**INTERPRETATION****1 A1.0 DEFINITIONS AND INTERPRETATION**

Clause 1.0

Clause 1.1 Definition of "**Commencement Date**" is added:

"**COMMENCEMENT DATE**" means the date that the **agreement**, made in terms of the Form of Offer and Acceptance, comes into effect

Clause 1.1 Definition of "**Corrupt Practice**" is added:

"**CORRUPT PRACTICE**" means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution

Clause 1.1 Definition of "**Fraudulent Practice**" is added:

"**FRAUDULENT PRACTICE**" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of any tenderer and includes collusive practice among tenderers (prior to or after the tender submission) designed to establish tender prices at artificial non-competitive levels and to deprive the tenderer of the benefits of free and open competition

Clause 1.1 Definition of "**Interest**" is amended by replacing it with the following:

"**INTEREST**" means the interest rates applicable on this contract, whether specifically indicated in the relevant clauses or not, will be the rate as determined by the Minister of Finance, from time to time, in terms of section 80(1)(b) of the Public Finance Management Act, 1999 (Act No. 1 of 1999)

**LOSS BY THEFT, FIRE OR OTHERWISE**

The risk of loss by theft, fire, storm, riot or otherwise of the buildings to be demolished and the materials therein, shall rest entirely with the Contractor immediately upon the handing over of the site. He shall take such steps as he may deem fit, for his own protection against such loss.

**WATER AND OTHER PIPING**

Any water supply or other piping that may be met with and found necessary to disconnect or cut are to be effectually stoped off and removed to the water meter (but excluding the water meter and stopcock box).

Prices for such items of demolitions, are where applicable to include for taking out and removing all sanitary fittings, plumbing and water supplies.

**DEMOLITION, REMOVAL AND WORKS ON SITE**

The Contractor shall demolish all the existing structures or buildings with a minimum amount of damage to adjoining buildings, materials, etc. Any damage caused is to be made good at his own expense with materials to match existing to the entire satisfaction of the Principle Agent.

Tenderers should take particular note of and allow accordingly in their prices for the type of structure and materials to be encountered and the thickness of walls, concrete slabs, etc., to be demolished. The Tenderer shall allow in his rates for the removal of material and carting away of materials from all the structures, buildings, etc.

All materials from the demolitions etc., except where described as being set aside for re-use or be handed over to the Employer, will become the property of the Contractor and, excepting as provided below, all such old materials are to be removed from the site by the Contractor, and rates for all work involving demolition are to include for the removal of any resultant rubble and superfluous material.
