1 Background

eTendering system is a web-based system that allows suppliers bidding for various tenders advertised on Tender Bulletin system to “upload” their tender documents. Currently the tenderers or suppliers submit tender documents at various Eskom tender offices. eTendering system replaces the manual or physical submission of tender documents at various Eskom tender offices. eTendering system in a nutshell is an electronic box where tender documents can be “dropped” or “uploaded”. Suppliers will be required to register their details before they can be granted access to the eTendering system. An OTP (one time pin) will be sent to both their cell phone and email address.

Quick and direct access is also available by using the following links:

- **TenderBulletin Public website:** <https://tenderbulletin.eskom.co.za> - this is used by members of the public, to view and access Eskom published tenders. eTendering hyperlink will be found on this site. Members of the public may follow prompt instructions once they have clicked on the eTendering link (<https://eTendering.eskom.co.za>). This link will allow them to upload the required tender documentation.
- **eTendering website Public website:** <https://eTendering.eskom.co.za> - this is used by members of the public, to view information about published tenders and submit their tender documents.
- **N.B: Members of the public would need to have a CSD number to gain access to eTendering system.**

2 Problems

A channel of communication has been created in case users of the system experiences a problem with the system. In a case users come across some difficulties in using Tender bulletin, eTendering and OpenText systems they need to contact the buyer responsible for the published tender.

3 What's New

A new functionality to “add closed tenders”. Closed tenders refers to the tenders which are not listed on Tenderbulletin as normal tenders, but are tenders sent directly to the relevant and potential suppliers who meet the selection and evaluation criteria to offer what the buyer needs. These suppliers will be sent a link via email to bid privately.

4 Getting Started

To gain access to eTendering portal

1. Open your web browser
2. Type [TenderBulletin \(eskom.co.za\)](https://TenderBulletin.eskom.co.za) or <https://eTendering.eskom.co.za>
3. eTendering system login page will be displayed:

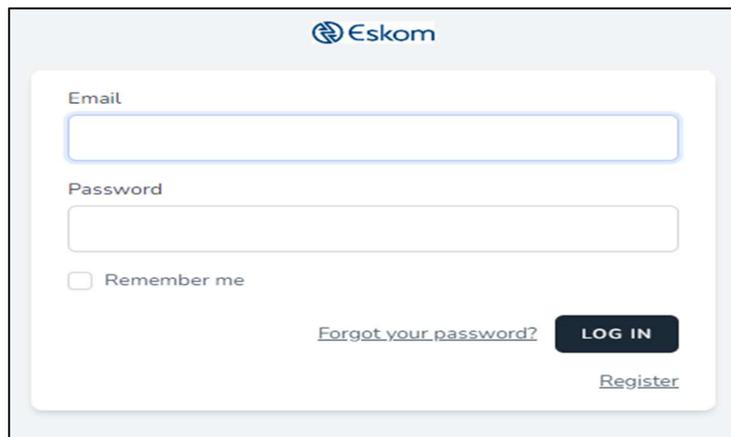

Fig 1

Registration Form	Steps to follow
--------------------------	------------------------

Password: Masked with dots Confirm Password: Masked with dots Captcha: A CAPTCHA image with the text "y8b yq" and a refresh icon. Buttons: "Already registered?" link and a "REGISTER" button. 	<ul style="list-style-type: none"> • Complete all the fields • Contact number must start with a Plus prefix e.g +27 • Ensure that you also fill in the capture picture to validate that you are not a robot. • Once all columns have been filled click on register button • Pop-up message will be displayed asking the registerer to verify the email sent to the provided email address. • If the email does not come through, click on "Resend Verification Email" button • email to be resent, • Once you have received the email click on Verify Email link provided on the email. • Then you will be directed back to etendering site with a login screen displayed, now complete the login with your verified email address and password •
--	--

Fig1.1

The pop-up message contains the following text and elements:

- Header:** Eskom logo
- Text:** "Thanks for signing up! Before getting started, could you verify your email address by clicking on the link we just emailed to you? If you didn't receive the email, we will gladly send you another."
- Buttons:** "RESEND VERIFICATION EMAIL" and "Log Out" link.

Fig2a.

