1 Background

eTendering system is a web-based system that allows suppliers bidding for various tenders advertised on Tender Bulletin system to “upload” their tender documents. Currently the tenderers or suppliers submit tender documents at various Eskom tender offices. eTendering system replaces the manual or physical submission of tender documents at various Eskom tender offices. eTendering system in a nutshell is an electronic box where tender documents can be “dropped” or “uploaded”. Suppliers will be required to register their details before they can be granted access to the eTendering system. An OTP (one time pin) will be sent to both their cell phone and email address.

Quick and direct access is also available by using the following links:

- **Tender Bulletin Public website:** <https://tenderbulletin.ntcsa.co.za> - this is used by members of the public, to view and access NTCSA published tenders. eTendering hyperlink will be found on this site. Members of the public may follow prompt instructions once they have clicked on the eTendering link (<https://eTendering.eskom.co.za>). This link will allow them to upload the required tender documentation.
- **eTendering website Public website:** <https://eTendering.eskom.co.za> - this is used by members of the public, to view information about published tenders and submit their tender documents.
- **N.B: Members of the public would need to have a CSD number to gain access to eTendering system.**

2 Problems

A channel of communication has been created in case users of the system experiences a problem with the system. In a case users come across some difficulties in using Tender bulletin, eTendering and OpenText systems they need to contact the buyer responsible for the published tender.

3 What's New

A new functionality to “add closed tenders”. Closed tenders refers to the tenders which are not listed on Tenderbulletin as normal tenders, but are tenders sent directly to the relevant and potential suppliers who meet the selection and evaluation criteria to offer what the buyer needs. These suppliers will be sent a link via email to bid privately.

4 Getting Started

To gain access to eTendering portal

1. Open your web browser
2. Type [TenderBulletin \(eskom.co.za\)](http://TenderBulletin.eskom.co.za) or <https://eTendering.eskom.co.za>
3. eTendering system login page will be displayed:

Fig 1

Registration Form	Steps to follow
-------------------	-----------------

<div> <p>Name</p> <input type="text" value="Keely Alston"/> </div> <div> <p>Email</p> <input type="text" value="hobyqaby@mailinator.com"/> </div> <div> <p>Organization</p> <input type="text" value="Tran and McIntosh LLC"/> </div> <div> <p>Csd number</p> <input type="text" value="80"/> </div> <div> <p>Phone No</p> <input type="text" value="+1 (132) 316-4302"/> </div> <div> <p>Agree to Eskom T & C and POPIA</p> <p>Terms and Conditions</p> <p>Protection of Personal Information Act (POPIA)</p> <p><input checked="" type="checkbox"/></p> </div> <div> <p>Password</p> <input type="password" value="....."/> </div> <div> <p>Confirm Password</p> <input type="password" value="....."/> </div> <div>  <p><input type="text" value=""/></p> </div> <div> <p>Already registered? REGISTER</p> </div>	<ul style="list-style-type: none"> • Complete all the fields • Contact number must start with a Plus prefix e.g +27 • Ensure that you also fill in the capture picture to validate that you are not a robot. • Once all columns have been filled click on register button • Pop-up message will be displayed asking the registerer to verify the email sent to the provided email address. • If the email does not come through, click on "Resend Verification Email" button • email to be resent, • Once you have received the email click on Verify Email link provided on the email. • Then you will be directed back to etendering site with a login screen displayed, now complete the login with your verified email address and password •
--	---

Fig1.1

Thanks for signing up! Before getting started, could you verify your email address by clicking on the link we just emailed to you? If you didn't receive the email, we will gladly send you another.

RESEND VERIFICATION EMAIL [Log Out](#)

Fig2a.

