TERMS OF REFERENCE GT/GDH/023/2024 THE APPOINTMENT OF A PANEL OF SERVICE PROVIDERS FOR TRAINING SERVICES FOR GAUTENG DEPARTMENT OF HEALTH FOR THE PERIOD OF THREE YEARS

1. PURPOSE

The purpose of this tender is for the appointment of qualified, competent and accredited panel of training service providers to provide training services to the Gauteng Department of Health for a period of three years.

2. BACKGROUND

The Gauteng Department of Health has a mandate and responsibility to develop its employees across all facilities in order to render safe, effective, efficient and competent services. In order to be in line with the Skills Development Act, the Department intends to source training services from competent and accredited training service providers.

The GDOH has a staff complement of over 87 000 employees, which is made of support staff, general workers, administrators, various specialized clinical professionals and healthcare workers. In order to ensure that all the different categories of staff are well skilled, need analysis is conducted annually and a training plan is developed. Some unplanned trainings and/or specific skills are gathered from the annual performance plan, auditor general and health Ombudsman findings.

Some of the professionals employed by GDOH are governed by various statutory bodies, which require continuous professional development (CPD) points in order to remain in practice. It is a requirement that service providers must be able to facilitate the process of acquiring the CPD points for the relevant courses.

The training programmes might be in a form of short courses or skills programmes. These programmes should cover amongst others communicable, non-communicable diseases, emergency care courses, occupational health and safety, infection control related, clinical skills, data quality management, health promotion qualification, computer skills, supervisory skills, management and leadership skills, financial skills, commercial courses, legal, monitoring and evaluation, administration courses and continuous professional development related programmes. Recognition of Prior Learning (RPL) for administration and support staff, Community Health Workers (CHW) and lay counselors. **See ADDENDUM 1.**

Service providers must indicate and be specific about the type and name of the training programmes that they are bidding for, as per addendum 1. The terms of reference for each training programme under the six broad categories will be sent out to the service providers during the request for quotation (RFQ) process.
