5. EVALUATION PROCESS AND CRITERIA

5.1. BASIC COMPLIANCE

ANNEXURE A

DECLARATION OF INTEREST

I/We understand that any natural/legal person, including employees of the State and/or those related to an Eskom employee/director (as per the definition of “related” set out hereunder), may tender to Eskom. However, in view of possible allegations of favouritism (the practice of showing favour to, or giving preference to some person/group, to the detriment of, or at the expense of another that is entitled to equal treatment or an equal opportunity), should the resulting tender, or part thereof, be awarded to such natural/legal person, as described herein, it is required that the *tenderer/s* declare such interest/relationship where:-

- the *tenderer/s* employees/ directors are also employees/contractors/consultants/ directors in the state or a state owned entity.
- the *tenderer/s* employees/ directors are also employees/ contractors/ consultants/ directors of Eskom
- the *tenderer/s* employees/directors are also employees/ contractors/ consultants or directors in another entity together with Eskom employees/ consultants/ contractors/ directors
- the *legal person/s (including its employees/ contractors/ directors/ members/ shareholders)* on whose behalf the tender documents are signed, is in some other way “related” to an Eskom employee/ contractor/ consultant/ director involved in the tender evaluation/tender adjudication/tender negotiation. “Related” meaning that:-
 - an individual is related to another individual if they are married, or live together in a relationship similar to marriage;
 - or are separated by no more than two degrees of natural or adopted consanguinity or affinity;
 - an individual is related to a juristic person if the individual directly or indirectly controls the juristic person, as determined in accordance with the definition of “control” (as per Companies Act section 2(1)) ; and
 - a **juristic person is “related” to another juristic person if :-**
 - Either of them directly/ indirectly controls the other, or the business of the other, as determined in accordance with the definition of “control” (as per Companies Act section 2(1));
 - Either is a subsidiary of the other; or

Public

NOTES

- a. Eskom will not be responsible for any damages or losses suffered during the removal of the equipment incurred while working on this project arising from theft, damage or personal injury.
- b. You will be required to adhere to the condition as laid out by the Eskom site agent with regards to site access etc.
- c. Littering is prohibited at all times. Facilities will have to be made available on site during dismantling operations for the collection of disposal waste material. No rubble whatsoever is to be left on site.
- d. Portable fire fighting equipment must be available on site during all stages of the work programme.
- e. You will be required to be put on an Eskom permit, prior to commencement of and work. After completion of the work, it is imperative that you notify the Eskom site agent, so that the job can be signed off.
- f. You will be required to be put on an Eskom permit, prior to commencement of and work. After completion of the work, it is imperative that you notify the Eskom site agent, so that the job can be signed off.
- g. All work must comply with the OHSA Act no 85 of 1993. All Safety requirements and documentation shall be available on the site
- h. This is an open tender.
- i. A bidder who has an existing or expired contract with Eskom and has defaulted in terms of that contract will be disqualified and not be awarded a new contract
- j. A bidder who has an open non-conformance will be disqualified and not awarded a new contract.
- k. No accommodation will be allowed on site.

8. Environmental requirements

The intended activities at the Eskom Sites will have an impact on the environment and as such have to be properly management. Proper management requires that there is compliance with all the relevant pieces of legislation that impact on the development or intended activities. Therefore, the list below indicates the pieces of legislation that impact on the proposed activities. It is important that the Construction Team complies with these. Non-compliance will be unwise and may prove to be very costly for the organisation.