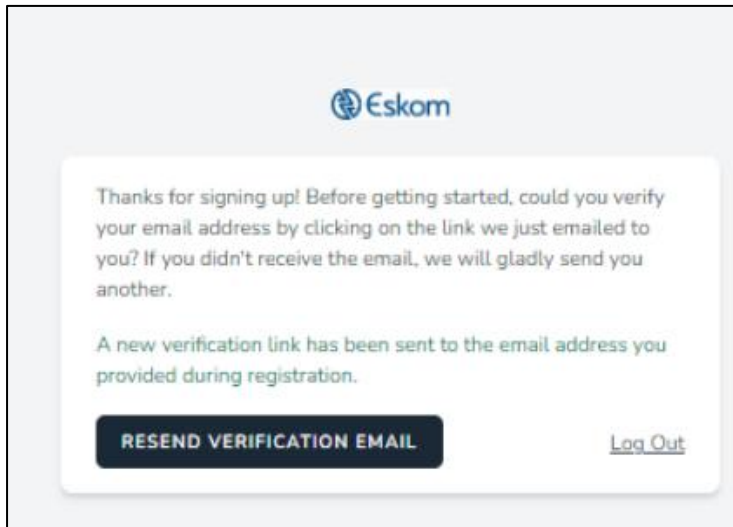

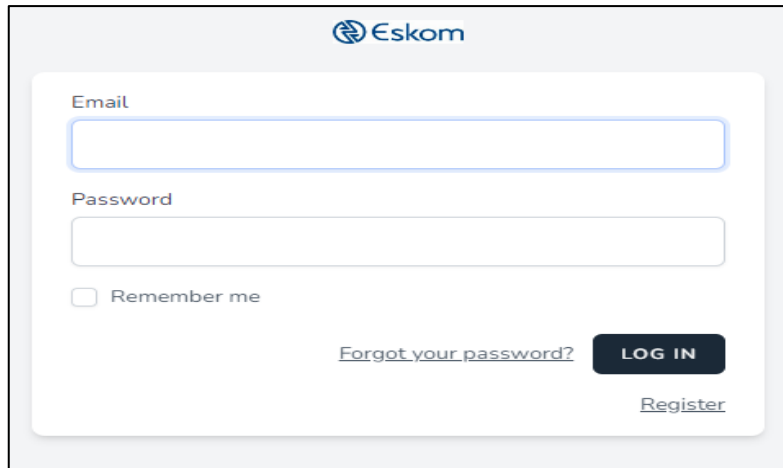

Fig2b.

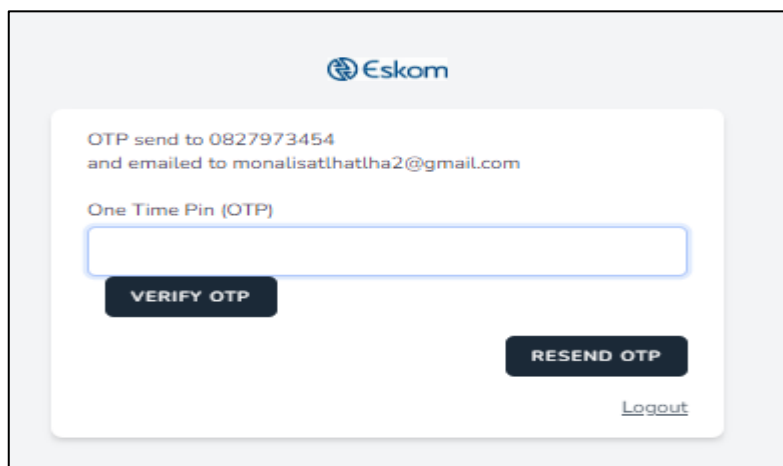

Fig3.

4. Once the email is verified, login using your registered email address and password then the OTP page will be displayed

