T1 TENDERING PROCEDURES

T1.1 INSTRUCTIONS TO BIDDERS

1. ISSUING OF DOCUMENTS

- (a) A complete set of bid document is issued to a prospective Bidder.
- (b) Bidders must satisfy themselves that the document is complete and conform to the index of this document. Should any figures or writing be indistinct or should any pages be missing from this document or should this document or the drawing(s) contain any obvious errors, the Bidders must immediately notify the Department in order to have any discrepancy rectified or clarified before submitting his bid. Such clarification will be valid only if made by the Department by means of formal amendment as described hereunder prior to the date of submission of bids. The Department may issue amendments to clarify or modify the Bid Documents. A copy of each amendment will be issued to each bidder and shall be acknowledged on the form issued with the amendments. No claim whatsoever will be entertained for faults in the bid price resulting from the above-mentioned discrepancies.
- (c) No alterations, omissions or additions shall be made to this document, but should it be deemed necessary to do so, the Bidder is at liberty to qualify his bid.
- (d) All Bidders shall be deemed to have waived, renounced and abandoned any conditions printed or written upon any stationery used by them for the purpose of or in connection with the submission of bids which are in conflict with the conditions laid down in this document.
- (e) Each page of the completed document that will be submitted should be initialled by the Bidder at the bottom of the page.

2. QUERIES WITH RESPECT TO THIS BID

Queries of a specific technical nature may be discussed personally or telephonically with **Mr Napo Masia at 033 239 1284 / MasiaN1@dws.gov.za** or may be directed in writing to: The Director: Eastern Operations, Department of Water and Sanitation, Private bag X24, Howick.

3. COMPLETION OF BIDS

- (a) The bid must be signed on the Invitation to Bid form (SBD 1) annexed hereto with all blanks in the bid and the appendix filled in.
- (b) All spaces in the bid forms and other annexures shall be completed in full.
- (c) **SBD 3.1 in the bid document and the Pricing Schedule must be fully completed and priced out by the bidder. Failure to do so will deem your bid invalid.**
- (d) The bid documents shall not be separated in any way nor must any pages be detached from the original documents.

4. SUBMISSION OF BIDS

The Bid Document shall be completed, signed and submitted as follows:

- (a) The original Bid, together with a covering letter and supporting documents, shall be sealed in an envelope endorsed:

WTE-2534ES: KLIPFONTEIN DAM: MANUFACTURE AND DELIVER DN 200 SLEEVE VALVE AND REFURBISHMENT OF ITS STROKE BRACKET AND VALVE HOOD

- (b) Bids sealed and endorsed as above, will be received by: The Supply Chain Management Office or may be deposit in the bid box at the entrance of **Department of Water and Sanitation, R103 Prospect Road, Howick** and not later than **11:00** on the date stipulated on the front cover of this document.

5. SIGNATURE ON BIDS

The Bid, if by an individual, must be signed by that individual or by someone on his behalf duly authorised thereto and **proof of such authority must be produced**. If the bid is by a Company, it must be signed by a person duly authorised thereto by a Resolution of a Board of Directors a copy of which Resolution, duly certified by the Chairman of the Company is to be submitted with the bid.

The successful bidder will be required to submit a "Letter from the manufacturer" confirming the supply arrangement within 14 days after the approval of the bid.

If the bid is submitted by joint venture of more than one person and/or Companies and/or firms it shall be accompanied by the following:

- (a) The original or a notarially certified copy of the original document under which such joint venture was constituted which must define precisely inter alia the conditions under which the joint venture will function, its period of duration and the participation of the several constituent persons and/or companies and/or firms.
- (b) A certificate signed by or on behalf of each participating person and/or company and/or firm authorising the person who signed the bid to do so.

6. GENERAL CONDITIONS OF CONTRACT

The General Conditions of Contract, as attached shall be regarded as an integral part of the contract documents.

7. PERIOD OF VALIDITY OF QUOTATIONS

All quotations shall remain valid for a period of **one hundred and twenty days (120)** after the closing time and date set.

8. TELEGRAPHIC BIDS

No bid forwarded by telegram, telex, facsimile, e-mail or similar apparatus will be considered.

9. THE DEPARTMENTS RIGHT TO DECLINE ANY BID

The Department does not bind itself to accept the lowest or any bid. Bids not complying with the above-mentioned requirements and specifications may be regarded as incomplete and may not be considered.

10. ACCEPTANCE OR REJECTION

Quotations may be rejected if they show any departure from the conditions or specifications contained in the quotation documents or are incomplete in any way. The employer **does not bind him** to accept the lowest or any quotation and reserves the right to accept any quotation he may deem expedient, nor will he assign any reason for the acceptance or rejection of any quotation.

