TERMS OF REFERENCE

OBJECTIVES

1. The objectives (aim) of this tender are:
 - To invite bids from suitable service provider(s) to for the provision of cash-in-transit services at offices of the Department of Home Affairs, for a period of five (5) years **(60 months)**.

BACKGROUND

2. The Department of Home Affairs (DHA) is threatened by a wide range of physical security risks, which necessitated an ever increasing need to intensify preventative measures to threats arising from criminal or related activities likely to be perpetrated against it. It is therefore essential that the DHA enlists the services of a reputable, experienced, and well-resourced company/ies to provide cash management solution to the department in a form of cash-in-transit services.
3. The DHA is collecting cash at its various offices across the country and such cash must be banked daily as per the National Treasury prescripts on revenue. While the DHA has installed Point-of-Sale devices at all its modernized offices with a view to reduce cash handling, reality dictates that a substantial amount of cash transactions still persist. A service provider is required to ensure such cash is collected and banked daily.
4. From a management and risk perspective, the DHA wishes to conclude contracts for cash-in-transit services on a provincial basis (9 provinces), including Head Office (Hallmark building).

Bidders must clearly indicate which province / provinces they bid for. Bidders should please note that they must bid for a whole province and may not 'cherry pick' offices within a province. However, the DHA retains the right to award some offices in a province to another service provider should practical realities so dictate.
6. Given its specialized nature, preference would be given to cash-in-transit service providers with an established footprint, fleet and armed guards. Prospective service providers may propose value-add proposals such as the introduction of 'drop boxes'.
