## 1. BACKGROUND

The Gauteng Department of Education (GDE) is committed to ensuring that the built environment at schools and Early Childhood Development (ECD) Centres is always conducive for teaching and learning as well as ensuring that GDE offices and other institutions are always conducive for working.

The need for infrastructure maintenance & repairs, refurbishments, minor upgrades at GDE institutions (schools, ECD Centres, offices, Teacher Development Centres (TDC), etc.) has increased. Furthermore, there is continuous increase of learner enrolment numbers, and limited infrastructure output which has not been able to keep up with the demand. This has resulted in an increasing infrastructure backlog and annual admission pressures.

All these necessitate that a database of service providers on Construction Industry Development Board (CIDB) grading 1 and 2 be established to expedite the procurement processes of required services to ensure high quality service and timeous delivery.