11. DEPARTMENT NOT LIABLE FOR BIDDER'S EXPENSES

The Department will not be held liable for any expenses incurred in preparing and submitting bids.

12. PAYMENTS UNDER THE CONTRACT

All payments due to the Bidder in terms of the contract will be done by means of Electronic Fund Transfer.

T1.2 EVALUATION CRITERIA

DWS will evaluate all proposals according to the Preferential Procurement Regulations, 2022, using 80/20 preference points system as prescribed in the Preferential Procurement Policy Framework Act (PPPFA, Act 5 of 2000). The lowest acceptable bid will score 80 points for price and a maximum of 20 points will be awarded for the specific goals. Maximum of 100 points will be scored for functionality (quality).

Bids received will be evaluated on the four (4) phases namely:

- (1) Mandatory Requirements (if applicable),
- (2) Functionality Requirements
- (3) Administrative Compliance
- (4) Price & Specific Goal

PHASE 1: MANDATORY REQUIREMENTS:

Failure to submit any of the documents listed below will render your bid non-responsive and the bid will be disqualified.

No	Criteria	Yes	No
1	Attendance of compulsory briefing session and service provider to sign the attendance register during the briefing session		
2	Bill of Quantities (fully completed and signed)		
3	Pricing Schedule SBD3.1 (fully completed and signed)		
4	Active and valid CIDB 2 ME Grading		

PHASE 2: FUNCTIONALITY COMPLIANCE

- Full compliance to technical requirements by indicating compliant or non-compliant.
- Bidders who Fail to comply with the below requirements in full will be considered non-responsive and may be disqualified from further evaluation.

Criteria	Sub-Criteria	COMPLY YES/NO	
		YES	NO
Relevant Past Experience (company or supervisor)	Past relevant work Experience - One (1) award letters, completion certificates and verifiable completion certificates of which the scope of work is relevant to the project scope as prescribed in the project specification. (any boiler making project)		
Proposed construction programme	Proposed construction programme- Provides a detailed project (from project start to finish). <ul style="list-style-type: none"> • A proposed detailed Gantt Chart must be submitted • Provide a detailed list of tasks necessary to complete the work • Provide a list of tasks a specific to the project and encompass milestones. Appropriate timeline and estimate. 		

PHASE 3: ADMINISTRATIVE COMPLIANCE

Bidders are required to comply with the following listed below:

No	Criteria	Yes	No
1	Companies must be registered with National Treasury's Central Supplier Database must submit CSD report. Provide MAAA number on SBD1		
2	Tax compliant with SARS (to be verified through CSD and SARS). Attach Tax Compliance status PIN page		
3	Active registration with Company Intellectual Property Commission (to be verified through CSD and CIPC). Attach copy of Bidder's CIPC / CIPRO certificate.		
4	A valid copy of B-BBEE Status Level Verification Certificate or a valid original sworn affidavit (failure to submit, the Bidder will forfeit the relevant points allocated for B-BBEE under specific goals)		
5	Initial and sign Tender data section (T1 & T2) and all required documents to be submitted with tender. Initial each page of section C1, C2 and C3 and sign where required.		
6	Letter of appointment of duly authorized person to sign bid. Proof of such authority must be submitted with the bid. If by an individual, must be signed by that individual or by someone on his behalf duly authorised thereto and proof of such authority must be produced. If the bid is by a Company, it must be signed by a person duly authorised thereto by a Resolution of a Board of Directors a copy of which Resolution, duly certified by the Chairman of the Company is to be submitted with the bid.		
7	Complete, sign, submit SBD1, SBD4, SBD6.1 and Annexures C (Local Production and Content declaration – summary schedule.)		

PHASE 4: PRICE AND SPECIFIC GOALS

The 80/20-point system will be used in evaluating all proposals.

Evaluation element	Weighting (Points)
SPECIFIC GOALS	20
PRICE	80
Total	100

Price

A maximum of 80 points are allocated for price on the following basis

$$P_s = 80 \left(1 - \frac{P_t - P_{\min}}{P_{\min}} \right)$$

Where:

P_s = Points scored for comparative price of bid under consideration

P_t = Comparative price of bid under consideration

P_{\min} = Comparative price of lowest acceptable bid

Preference Point System (Specific Goals)

SPECIFIC GOALS	NUMBER OF POINTS TO BE ALLOCATED
Women	5
People with disability	5
Youth (35 and below)	5
Location of enterprise (Province)	2
B-BBEE status level contributors from level 1 to 2 which are QSE or EME	3
Total points for SPECIFIC GOALS	20

