THE BATTERY ENERGY STORAGE INDEPENDENT POWER
PRODUCER PROCUREMENT PROGRAMME (BESIPPPP)
THIRD BID SUBMISSION PHASE (BID WINDOW 3)
IPPPP Tender No: DMRE/022/2023/24**

The Department of Mineral Resources and Energy ("the Department") formally invites interested parties to register prospective bids under the third bid window of the Battery Energy Storage Capacity Independent Power Producers Procurement Programme (BESIPPPP Bid Window 3).

The third Battery Energy Storage Bid Window calls for **616 MW** battery energy storage capacity and Ancillary Services in line with the power system services requirements as set out by the System Operator. As with the first two rounds, the Battery Energy Storage facilities procured under this bid window calls for proposals for five (5) distinct facilities to be procured close to the location of five (5) substations sites identified by Eskom. The five (5) sites are Harvard, Leander, Theseus, Everest, and Merapi substations and are all located in the Free State Province.

Prior to accessing the RFP, each prospective bidder is required to pay a non-refundable documentation fee of twenty-five thousand Rand (R25 000) per prospective Project and to complete an electronic registration form. The electronic registration form is to be completed online at www.ipp-storage.co.za. The Department will only communicate with prospective bidders who have completed the electronic registration form and have paid the required documentation fee.

The RFP will be available for download online from **28 March 2024** after confirmation of payment of the required documentation fee. The required document fee is payable by means of a direct deposit or electronic funds transfer. The required documentation fee is payable by means of a direct deposit or electronic funds transfer. The required document fee is payable into the following bank account:
