD) proves non-compliant. CCB further reserves the right to cancel a contract with a successful bidder in the event that such a bidder does not remain tax compliant for the full term of the contract.

29 NATIONAL TREASURY

No tender shall be awarded to a bidder whose name (or any of its members, directors, partners, or trustees) appear on the Register of Tender Defaulters kept by National Treasury, or who have been placed on National Treasury's List of Restricted Suppliers. 31 RESPONSIBILITY FOR SUB-CONTRACTORS AND BIDDER'S PERSONNEL

A bidder is responsible for ensuring that its personnel (including agents, officers, directors, employees, advisors, and other representatives), its sub-contractors, if any, and personnel of its sub-contractors comply with all terms and conditions of this bid. In the event that CCB allows a bidder to make use of sub-contractors, such sub-contractors will at all times remain the responsibility of the bidder and CCB will not under any circumstances be liable for any losses or damages incurred by or caused by such sub-contractor.

32 CONFIDENTIALITY

Except as may be required by operation of law, by a court or by a regulatory authority having appropriate jurisdiction, no information contained in or relating to this bid or a bidder's tender(s) will be disclosed by any bidder or other person not officially involved with CCB's examination and evaluation of a Tender.

No part of the bid may be distributed, reproduced, stored or transmitted, in any form or by means, electronic, photocopying, recording or otherwise, in whole or in part except for the purpose of preparing a Tender. This bid and any other documents supplied by CCB remain proprietary to CCB and must be promptly returned to CCB upon request together with all copies, electronic versions, excerpts, or summaries thereof or work derived there from.