Documents requirement for verification of points allocation:

Procurement Requirement	Required Proof Documents
Women	Full CSD Report
Disability	Full CSD Report
Youth	Full CSD Report
Location	Full CSD Report
B-BBEE status level contributors from level 1 to 2 which are QSE or EME	Valid BBBEE certificate/sworn affidavit Consolidated BEE certificate in cases of Joint Venture Full CSD Report

The definition and measurement of the goals above is as follows:

Women, disability, and youth:

This will be measured by calculating the pro-rata percentage of ownership of the bidding company which meets this criterion. E.g., Company A has five shareholders each of whom own 20% of the company. Three of the five shareholders meet the criterion, i.e. they are women/disability/youth. Therefore, this bidder will obtain 60% of the points allowable for this goal.

Location of enterprise

Local equals province. Where a project cuts across more than one province, the bidder may be located in any of the relevant provinces to obtain the points.

B-BBEE status level contributors from level 1 to 2 which are QSE or EME

Measured in terms of normal BBBEE requirements.

Note: Formula for calculating points for specific goals

Preference points for entities are calculated on their percentage shareholding in a business, provided that they are actively involved in and exercise control over the enterprise. The following formula is prescribed:

$$PC = Mpa \times \frac{P\text{-own}}{100}$$

Where

PC= Points awarded for specific goal

Mpa= The maximum number of points awarded for ownership in that specific category

P-own = The percentage of equity ownership by the enterprise or business

Should you require any further information in this regard, please do not hesitate to contact:

Name:	Napo Masia
Tel:	033 239 1284
Mobile:	072 113 0795
Email:	MasiaN1@dws.gov.za

T1.3 LIST OF RETURNABLE DOCUMENTS AND SCHEDULES

a) SBD Forms to be completed and signed

The Bidder must complete and attach the following Returnable Documents:

- | | | |
|--------|--|--------------------------|
| SBD1 | Invitation to Bid | <input type="checkbox"/> |
| SBD3.1 | Pricing Schedule – Firm Prices | <input type="checkbox"/> |

BIDDER'S DISCLOSURE

1. PURPOSE OF THE FORM

Any person (natural or juristic) may make an offer or offers in terms of this invitation to bid. In line with the principles of transparency, accountability, impartiality, and ethics as enshrined in the Constitution of the Republic of South Africa and further expressed in various pieces of legislation, it is required for the Bidder to make this declaration in respect of the details required hereunder.

Where a person/s are listed in the Register for Tender Defaulters and / or the List of Restricted Suppliers, that person will automatically be disqualified from the bid process.

2. Bidder's declaration

- 2.1 Is the Bidder, or any of its directors / trustees / shareholders / members / partners or any person having a controlling interest¹ in the enterprise, employed by the state? **YES/NO**

- 2.1.1 If so, furnish particulars of the names, individual identity numbers, and, if applicable, state employee numbers of sole proprietor/ directors / trustees / shareholders / members/ partners or any person having a controlling interest in the enterprise, in table below.

Full Name	Identity Number	Name of State institution

¹ the power, by one person or a group of persons holding the majority of the equity of an enterprise, alternatively, the person/s having the deciding vote or power to influence or to direct the course and decisions of the enterprise.

2.2 Do you, or any person connected with the Bidder, have a relationship with any person who is employed by the procuring institution? **YES/NO**

2.2.1 If so, furnish particulars:

.....
.....

2.3 Does the Bidder or any of its directors / trustees / shareholders / members / partners or any person having a controlling interest in the enterprise have any interest in any other related enterprise whether or not they are bidding for this contract? **YES/NO**

2.3.1 If so, furnish particulars:

.....
.....

3 DECLARATION

I, the undersigned, (name).....
in submitting the accompanying bid, do hereby make the following statements that I certify to be true and complete in every respect:

- 3.1 I have read and I understand the contents of this disclosure;
- 3.2 I understand that the accompanying bid will be disqualified if this disclosure is found not to be true and complete in every respect;
- 3.3 The Bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However, communication between partners in a joint venture or consortium² will not be construed as collusive bidding.
- 3.4 In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications, prices, including methods, factors or formulas used to calculate prices, market allocation, the intention or decision to submit or not to submit the bid, bidding with the intention not to win the bid and conditions or delivery particulars of the products or services to which this bid invitation relates.
- 3.4 The terms of the accompanying bid have not been, and will not be, disclosed by the Bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.

² Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.