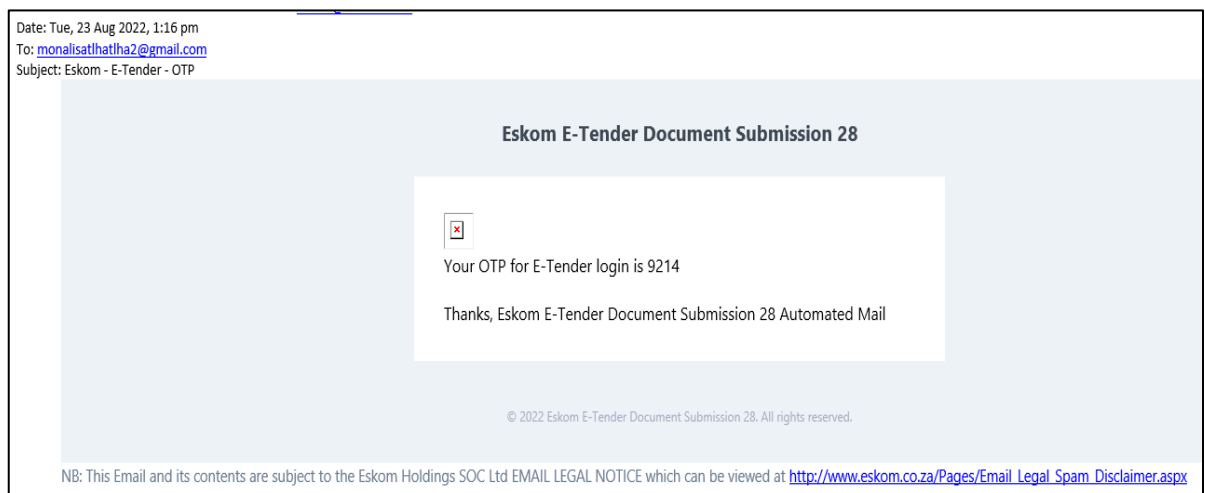

The login form features the Eskom logo at the top. It contains two input fields for 'Email' and 'Password'. Below the password field is a checkbox labeled 'Remember me'. To the right of the input fields are two links: 'Forgot your password?' and 'Register'. A dark blue 'LOG IN' button is positioned to the right of the 'Forgot your password?' link.

The OTP verification form displays the Eskom logo and a message: 'OTP send to 0827973454 and emailed to monalisatthatlha2@gmail.com'. It includes a 'One Time Pin (OTP)' input field. Below this field are two buttons: 'VERIFY OTP' and 'RESEND OTP'. A 'Logout' link is located at the bottom right of the form.

5. OTP sent to the registered cellphone number and email address

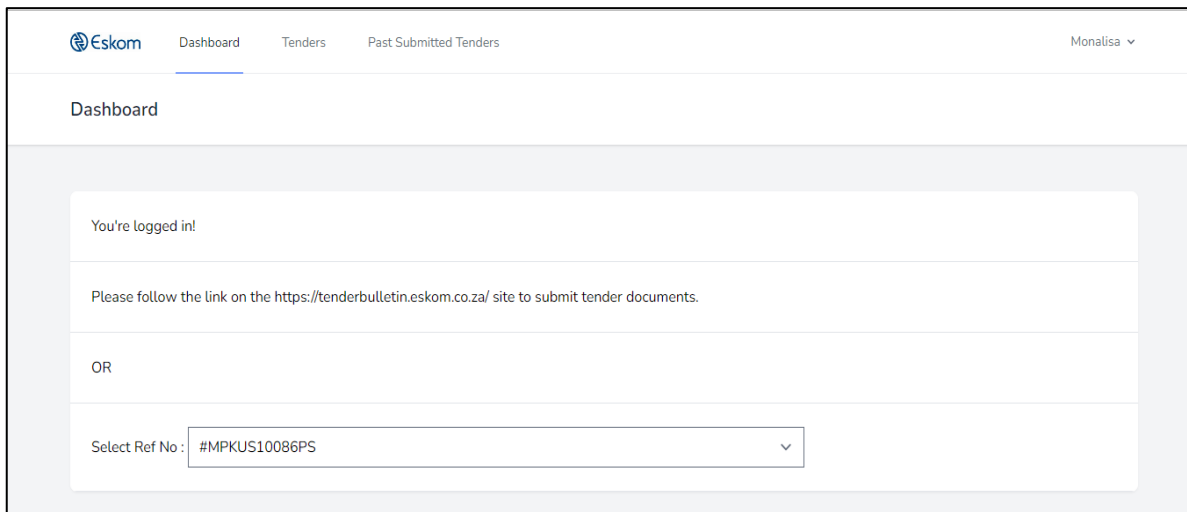

The email template shows the header information: 'Date: Tue, 23 Aug 2022, 1:16 pm', 'To: monalisatthatlha2@gmail.com', and 'Subject: Eskom - E-Tender - OTP'. The main body has a light blue background with the title 'Eskom E-Tender Document Submission 28'. A white box in the center contains a small icon of a document with a red 'x', followed by the text 'Your OTP for E-Tender login is 9214' and 'Thanks, Eskom E-Tender Document Submission 28 Automated Mail'. The footer includes a copyright notice '© 2022 Eskom E-Tender Document Submission 28. All rights reserved.' and a disclaimer: 'NB: This Email and its contents are subject to the Eskom Holdings SOC Ltd EMAIL LEGAL NOTICE which can be viewed at http://www.eskom.co.za/Pages/Email_Legal_Spam_Disclaimer.aspx'.

