## 1. Introduction

The South African Post Office makes use of Fortiweb – Web Application Firewall to protect its public facing websites. Adequate licenses and support for the Fortiweb Web Application Firewall hardware and software is required.

## 2. Objective of bid

The objective of this bid is to appoint a service provider to provide Fortiweb Web Application Firewall licenses as defined under point 3.1, scope of the RFP. This will include the maintenance and support for an additional period of twelve (12) months.

## 3. Scope of work

### 3.1 Scope of the RFP

SA Post Office requires the following services at the Post Office Data Centre.

- 2 x Fortiweb 1000E licenses and support for twelve (12) months

### 3.2 Pricing

The supplier is requested to provide pricing for the following according to the table below:

Product	12	Months	Cost
<ul style="list-style-type: none"> <li>• 2 x Fortiweb 1000E licences for twelve (12) months</li> </ul>			
<ul style="list-style-type: none"> <li>• 2 x Fortiweb 1000E support for twelve (12) months</li> </ul>			
<b>Grand Total Cost</b>			

The tender will be awarded as per the approved evaluation criteria.

## 4. Requirements

- 4.1.1 The bidders must be certified Fortinet service provider. Therefore bidders must submit a letter as a proof from Fortinet that certifies that they are a service provider.
- 4.1.2 Completed pricing schedule in the format provided in section 3.2.
