Subject: RE: Clarification on Submission Requirements - RFP No. PRASA/NGR/001/06/2026

Good morning, Phungo

Indeed, paragraph 8.3 in the RFP Document stipulates that “Bidders must submit 1 original response and may submit copies and an electronic version which must be contained in a Memory Card/External hard drive etc. clearly marked in the Bidders name. PRASA reserves the right to consider information provided in all formats irrespective the format i.e original/copy/electronic”.

As per above, it is mandatory that you furnish PRASA with 1 original response; it is also non-mandatory for you to furnish copies (be it a physical photocopy or the original document or a memory stick copy of the original document)

Many Thanks!

Dear Kuthazwa / khuthazwa,

Good day.

I am writing on behalf of Xwi Trading and Projects (Pty) Ltd regarding the above-mentioned RFP for the Provision of Cleaning, Hygiene and Horticultural Services at Corridor 1C Stations in NGR for a period of 36 months.

We are busy finalizing our submission and kindly request clarification with regards to Clause 8.3 of the RFP document.

Clause 8.3 states: "Bidders must submit 1 original response and may submit copies and an electronic version..."

Our query:

Is the submission of copies of the bid document mandatory, or is the 1 Original + 1 Electronic version on USB/Memory Card sufficient for a compliant submission?

Your guidance will be greatly appreciated to ensure our submission is fully compliant.

Thank you in advance for your assistance. We look forward to your response.

Kind Regards,
Phungo Ritshidze