- 3.5 There have been no consultations, communications, agreements or arrangements made by the Bidder with any official of the procuring institution in relation to this procurement process prior to and during the bidding process except to provide clarification on the bid submitted where so required by the institution; and the Bidder was not involved in the drafting of the specifications or terms of reference for this bid.
- 3.6 I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.

I CERTIFY THAT THE INFORMATION FURNISHED IN PARAGRAPHS 1, 2 and 3 ABOVE IS CORRECT.

I ACCEPT THAT THE STATE MAY REJECT THE BID OR ACT AGAINST ME IN TERMS OF PARAGRAPH 6 OF PFMA SCM INSTRUCTION 03 OF 2021/22 ON PREVENTING AND COMBATING ABUSE IN THE SUPPLY CHAIN MANAGEMENT SYSTEM SHOULD THIS DECLARATION PROVE TO BE FALSE.

**PREFERENCE POINTS CLAIM FORM IN TERMS OF THE PREFERENTIAL
PROCUREMENT REGULATIONS 2022**

This preference form must form part of all tenders invited. It contains general information and serves as a claim form for preference points for specific goals.

NB: BEFORE COMPLETING THIS FORM, TENDERERS MUST STUDY THE GENERAL CONDITIONS, DEFINITIONS AND DIRECTIVES APPLICABLE IN RESPECT OF THE TENDER AND PREFERENTIAL PROCUREMENT REGULATIONS, 2022

1. GENERAL CONDITIONS

- 1.1 The following preference point systems are applicable to invitations to tender:
- the 80/20 system for requirements with a Rand value of up to R50 000 000 (all applicable taxes included); and

1.2 To be completed by the organ of state

- a) The applicable preference point system for this tender is the **80/20** preference point system.

- 1.3 Points for this tender (even in the case of a tender for income-generating contracts) shall be awarded for:

- (a) Price; and
- (b) Specific Goals.

1.4 To be completed by the organ of state:

The maximum points for this tender are allocated as follows:

	POINTS
PRICE	80
SPECIFIC GOALS	20
Total points for Price and SPECIFIC GOALS	100

- 1.5 Failure on the part of a tenderer to submit proof or documentation required in terms of this tender to claim points for specific goals with the tender, will be interpreted to mean that preference points for specific goals are not claimed.
- 1.6 The organ of state reserves the right to require of a tenderer, either before a tender is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the organ of state.

2. DEFINITIONS

- (a) **“tender”** means a written offer in the form determined by an organ of state in response to an invitation to provide goods or services through price quotations, competitive tendering process or any other method envisaged in legislation;
- (b) **“price”** means an amount of money tendered for goods or services, and includes all applicable taxes less all unconditional discounts;
- (c) **“rand value”** means the total estimated value of a contract in Rand, calculated at the time of bid invitation, and includes all applicable taxes;
- (d) **“tender for income-generating contracts”** means a written offer in the form determined by an organ of state in response to an invitation for the origination of income-generating contracts through any method envisaged in legislation that will result in a legal agreement between the organ of state and a third party that produces revenue for the organ of state, and includes, but is not limited to, leasing and disposal of assets and concession contracts, excluding direct sales and disposal of assets through public auctions; and
- (e) **“the Act”** means the Preferential Procurement Policy Framework Act, 2000 (Act No. 5 of 2000).

3. FORMULAE FOR PROCUREMENT OF GOODS AND SERVICES

3.1. POINTS AWARDED FOR PRICE

3.1.1 THE 80/20 PREFERENCE POINT SYSTEMS

A maximum of 80points is allocated for price on the following basis:

80/20 or

$$Ps = 80 \left(1 - \frac{Pt - Pmin}{Pmin} \right)$$

Where

Ps = Points scored for price of tender under consideration
Pt = Price of tender under consideration
Pmin = Price of lowest acceptable tender

4. POINTS AWARDED FOR SPECIFIC GOALS

- 4.1. In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in table 1 below as may be supported by proof/ documentation stated in the conditions of this tender:
- 4.2. In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 preference point system applies, an organ of state must, in the tender documents, stipulate in the case of—
 - (a) an invitation for tender for income-generating contracts, that either the 80/20 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system; or
 - (b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system, then the organ of state must indicate the points allocated for specific goals for both the 90/10 and 80/20 preference point system.

Table 1: Specific goals for the tender and points claimed are indicated per the table below.
(Note to organs of state: Where either the 90/10 or 80/20 preference point system is applicable, corresponding points must also be indicated as such.

Note to tenderers: The tenderer must indicate how they claim points for each preference point system.)