6. Insert the otp number then click **“Verify OTP” button**, to resend OTP click on **“Resend OTP” button**

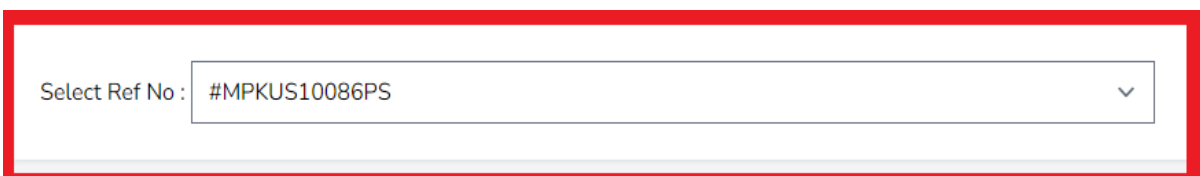

The screenshot shows the OTP verification interface. At the top is the Eskom logo. Below it, a message states: "OTP send to 0827973454 and emailed to monalisatlhathla2@gmail.com". Underneath, it says "One Time Pin (OTP)" followed by a text input field. Below the input field are two buttons: "VERIFY OTP" and "RESEND OTP". At the bottom right, there is a "Logout" link.

7. Landing page once OTP is verified

The screenshot displays the user's dashboard after successful login. The top navigation bar includes the Eskom logo, "Dashboard" (active), "Tenders", and "Past Submitted Tenders", along with a user profile dropdown for "Monalisa". The main content area is titled "Dashboard" and contains a message: "You're logged in!". Below this, it instructs the user to follow a link on the <https://tenderbulletin.eskom.co.za/> site to submit tender documents. An "OR" separator is present. At the bottom, there is a "Select Ref No:" label and a dropdown menu currently showing "#MPKUS10086PS".

8. Select the preferred "Ref No"

This image is a close-up of the "Select Ref No:" dropdown menu from the dashboard. The dropdown is highlighted with a red rectangular border. It shows the selected reference number as "#MPKUS10086PS" and includes a downward arrow icon on the right side of the selection box.

9. A page with the preferred Tender information is displayed before tender documentation can be submitted.

5 Edit Registration

To edit already registered information such as Name, Organization, CSD and cell phone number select “Edit Registration” on the drop down, Fig1. New window with information that needs to be updated pop ups, Fig2. Click on “**Update**” button to update registration details.

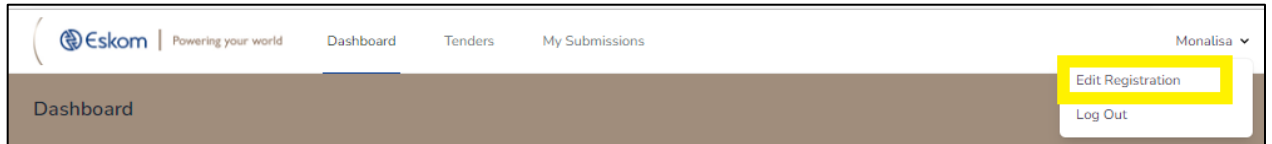

Fig1.

 This screenshot shows the 'Edit Registration' form. It contains the following fields:

- Name:** A text input field containing 'Monalisa'.
- Organization:** A text input field containing 'Eskom'.
- Csd number:** A text input field containing '00000'.
- Phone No:** A text input field containing '066627087054'.
- Captcha:** A section with a colorful 'pntsd' captcha image and a circular refresh icon below it, followed by an empty text input field.
- UPDATE:** A dark blue button with white text located at the bottom of the form.

Fig2.

