REQUEST FOR QUOTATION ATM 2025/2026-06

REQUEST FOR SERVICE PROVIDER TO LEASE PREMISES AND MANAGE A TAKE-AWAY AT THE AFRIKAANSE TAALMUSEUM EN -MONUMENT, PAARL

1. Background

Die Afrikaanse Taalmuseum en -monument (ATM) is a Schedule 3A public entity and is subject to the requirements of the Public Finance Management Act (PFMA), No. 1 of 1999, Treasury Regulations and other relevant legislation. Please visit the ATM website on taalmuseum.co.za for more information on the ATM.

2. Objectives

The ATM seeks to appoint a service provider for the supply and management of a take-away ("the business") at the iconic and popular Afrikaanse Taalmonument on Paarl Mountain.

The premises made available for the business is an area of approximately 230m² that consists of a small semi commercial kitchen, pizza oven, indoor serving and seating area as well as a paved outside seating area with umbrellas (referred to further herein as "the premises").

The ATM will make the premises available to the service provider to whom this contract is awarded ("the nominated service provider") against payment of the agreed upon rental, and all charges relating to the usage of gas, fumigation of the premises, and the removal of refuse in respect of the premises will be for the appointed provider's account.

Yearly the ATM has up to 50 000 visitors and users on the site which houses "the premises", all potential customers of the business. Besides the Monument, Museum and Amphitheatre, the ATM caters for special days/events, workshops, conferences, private functions, etc. while the surrounding general public/community are also potential customers of the business.

The ATM considers it important to provide its patrons, staff and the general public access to a reasonable catering service during visits to the Taalmonument, hence the need for a facility of the kind the proposal requires.

As the Afrikaanse Taalmonument has a specific task to showcase a modern, creative Afrikaans to mother-tongue and non-mother-tongue speakers, including foreign tourists, it will be expected of the nominated service provider to understand and support the ATM's vision, mission and values. In practice, this would include a multilingual, professional and friendly staff reflecting the demographics of the Afrikaans community, a multilingual menu that takes the multicultural Afrikaans/African food heritage into account, stylish décor, and creative Afrikaans/African music. These aspects also need to be reflected in any promotional material (including social media) utilised by the nominated service provider.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
