- All seats must be covered with cloth material
- Vehicle must have a fully equipped First Aid box
- Vehicle must have a fully serviced Fire Extinguisher
- Vehicle must have 2 x Emergency warning triangle
- Vehicle must have SABS Approved three-point safety belts for every seat
- Vehicle must have No fold-up or jockey seats
- There must be a speed warning sign at the back of every midi-bus
- Yellow reflective tape that must be fitted as per the National Road Traffic Act specification on all midi buses
- The driver's seat must be adjustable. The driver's compartment must be partitioned as per the National Road Traffic Act specification
- The minibus must have at least two identified emergency exits for every 12 (twelve) passengers as per the National Road Traffic Act specification
- Vehicle must comply to the National Traffic Act Specifications

### 2.2 Driver Requirements

- Drivers must be in possession of a valid national Driver's license with PDP
- Drivers to have a minimum of three years passengers driving Experience
- Drivers must be in possession of a valid medical certificate

### 2.3 Contractor Requirements:

- Contractor must in possession of a Traffic Business Number Registration Certificate (BNRC)
- Contractor must be in possession of a Valid Operating Permit from traffic department for passenger transport in each service area he/she wishes tender for, or a sign letter from each Taxi Association in which they wish to operate (the validity will be verified during the evaluation of the tender)
- Contractor must provide proof of cover for a passenger liability insurance for All the vehicles
- In case of vehicle breakdown, the contractor must provide alternative transportation with the same vehicle category.
- The contractor must provide a detailed Operational/contingency plan in case of vehicle breakdown, unavailability of driver and strikes/riots

**It is the responsibility of the Contractor to fit the Eskom tracking system in All the vehicles**

- All the busses must have the company name and contact details. Eskom sticker and contact number
- 

**NB:** Monday – Thursday working time: 07H00 – 16H30

Fridays working time: 07H00 – 12H00

(All the busses must be at Matimba Power Station @ 06h55 from Monday to Friday)

#### Note to the contractor

- The average number of days for day busses are 22 days per month
- The average number of days for Shift busses are 30 days per month
- Estimated number of kilometres: Eskom only provides the first pick-up point per bus not the number of kilometres. The service provider has to pick-up Eskom employees scattered around the areas provided and submit the monthly rate as per the price list.

**NB! The supplier should be in position of all the vehicles he/she has tendered for before the commencement of the contract.**

- All vehicles must comply to the Eskom Vehicle safety standards (Airbag, ABS and seat belts) as per Eskom Vehicle Specifications. The completed check list to be

submitted with the tender and for new vehicle's the OEM specification to be attached

- Existing vehicles to comply to the following:
- Vehicle Registration Certificate
- Proof of maintenance record as per OEM specification.

## 2.4 Safety of the Mini Busses

The Supplier must ensure that: before every trip:

- The interior and exterior of the minibuses are examined and any damage or default, is identified and corrected before the departure. The buses must be thoroughly searched for suspicious parcels or objects. It is of utmost importance that suspicious parcel or objects are reported to the S A Police Immediately.
- In areas of danger the bus driver must remove the bus immediately.
- The buses must be parked in a safe place when not in use.
- Buses must go through roadworthy test every 12 months and proof of this must be submitted to the Fleet Officer

## 2.5 Routes

BUS	DESCRIPTION	KM P/M	MONTH	RATE	TOTAL
A	22 Seleka villages	5851,2	60		
B	22 Shongoane	4931,2	60		

## 3. COMMERCIAL TERMS AND CONDITIONS

### 3.1 Undertaking and responsibilities

- Subject to the terms and conditions as set out in this agreement and read in conjunction with Annexure A, B, and C; ESKOM, namely Matimba Power Station, undertakes during the duration of this agreement to employ the Service Provider for the provision of transportation of employees.
- The Supplier agrees to provide all management, labour, equipment, and tools to carry out the services as specified and other conditions he may have deemed fit to impose.
- The Supplier will comply with the rules, regulations, and standards in force at the workplace (with emphasis on safety, health, and environmental compliance to regulations).

- The agreement will be enhanced by regular and open communication, joint planning, co-operation and sharing of responsibilities around the image and specific culture of the business unit.

#### 4. SPECIFICATION DETAIL

The specifications intend to explain what the Supplier's responsibility will be regarding the different tasks that he/she has to perform and the most suitable method to adopt in doing so. The method and the result must conform to a "professional provision of transportation of employees commodities" and to the standards required by ESKOM. The methods should be able to assist Eskom in terms of improving and sustaining the provision of transportation of employees for Matimba Power Station.

#### 5. OCCUPATIONAL HEALTH AND SAFETY

The Service Provider must fully comply with the OHS Act, Health and environmental regulations and other legal requirements which are deemed to be necessary for the provision of transportation of employees to avoid jeopardising the services rendered to Eskom.

- **Assessments:**

Assessments and payments will be carried out as per Purchase Order loaded against the contract

The total monthly payment will be according to conformance of specification in all areas. The total payment will give a Rand value for every individual area. The amount subtracted will be for the total areas not conforming to specifications.

- **Payment:**

Payment will be based on approved purchase order compiled by Matimba Power Station. The total payment will be according to the total services delivered for that purchase order.

The *Contractor* shall address the tax invoice to  
**invoiceseskomlocal@eskom.co.za**

and include on each invoice the following information:

- Name and address of the *Contractor* and the *Service Manager*;