The specific goals allocated points in terms of this tender	Number of points allocated (80/20 system) (To be completed by the organ of state)	Number of points Claimed (80/20 system) To be completed by the Tenderer
Women Ownership	5	
Disability Ownership	5	
Youth Ownership	5	
Location of enterprise (local equals province)	2

DECLARATION WITH REGARD TO COMPANY/FIRM

4.3. Name of company/firm.....

4.4. Company registration number:

4.5. TYPE OF COMPANY/ FIRM

- ☐ Partnership/Joint Venture / Consortium
- ☐ One-person business/sole propriety
- ☐ Close corporation
- ☐ Public Company
- ☐ Personal Liability Company
- ☐ (Pty) Limited
- ☐ Non-Profit Company
- ☐ State Owned Company

[TICK APPLICABLE BOX]

4.6. I, the undersigned, who is duly authorised to do so on behalf of the company/firm, certify that the points claimed, based on the specific goals as advised in the tender, qualifies the company/ firm for the preference(s) shown and I acknowledge that:

- i) The information furnished is true and correct.
- ii) The preference points claimed are in accordance with the General Conditions as indicated in paragraph 1 of this form.
- iii) In the event of a contract being awarded as a result of points claimed as shown in paragraphs 1.4 and 4.2, the contractor may be required to furnish documentary proof to the satisfaction of the organ of state that the claims are correct;

iv) If the specific goals have been claimed or obtained on a fraudulent basis or any of the conditions of contract have not been fulfilled, the organ of state may, in addition to any other remedy it may have –

- (a) disqualify the person from the tendering process;
- (b) recover costs, losses or damages it has incurred or suffered as a result of that person's conduct;
- (c) cancel the contract and claim any damages which it has suffered as a result of having to make less favourable arrangements due to such cancellation;
- (d) recommend that the tenderer or contractor, its shareholders and directors, or only the shareholders and directors who acted on a fraudulent basis, be restricted from obtaining business from any organ of state for a period not exceeding 10 years, after the *audi alteram partem* (hear the other side) rule has been applied; and
- (e) forward the matter for criminal prosecution, if deemed necessary.

C3: SCOPE OF WORKS

- Manufacture and supply of a Ø200mm Sleeve valve with mounting supports to be Stainless steel 304
- Refurbishment of a sleeve valve hood
- Refurbishment of stroke bracket
- Supply of mounting material (bolts, nuts and washers)
- Delivery of DN 200 sleeve valve and stroke bracket to Klipfontein dam

C3.1 Technical Specification

Introduction

General background information

Klipfontein dam is located in the Northern part of KwaZulu Natal approximately 10km east of Vryheid Town. The construction of Klipfontein dam was completed in 1983. The dam consists of a composite earth embankment with a concrete spillway. The outlet works of the dam is located in a standalone tower based at the heel of the dam and a tunnel through the embankment and an outlet control room on the toe of the dam.

Directions to the dam

Directions to the dam from Vryheid, KwaZulu Natal is as follows. Follow Oos street in a south-easterly direction. Continue straight at the R34 and R69 intersection. Follow the R34 from Vryheid towards Ulundi. From this intersection travel 4,8km. Turn right at the road sign indicating Klipfontein dam unto a gravel road. After 440 meters keep left towards the Klipfontein dam; Department of Water and Sanitation office. Travel another 600meters and turn right into the Department of Water and Sanitation office area.

The coordinates of the dam is 27° 50' 30'' S 30° 49' 03'' E.

Outlet system

The outlet works of the dam consist of a standalone tower, a tunnel and an outlet control room.

The standalone tower is based at the heel of the dam and a tunnel through the earth embankment lead to an outlet control room on the toe of the dam.

Klipfontein dam has two outlet lines. The outlet lines are located in the tunnel leading from the tower to the outlet control room. Access into the tunnel is gained from the outlet control room. The roof section of the outlet control room consist of removable concrete slabs. The concrete slabs can be removed to improve ventilation and access. The slabs will need to be reinstated and sealed after completion of the project should the contractors choose to remove the slabs during the execution of the project.

Scope of work

This Tender asks for:

- Manufacture and supply of a Ø200mm Sleeve valve with mounting supports to be Stainless steel 304
- Refurbishment of a sleeve valve hood
- Refurbishment of stroke bracket
- Supply of mounting material (bolts, nuts and washers)
- Delivery of Ø200mm Sleeve valve and its stroke bracket to Klipfontein Dam Site

Figure 1: Redundant Sleeve valve and valve hood and stroke bracket

Duty

The sleeve valve is required to work under a maximum static head of 23.5 meters or 240KPa. The valve should however be rated at 1000 KPa.

