

## **SPECIFICATION AND BILL OF QUANTITIES FOR SUPPLY AND INSTALLATION OF ROLLER DOORS**

CIDB Grading: 1 GB or Higher

### **1. SCOPE OF WORKS AND GENERIC CONDITIONS OF CONTRACT**

#### **1.1 BACKGROUND AND PURPOSE**

The roller doors provide security and prevents unauthorized access to the garages. TNPA maintenance team conducted inspections and the doors were found not repairable. The opening and closing mechanisms of the doors are faulty and pose risk of falling when opened.

The purpose of this specification is to source a contractor to supply and install 2 roller doors and a fire door.