6 Log off Button

To logout, click “Log out” on the dropdown next to your name

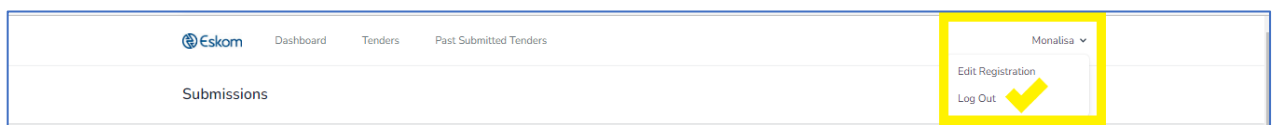

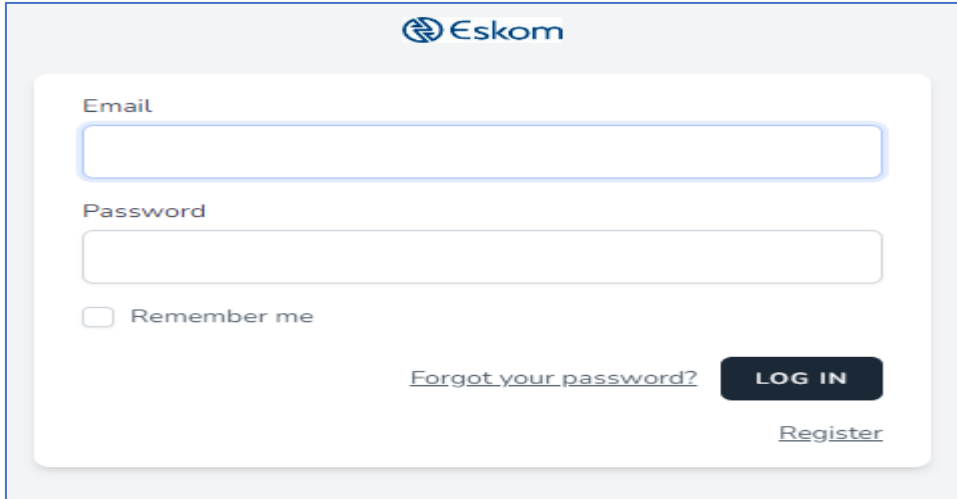

Fig1.

7 Password reset

To reset a forgotten password, click **“Forgot your password” Fig1.** and a new screen will pop up to enter an alternative email where the new password will be sent Fig2. Confirmation message will be sent to the user, Fig3.

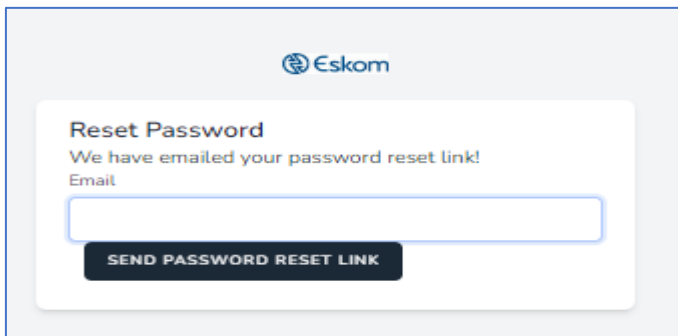

The login screen features the Eskom logo at the top. Below it, there are two input fields: 'Email' and 'Password'. A checkbox labeled 'Remember me' is positioned below the password field. To the right of the input fields, there is a link that says 'Forgot your password?' and a dark blue button labeled 'LOG IN'. At the bottom right, there is a link that says 'Register'.

Fig1.

The 'Reset Password' screen displays the Eskom logo at the top. Below the title, there is an 'Email' label and an input field containing the email address 'tthatlm@eskom.co.za'. A dark blue button labeled 'SEND PASSWORD RESET LINK' is located below the input field.

Fig2.

The 'Reset Password' screen displays the Eskom logo at the top. Below the title, there is a confirmation message: 'We have emailed your password reset link!'. Below this message, there is an 'Email' label and an empty input field. A dark blue button labeled 'SEND PASSWORD RESET LINK' is located below the input field.

Fig3.

An email confirming password reset will be sent to the email provided.
Click on the link or **“Reset Password” button** to reset the password.