Drawings

The drawings shall be presented for approval before manufacturing the valve (valve mounting support to be included, the can be manufactured separately from the valve)

Flange drillings

Confirm mounting flange dimensions on the redundant valve to obtain accurate dimensions. (will be made available during briefing)

Mounting

Supply of stainless-steel bolts, nuts, washers shall be included. All bolts and nuts shall be in accordance with SABS Specification 1 700. Bolts, nuts, studs, etc. shall be stainless steel. This will be for the valve, it's support and hood

MANUFACTURE AND SUPPLY OF ONE Ø200MM SLEEVE VALVE

- The sleeve valves shall be manufactured as per DWS2510.13 -Sleeve Valve specification Rev 1
- Manufacturing the valve mounting supports will form part of the scope
- The valve drawings need to be submitted for approval before manufacturing
- The valve support can be manufactured separate from the valve body of which will then support the pipe the valve is to be mounted on **(to be discussed on site)**

REFURBISHMENT OF STROKE BRACKET AND VALVE HOOD

- Blasting and corrosion protection
- Greasing of stroke bracket/arm

Conditions of Contract

The conditions governing this Tender are as set out in the General Conditions of Contract for Construction Works, Third Edition (2015).

Contracts will only be awarded to Tenderers who, in the Engineer's opinion, are capable of manufacturing and supplying to the required standard. Workmanship shall conform to accepted industrial standards. The size of tools and equipment used shall be proportional to the task being carried out.

Tenders shall only be awarded on a fixed price basis and no escalation shall be considered.

The Contractor shall make no changes or modifications to any part of the design or the equipment offered under this Contract without the written approval of the Engineer. The Department shall not accept any additional costs for any part of this Contract should any procedures contained therein are not complied with.

The Contractor shall be responsible to issue all of his Sub-contractors with the relevant sections of this tender document, any additional cost resulting from Sub-contractors not being fully informed, shall be for the contractors account.

Guarantee

The defects liability period as stipulated in the General Conditions of Contract for Construction Works, Third Edition (2015), shall read 12 (twelve) months from the date of issue of the Commissioning Certificate by the Engineer to the Contractor and shall terminate with the issue of the Final Certificate by the Engineer. It is envisaged that commissioning will take place within two weeks from delivery, installation and practical completion testing of the sleeve valve at Pongolapoort Dam. The Contractor's Guarantee shall include all aspects of the manufacturing process, including work done by any Sub-contractors.

Section 37.2 Appointment

In accordance with the provisions of Section 37(2) of the Occupational Health and Safety Act 85 of 1993 wherein the Department of Water and Sanitation as Employer has entered into a contract with the Contractor, in terms of which the Contractor is to perform certain work and services for and on behalf of the Employer, subject to the terms and conditions as contained in such contract.

Then parties have agreed that in respect of performance of the work the Contractor shall be responsible for compliance with the Occupational Health & Safety Act and its Regulations.

The Employer and Mandatory accordingly enter in this agreement in terms of Section 37(2) of the OHS Act, the terms and conditions of which are set out in The Occupational Health and Safety Specification.

Risks Identified by the DWS

The following are the risks associated with this project as identified by the DWS:

- Service gate or isolating equipment failure
- Flooding
- Drowning
- Working at height
- Overhead Crane failure
- Injury due to falling material
- Failure of rigging equipment
- Falling due to slippery surfaces
- Scaffold and climbing equipment collapse
- Noise due to grinding, blast cleaning, etc
- Paint or chemical inhalation
- Injury due to hand tools
- Snake bite
- Hand arm vibration syndrome due to prolonged use of vibratory equipment
- Airborne Fibres and Materials
- Electrocution
- Moving Machinery
- Back injuries from carrying heavy loads
- Dehydration
- Injury of blasting equipment is serious
- Attack and theft (secluded site)

Notwithstanding the abovementioned risks the contractor shall formulate a risk management plan which will include additional risks identified by the contractor for the delivery to site.

Costs of OHS

The cost for OHS shall be included in the Tendered rates.

INTERPRETATIONS

This Technical Specification shall be read in conjunction with the following:

- Standard Specification: DWS 1601: General Mechanical Specification
- Standard Specification: DWS 2020: Quality Control Specification
- Standard Specification: DWS 9900: Corrosion Protection Specification (Second Edition)
- Standard Specification: DWS 2510/02: Supply of Valves – Auxiliary Drives
- The Standard Specification: DWS 1601 Paragraph 2 refers.

The convention in terms of naming and numbering pipes and valves are as follows:

Facing downstream, in the direction of water flow, reference is made to left hand and right hand.

Levels start at the bottom A, B, C etc proceeding upwards. Numbering on a level starts UPSTREAM on the left-hand side and proceed from left to right until all valves on the most upstream end is numbered. Only then do one move downstream to the next valves and follow the same approach from left to right.

