20 MAY 2025

TENDER NO: 254G/2024/25

TENDER DESCRIPTION: SUPPLY AND DELIVERY OF WATER DISTRIBUTION MATERIALS

NOTICE TO TENDERERS: NO. 1

BOX NUMBER: 208

CLOSING DATE: 28 FEBRUARY 2025 at 10:00

To: All Tenderers

Dear Sir/Madam,

Your attention is specifically drawn to the explanation pertaining to the following:

The following documents have been made available on the One Drive Link for this specific Tender

154Q-2024-25 – all Documents

1. THE ELECTRONIC PRICING SCHEDULE

Tenderers to note that a copy of the electronic pricing Schedule can be obtained from the link below.
Tenderers to download

2. CLARIFICATIONS QUESTIONS FROM TENDERERS

2.1 - PLEASE CAN YOU CLARIFY WHAT CCT'S INTERPRETATION WILL BE FOR A SWING CHECK VALVE VS A FLANGED REFLUX VALVE SINGLE DOOR?

Item No.	Material Number	Material Description
425	200011484	VALVE - TYPE: Non Return; MATERIAL: Ductile Iron; SIZE: 100mm; PN RATING: 16; COATING: Fusion bonded epoxy coated internal and externally; SPECIFICATIONS: Swing Check Flange, Flange to be Multi drilled; STANDARDS: SABS Certified, SANS: 1551-1 and/or EN12334 and bearing the SABS mark scheme where applicable.

CCT RESPONSE to 2.1

There is no difference in the two and the term can be used interchangeably.

2.2 CURRENTLY THERE ARE NO STANDARDS FOR AIR RELEASE VALVES, BUT ON PAGE 164 OF THIS TENDER DOCUMENT YOU MENTIONED THAT YOU NEED US TO SUBMIT CERTIFICATES, KINDLY CONFIRM THE REASON?

CCT RESPONSE TO 2.2:

Tenderer to complete the offer in full and indicate if the product being offered does have any Certification, as per Schedule 15. If the Product does not have any certification, the tenderer to indicate it as such on schedule 15.

2.3 PAGE 108 TALKS ABOUT INSURANCE BROKER'S WARRANTY, KINDLY CONFIRM IF WE MUST PROVIDE THIS WARRANTY?

CCT RESPONSE TO 2.3:

Yes tenderers must complete the relevant sections as mentioned above. As per the Special Conditions of contract, CCT requires R20 mill public liability insurance (PL). Tenderers to complete the Assurance Brokers Warranty and append proof of the required PL insurance

2.4 THE MENTIONED MATERIAL FOR ITEMS (419 – 423) IS 316 STAINLESS STEEL, I WOULD LIKE TO KNOW IF ANY OTHER MATERIAL LIKE DUCTILE IRON OR CAST IRON WILL NOT BE CONSIDERED?

CCT RESPONSE TO 2.4:

No, it will not be considered. The tenderer is to only offer a product that meets the requirements of the specification in the tender document.

3. COPY OF THE NON-COMPULSORY BRIEFING SESSION HELD 13 MAY 2025

Tenders can access the minutes of the non-compulsory briefing session held 13 May 2025 from the link supplied below
