

RFI 1-2022/2023

REQUEST FOR INFORMATION (RFI) (MARKET RESEARCH)

RIM IS INVITING PROSPECTIVE DIESEL SUPPLIERS TO SUBMIT PROPOSALS AND INDICATE THEIR CAPACITY AND CAPABILITY IN RESPECT OF SUPPLYING FUEL TO ROBBEN ISLAND MUSEUM (RIM)'S VESSELS (PASSENGER VESSELS).

BRIEF SPECIFICATION:

- Must provide vessel with berthing space when taking diesel/bunkering.
 - Be flexible and able to assist at short notice, i.e within two (2) hours after notified.
 - Assist with varying quantities between 1000lts and 5000lts per bunker operation.
 - Be available seven days a week and public holidays, from 08h00 to 17h00.
 - Be able to accept bulk Purchase Orders and do part deliveries, as required.
 - Follow all marine, Transnet Port Authority (TNPA), petrochemical and Waterfront rules/legislation, including environmental legislation and Department of Mineral Resources and Energy regulations.
 - Must not be affected by load shedding.
-
- **Proposal must be properly received and deposited in the tender box or before the closing date 31st March 2023 and before the closing time of 11H00 am at Robben Island Museum, Nelson Mandela Gateway Building, V & A Waterfront, Cape Town.**
 - **Enquiries pertaining to the completion of the proposal can be addressed to Ms. Z. GamGam at zaneleg@robben-island.org.za**