Definitions:

Contractor:	The Party to whom the Tender comprising this Technical Specification is awarded.
Corrosion Engineer:	For the purposes of the specification the Corrosion Engineer will be a specialized representative from the Chief Directorate: Strategic Asset Management.
Employer:	Department of Water and Sanitation.
Engineer:	Mechanical & Electrical Engineering Directorate of the Department of Water and Sanitation. For the purposes of this Technical Specification, the Engineer will be represented by the mechanical engineer of the Mechanical & Electrical Engineering Directorate named for "Enquiries" in the front part of the Tender Document.
Installation:	This shall include, as applicable, all handling and transport from storage, all erection and setting to work. All installation shall be done by the Contractor.
Specification:	This Technical Specification together with any references therein to other documents.
Supply:	This shall include, as applicable, the purchase of materials or goods, manufacture and fabrication, any specified corrosion protection measures and any off-site inspection or testing.
Design:	This shall include the submission of design documentation for approval by the Engineer. Such information shall be included in the Tender offer.
Tests on Completion:	This shall include, as applicable, the 'dry' and 'wet' commissioning tests as specified.

Abbreviations:

ABS	Acrylnitrile-butadiene-styrene
Al	Aluminium
CI	Cast iron - grade 220
CS:	Cast steel
DCA	Die cast aluminium
DFT	Dry film thickness
FBE	Fusion-bonded Epoxy
FBP	Fusion-bonded Polyester
FBPE	Fusion-bonded Polyethylene
GRP	Glass fibre reinforced Polyester
HDG	Hot-dip galvanized
HDPE	High Density Polyethylene
LHS	Left hand side
MS	Mild steel (grade 300WA or S355JR)
PC	Polycarbonate
PVC	Polyvinylchloride
RHS	Right hand side
REG	Registration
RL	Reduced level in metres above sea level (masl)
SG	Spheroidal graphite cast iron
SS	Stainless steel – grades 304; 304L; 316; 316L; 2205
uPVC	Unplasticised Polyvinylchloride
UV	Ultra Violet
THK	Thickness
3CR12	Corrosion resistant steel
µm	Micrometre

Materials

The Standard Specification: DWS 1601 Paragraph 3 refers.

Manufacture

The Standard Specification: DWS 1601 Paragraph 5 refers.

Special attention shall be given to:

- Paragraph 5.1: General,
- Paragraph 5.5: Welding,
- Paragraph 5.6: Bolting and
- Paragraph 5.11: Name plates, Rating plates and Labels.

Modifications

Any modifications or deviations from the specification shall be indicated on the form “Proposed Alterations to Specification”. The Contractor shall make no changes or modifications to any part of the design or the plant offered under this Contract without the written approval of the Project Engineer. The DWS shall not accept any additional cost for any part of this Contract if this procedure has not been followed.

Corrosion Protection

Corrosion protection of equipment supplied under this Technical Specification shall conform to:

- Standard Specification: DWS 1601 General Mechanical Specification,
- Standard Specification: DWS 9900 – CORROSION PROTECTION
- Standard Specification: DWS 2020 Quality Control.

It is important to note that the Contractor shall be responsible for the condition of the corrosion protection and shall be required to perform remedial corrosion protection repairs where required of all equipment covered by this Specification until commissioning at Site. Any damages up to this point shall be for the Contractor's account. Quality control of corrosion protection shall conform to Standard Specification: DWS 2020 - Quality Control.

Approvals before award of Contract

- (a) The Corrosion Protection System specified in the Project Specification, shall be agreed upon between the Corrosion Engineer and Contractor.
- (b) Approval by the Corrosion Engineer of the corrosion protection system, procedures and specific materials offered in the Tender. Manufacturer's data sheets or legible copies thereof shall be submitted for each product.

Acceptance of the Departmental Quality Control Plan for Corrosion Protection - refer to Standard Specification: DWS 2020 QCC1.

Application Approvals

- (a) Qualification of personnel
- (b) Quality of equipment
- (c) Pre-preparation
- (d) Surface preparation
- (e) Application
- (f) Final acceptance

Quality Control

The Standard Specification: DWS 1601 Paragraph 14 refers. The quality of the work shall be assured in accordance with the DWS Quality Control Specification, that is, Standard Specification: DWS 2020. Prior to commencing with the project the Quality Control Plan (QCP) shall be submitted to the DWS for review, acceptance and or approval.

The cost for quality control shall be included in the Tendered rates.