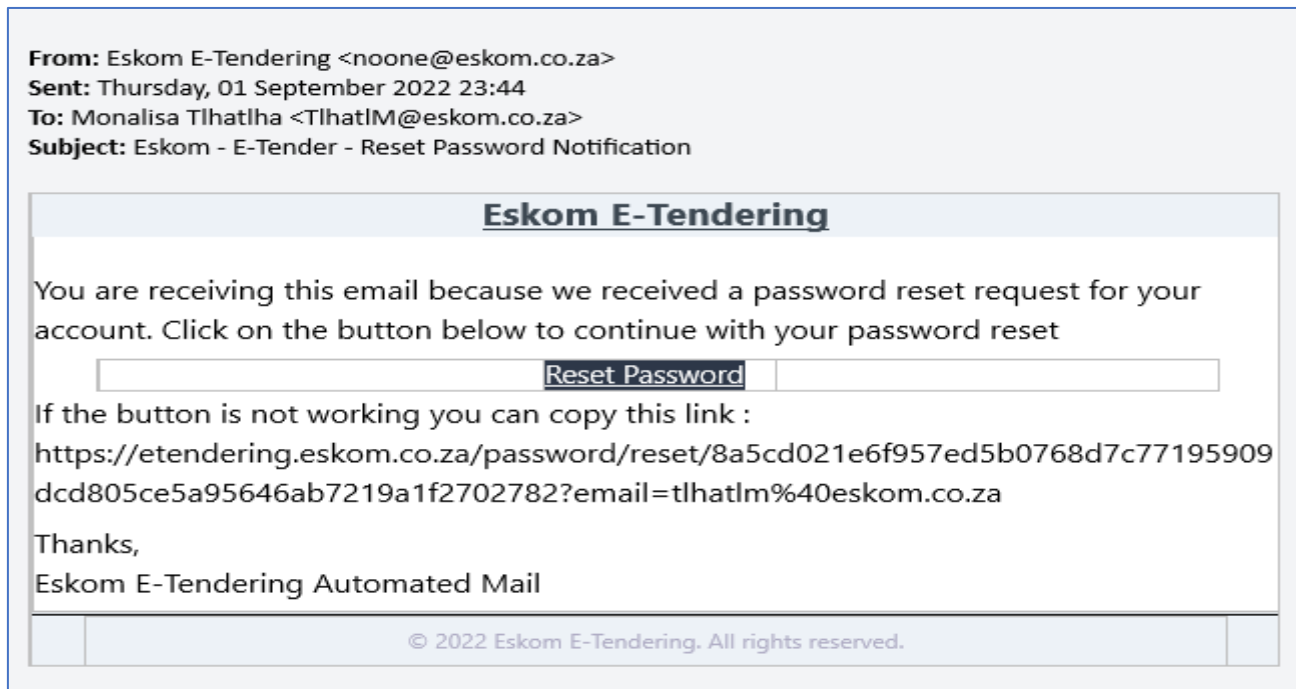

Fig4.

A new window will pop up to reset and confirm the new password, Fig5. Enter new password and confirm then click on **“Reset Password” button**.

The screenshot displays a web form titled **Reset Password** with the Eskom logo at the top. The form includes the following fields and elements:

- Email:** A text input field containing the email address `tlhatlm@eskom.co.za`.
- Password:** A text input field for the new password.
- Confirm Password:** A text input field for confirming the new password.
- RESET PASSWORD:** A dark button to submit the form.

Fig5.

OTP window will pop up, type in the OTP sent to either the cell phone or email address.

The screenshot shows a web form for verifying a One Time Pin (OTP). It features the Eskom logo and the following elements:

- OTP Information:** Text stating "OTP send to 0827973454 and emailed to tlhatlm@eskom.co.za".
- One Time Pin (OTP):** A text input field with a single character '1' entered.
- VERIFY OTP:** A dark button to submit the OTP.
- RESEND OTP:** A dark button to request a new OTP.
- Logout:** A text link at the bottom right.

Fig6.

OTP successfully goes through and lands on the below screen, password is successfully reset.

The screenshot shows the Eskom eTendering System Dashboard. The top navigation bar includes the Eskom logo, the tagline "Powering your world", and links to "Dashboard", "Tenders", and "My Submissions". The user's name "Monalisa" is displayed in the top right corner. The main content area has a brown header with the word "Dashboard". Below this, there is a light blue section with the message "You're logged in!". This is followed by a white section with the instruction "Please follow the link on the <https://tenderbulletin.eskom.co.za/> site to submit tender documents." Below this is a white section with the text "OR". At the bottom, there is a white section with a label "Select Ref No :" and a dropdown menu showing the value "#MPKUS10086PS".

Fig7.

8 General

This system is compatible to most web browsers however we recommend Ms Edge.

The end.
