TOTAL SCORE:	100

7.6 STEP FIVE: Post Tender Negotiations (if applicable)

- Respondents are to note that Transnet may not award a contract if the price offered is not market-related. In this regard, Transnet reserves the right to engage in PTN with the view to achieving a market-related price or to cancel the tender. Negotiations will be done in a sequential manner i.e.:
 - first negotiate with the highest ranked bidder or cancel the bid, should such negotiations fail,
 - negotiate with the 2nd and 3rd ranked bidders (if required) in a sequential manner.
- In the event of any Respondent being notified of such short-listed/preferred bidder status, his/her bid, as well as any subsequent negotiated best and final offers (BAFO), will automatically be deemed to remain valid during the negotiation period and until the ultimate award of business.
- Should Transnet conduct post tender negotiations, Respondents will be requested to provide their best and final offers to Transnet based on such negotiations. Where a market related price has been achieved through negotiation, the contract will be awarded to the successful Respondent(s).

7.7 STEP SIX: Objective Criteria (if applicable)

Transnet reserves the right to award the business to the highest scoring bidder/s unless objective criteria justify the award to another bidder. The objective criteria Transnet may apply in this bid process include:

- Skills Transfer and Capacity Building for Transnet;

- Rotation of Suppliers to promote opportunities for other suppliers, by overlooking a supplier that has been awarded business repeatedly overtime in order to benefit other suppliers in the market;

- is able, in the option of the employer to perform the contract free of conflicts of interest.

7.8 STEP SEVEN: Award of business and conclusion of contract

- Immediately after approval to award the contract has been received, the successful bidder(s) will be informed of the acceptance of his/their Bid by way of a Letter of Award. Thereafter the final contract will be concluded with the successful Respondent(s).
- A final contract will be concluded and entered into with the successful Bidder at the acceptance of a letter of award by the Respondent.

SECTION 4: PRICING AND DELIVERY SCHEDULE

Respondents are required to complete the table below:

NOTES TO CONSIDER PRIOR TO PRICING:

Bidders must comply with applicable determination or agreement, in terms of the Labour Relations Act 66 of 1995 and Basic Conditions of Employment Act, 75 of 1997. Gazetted Minimum wages should be adhered to and other benefits such as bonuses, paid annual leave and sick leave should also be provided. Bidders who are found to be in contravention of the gazetted minimum wage, will be disqualified or will have their contract cancelled depending at the stage which this contravention get discovered.

Service Providers who fail to comply with the above gazetted minimum wage rate and its stipulations and consequently end up in a situation whereby the disruption of services by their disgruntled employees occur in Transnet premises, Transnet will terminate the contract with immediate effect.

Supplier/s who get awarded the business must ensure that they have sufficient capital to deliver on the contract/s as Transnet does not make advance payments prior to receiving services that have not been rendered. Should Service Provider/s fail to deliver on the contract/s subsequent award, it will be regarded as breach and such contract/s will be terminated immediately as the required service is critical to provide Transnet employees a clean and hygienic working environment as required by the Law and the health of Transnet employees cannot be compromised due to someone failing to deliver on their obligations.

Bidders are required to submit their bids in line with their region of choice as per the pricing schedules annexed to the document. Bidders can either choose one region or all the regions depending on bidder's level of interest. Transnet will evaluate the bids and award to the highest ranked bidder per region. The estimated quantities set out in the schedule are subject to Transnet's assessment of its business requirements and Transnet reserves the right to vary the quantities of employees or equipment at any time "as and when" required based on operational requirements.

Kindly indicate the area or areas of your interest by placing a mark on the appropriate column and thereafter ensure that the pricing schedule for the region of the bidder's interest is fully completed to ensure that the bids are reduced to a comparative basis. Bidders who fail to adhere to the requirement of proving a price on all line items in the pricing schedules per region will be disqualified from the bid adjudication process.

- 1.3 To satisfy the NIPP obligation, the DTI would negotiate and conclude agreements such as investments, joint ventures, sub-contracting, licensee production, export promotion, sourcing arrangements and research and development (R&D) with partners or suppliers.
