Dear Sir/Madam

ADDENDA TO INVITATION TO TENDER FOR ENQUIRY NO E1545DXLP:

Invitation to Tender for the Supply, Installation and maintenance of Fire Protection system for all the Eskom buildings and Vehicles in Limlanga Cluster on an “as and when” required basis for a period of 60 months

Invitation to tender technical requirements on page **16 (Functionality Requirements)** as well as page **23 (Safety contractual requirements documents)** is amended as follows:

Technical requirements:

Item 2	Light delivery vehicle (LDV's).	25%	<p>Proof of ownership or a valid rental agreement of a light delivery vehicle from Bona Fide companies to perform duties.</p> <p>Supporting documentation should be a roadworthy certificate (licence disc).</p>
--------	--	------------	--

Safety requirements:

The tenderer will be allowed a period not exceeding 7 working days only once, after the first evaluations to resubmit the requirements which were not fully met following the tender submission. If the tenderer does not meet a contractual requirement, mitigating factors, if they exist, may be agreed to and made terms and requirements of the contract. If the tenderer does not agree with the mitigating factors or if there are insufficient suitable mitigating factors or if the risk is deemed too high, the tender may be awarded to a tenderer other than the highest-ranked / preferred tenderer.

Item 4	<p>Provide the following SHE Competency training certificates:</p> <p>4.3 HIRA Training</p>
--------	---

Amended Invitation to tender has been Eskom Tender Bulletin as well as E-tenders website.

All other information on the NEC3 Term Services Contract document remains unchanged.

Yours sincerely
