Any revised documents after site meeting, clarification information will be uploaded as such. Information asper the latest communication will apply.

## Clarification Nr 3

### **Clarification request:**

May you kindly confirm the following from notification Nr 6: "The tender will be awarded as a whole and not on a partial/split basis. Tenderers are therefore requested to submit pricing for all items listed on the NEC and Excel spreadsheet."

Does this mean that, if we have maybe 200 or even less items that we are sure off, and we would like to tender on, will they not be acceptable since the tender "will be awarded as a whole and not on a split basis "

#### Response:

Should a tenderer omit to provide rates / prices for any particular item, Eskom reserves the right to apply the highest rate / price of the other bidders for that item. (This is necessary to evaluate all tenders on the same basis).
