CONTROLLED DISCLOSURE

No part of this document may be reproduced without the expressed consent of the copyright holder, Eskom Holdings SOC Limited, Reg No 2002/015527/06.

Technical Tender Criteria

It is recommended that the technical evidence be contained within the technical evaluation file or section of the submission,

Bidder to provide at the Contract award stage

The bidder will be required to submit the following to Eskom prior to contract award:

1. Compliance to Eskom Standards - Submission of Letter to acknowledge acceptance and compliance to Eskom standards (A template will be provided)
2. A letter of confirmation from the hiring company to be submitted as proof for all Tools, Equipment and Plant that will be outsourced to the tendering company by an external source. This letter is required to be submitted prior to the contract award and at the task order stage. To be included in the returnable is the CV and proof of qualification as per the returnable request.
3. Vehicle registration documentation.

CONTROLLED DISCLOSURE

No part of this document may be reproduced without the expressed consent of the copyright holder, Eskom Holdings SOC Limited, Reg No 2002/015527/06.

Functional Criteria

| Functional Criteria | | | |
|---|--------------------------------|--------|---|
| All evidence stated below will be scored. | | | |
| No | Criteria Section | Weight | Notes |
| 1 | Training and Skilled Resources | 30% | Refer to Training and Skilled Resources Criteria section for details of evidence required |
| 2 | Tools, equipment and Plant | 20% | Refer to Plant and Tools Criteria section for details of evidence required |
| 3 | Vehicles | 20% | Refer to Vehicles Criteria section for details of evidence required |
| 4 | Related Work Experience | 30% | Refer to Related Work Experience Criteria Section for details of evidence required. |

Each section is weighted in order to produce a final score out of 100%. Each section has individual criteria that are scored, individually weighted and will be converted into a result aligned to the Criteria Section Weight.

The maximum possible final score will be 100%.

The threshold is set at 75%.

CONTROLLED DISCLOSURE

Criteria Section: Training and Skilled Resources

The Bidder must indicate the availability of trained and skilled resources as per the criteria stated below.

| Training and Skilled Resources Criteria | | | | |
|--|---|---|---------------|--|
| All evidence stated below will be scored. | | | | |
| No | Criteria | Scoring Method | Weight | Returnable and Further Notes |
| 1 | Surveyor | 5 = Fully Compliant 3 = Partially compliant 0 = Deficient or non-responsive | 6% | Returnable: A copy of SAGC or PLATO registration certificate (physical or web certificate) for minimum ST or higher or equivalent in terms of the revised legislation. The resource must be employed at the Tendering Company at the time of the tender or resourced from an external sub-contracted company. Letter of intent to be appointed from the individual or company should be submitted. Scoring: Fully compliant will result in a score of 5. Partially compliant will result in a score of 3 No evidence will result in a score of 0. |
| 2 | Project Programming and Scheduling | 5 = Fully Compliant 3 = Partially compliant 0 = Deficient or non-responsive | 6% | Returnable: A completed sample project schedule (see Annexure for project details and sample template) demonstrating the Tendering Company's ability to program a construction project. This is only to demonstrate competency in this requirement, and does not represent an approved programme and schedule for this project. Scoring: Fully compliant will result in a score of 5. Partially compliant will result in a score of 3 No evidence will result in a score of 0. |
| 3 | Supervision of Civil Construction Works and | 5 = Fully Compliant 3 = Partially compliant | 6% | Returnable: A copy of the Appointed Civil Construction Supervisor's CV (typically in the template provided) demonstrating all construction |

Criteria Section: Tools, Equipment and Plant

A tool/equipment/plant listing is to be submitted using the standard tool/equipment template provided in the interleaves. The Bidder must indicate the availability of the tooling and equipment as per the criteria stated below.

The tool/equipment/plant may be owned or hired. If the tool/equipment/plant is owned, then indicate owned on the tool list.

If the tool/equipment/plant is to be hired, indicate hired on the tool/equipment/plant list.

Proof of hiring will be required prior to the contract award at the task order stage. This letter from the hiring company must also include a list of the specific tools the hiring company is able to supply, aligned with the tool list below.

| Tool/Equipment/Plant Criteria | | | | |
|---|---|--|--|--|
| All evidence stated below will be scored. | | | | |
| No | Criteria | Scoring Method | Weight | Returnable and Further Notes |
| | | Each tool/equipment/plant will be scored as: | Each tool/equipment/plant is weighted at 1.11% | Returnable: The completed and signed tool list from the Interleaves. |
| 1 | Compressor (with jackhammers) | 5 = Fully Compliant 0 = Deficient or non-responsive | | The tool/equipment/plant list must state if the tool/equipment is owned or hired. Fully compliant tool/equipment/plant will result in a score of 5. No evidence or fully non-compliant tool/equipment/plant will result in a score of 0. |
| 2 | Concrete mixer | | | |
| 3 | Concrete test equipment (slump and cubes) | | | |
| 4 | Concrete formwork/shutters | | | |
| 5 | Generator | | | |
| 6 | Concrete vibrators | | | |
| 7 | Troxler test machine | | | |

Criteria Section: Vehicles

A vehicle listing is to be submitted using the standard vehicle template provided in the interleaves. The Bidder must indicate the availability of the vehicle as per the criteria stated below.

The vehicle may be owned or hired.

If the vehicle is owned, then indicate owned on the vehicle list. Vehicle registration documents will be requested prior to contract award at the task order stage.

If the vehicle is to be hired, indicate hired on the vehicle list.

Proof of hiring will be required prior to the contract award at the task order stage. A letter will be sufficient at this stage. The letter must explicitly state that the Bidder has the availability and capability to hire the required vehicles. The letter must be from a bona fide hiring company or a bona fide construction/other contractor company.

| Vehicles Criteria | | | | |
|---|------------------------------|--|---------------|---|
| All evidence stated below will be scored. | | | | |
| No | Criteria | Scoring Method | Weight | Returnable and Further Notes |
| 1 | TLB and/or tracked excavator | 5 = Fully Compliant 0 = Deficient or non-responsive | 3.33% | Returnable: The completed Vehicle List from the Interleaves. The vehicle list must state if the vehicle is owned or hired. |

Criteria Section: Experience

The construction experience listing is to be submitted using the standard experience template provided in the interleaves.

The Bidder must indicate the experience in the predefined categories of civil tasks, as well as include relevant supporting information as stipulated.

Total of 5 experience for Civil Works are to be satisfied in order to achieve the total/maximum of 30% for this criteria section. Each task achieved is weighted at 6% for civil works per task and scoring will be achieved as per the table below.

Each example provided as evidence must be civil and electrical works related and must have been successfully completed

| Substation Civil Experience Criteria | | | |
|---|---------------------------------|---|---|
| All evidence stated below will be scored. | | | |
| No | Criteria | Scoring Method and Weight | Returnable and Further Notes |
| 1 | Survey | For up to a maximum of 5 tasks, the scoring will be: 5 = Fully Compliant 3 = Partially compliant 0 = Deficient or non-responsive The weight per task, up to a maximum of 5 will be: 6% | The required information includes: <ul style="list-style-type: none">• Project Name• Name Of Customer/Client• References (Name And Contact Information)• Project Value• Project Duration (Start And End Dates)• The scope of work for the Project and Task• Project/Activity Schedule for selected task |
| 2 | Bulk earthworks and layer works | | |
| 3 | Concrete works | | |
| 4 | Surface drains | | |
| 5 | Road construction | | |
| 6 | Rehabilitation | | |
| Total Score for Experience | Total = 30 | | |
| | | Total = 25 | Section Weight = 30% |