Packing and transport

The Standard Specification: DWS 1601 Paragraph 12 refers. This includes the on-site damage to other equipment due to the activities of the Contractor.

The Contractor shall implement suitable measures to prevent damage to the sleeve valve and respective equipment during transport and storage.

The Contractor is responsible for the safe and undamaged delivery of equipment. Any damage that occurs during the transport and installation shall be repaired by the Contractor at his own cost. This includes the on-site damage to other equipment due to the activities of the Contractor.

Compulsory Site Inspection

Before submitting a Tender, each Tenderer shall visit and examine the Site and its surroundings and shall obtain all the information that may be necessary for preparing the Tender. The date of the official Pre-Tender Meeting and Site Visit, which will be organized by the DWS, is stated in the Invitation to Tender. Tenderers are at liberty to visit the Site at other times during the Tender Period subject to making prior arrangements with the Employer.

The Tenderer and any of his personnel or agents who enter the Site or the Employer's premises and lands for the purpose of such inspection will release and indemnify the Employer and his personnel, contractors and agents from and against all liability in respect thereof and in respect of entering and being conveyed in any vehicle including airborne vehicles arranged by the Employer and will be responsible for personal injury (whether fatal or otherwise), loss of or damage to property and any other loss, damage, costs and expenses however caused, whether or not caused by the negligence of the Employer. (Such indemnities shall be given to the Employer prior to the start of any Site visit in the form attached to these Instructions to Attendance at the Pre-Tender Meeting and the Site Visit is a compulsory precondition to submitting a Tender. Attendance will be confirmed by the Employer, by means of the Tenderer's completion of the Pre-Tender Meeting and Site Visit Inspection Certificate. The Certificate will be signed during the Pre-Tender Meeting/Site Visit by the Employer, the Engineer and the Tendering Contractors. The Pre-Tender Meeting with the Engineer and the Employer will be arranged as part of the official Site Visit. The original signed Pre-Tender Meeting and Site Visit Inspection Certificate must be included in the documentation submitted with the Tender.

The Tenderer shall bear all costs associated with his visit or visits to the Site and his attendance at the Pre-Tender Meeting.

Local content

The valves, actuators, steel products and components specified in this Particular Specification have been designated by The Department of Trade and Industry as a sector for local production content.

Preferential Procurement Regulations, 2017 (Regulation 8) make provision for the promotion of local production and content.

Regulation 8.(2) prescribes that in the case of designated sectors, organs of state must advertise such tenders with the specific bidding condition that only locally produced or manufactured goods, with a stipulated minimum threshold for local production and content will be considered.

The following industries, sectors and sub-sectors have so far been designated for local production with minimum local content thresholds.

Industry/sector/sub-sector	Minimum threshold for local content
Steel Power Pylons, Monopole Pylons, Steel Substation Structures, Powerline Hardware, Street Light Steel Poles, Steel Lattice Towers	100%
Electrical and telecom cables	90%
Valves products and actuators	70%
Conveyance Pipes	80% - 100%
Steel Value-added Products	
Fabricated Structural Steel	100%
Joining/Connecting Components	100%
Frames	100%
Roof and Cladding	100%
Fasteners	100%
Wire Products	100%
Ducting and Structural pipework	100%
Gutters, downpipes & lauders	100%
Steel Value-added Products	
Plates	100%
Sheets	100%
Galvanised and Colour Coated Coils	100%
Wire Rod and Drawn Wire	100%
Sections	100%
Reinforcing bars	100%
Industry/sector/sub-sector	Minimum threshold for local content

Some products and components specified in this Particular Specification may have been designated by The Department of Trade and Industry as a sector for local production content. The stipulated minimum threshold percentage for local production and content of the relevant sectors are listed above. A full listing is available on the Department of Trade and Industry web site under the “Industrial Development/ Industrial Procurement” heading.

A service provider awarded a contract in relation to a designated sector, may not sub-contract in such a manner that the local production and content of the overall value of the contract is reduced to below the stipulated minimum threshold.

Tenderers shall indicate in Form SBD 6.2 the local content of each of the designated products and components offered.

MEASUREMENT AND PAYMENT

Basic Principles

Notwithstanding the breakdown as indicated in the Tender Pricing Schedule, all the work and requirements of any nature as specified in this Technical Specification shall be covered by the Contractor in the pricing as reflected in the Tender Pricing Schedule. No additional cost for any work or requirement in this Technical Specification shall be allowed. All items covered by this Technical Specification shall be measured as final units meeting the functional requirements of the relevant specifications.

ALL PRICES IN THE TENDER PRICING SCHEDULE SHALL INCLUDE VALUE ADDED TAX.