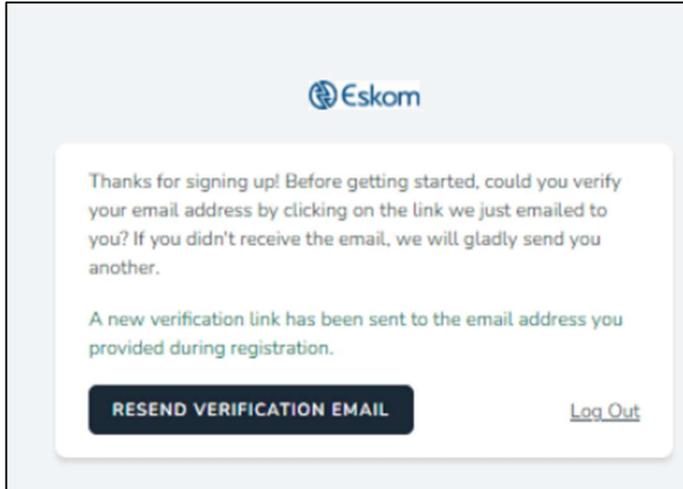

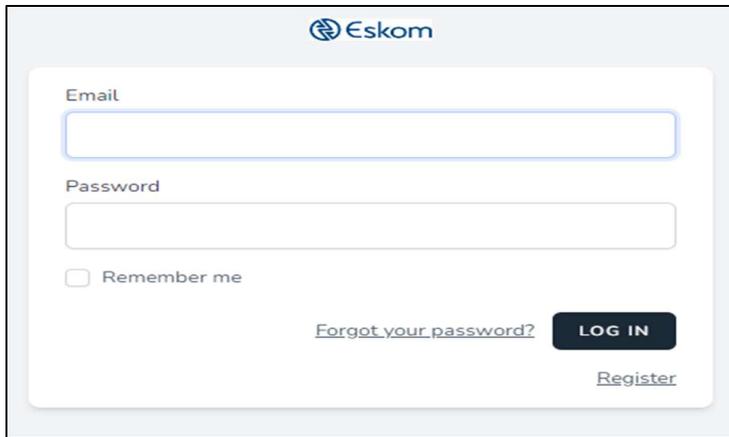

Fig2b.

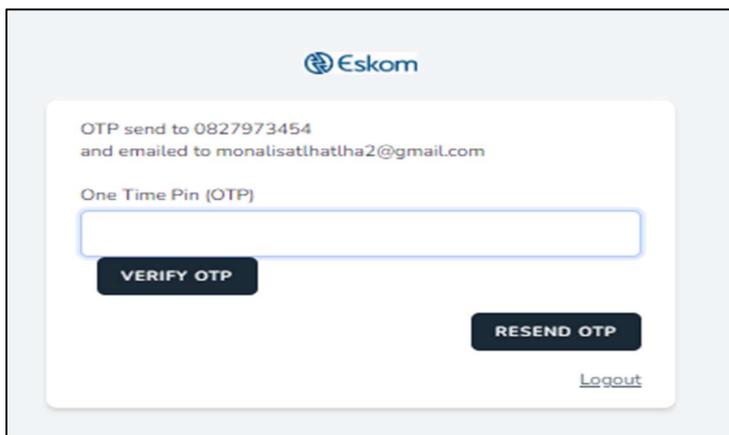

Fig3.

4. Once the email is verified, login using your registered email address and password then the OTP page will be displayed

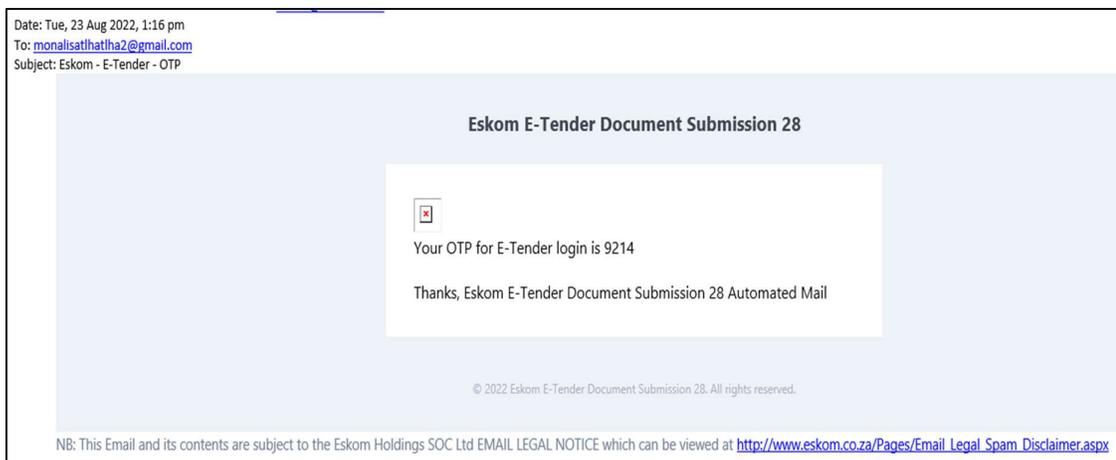

The login form features the Eskom logo at the top. It contains two input fields: 'Email' and 'Password'. Below the password field is a checkbox labeled 'Remember me'. At the bottom right, there is a 'LOG IN' button. To the left of the button is a link for 'Forgot your password?'. At the bottom center, there is a 'Register' link.

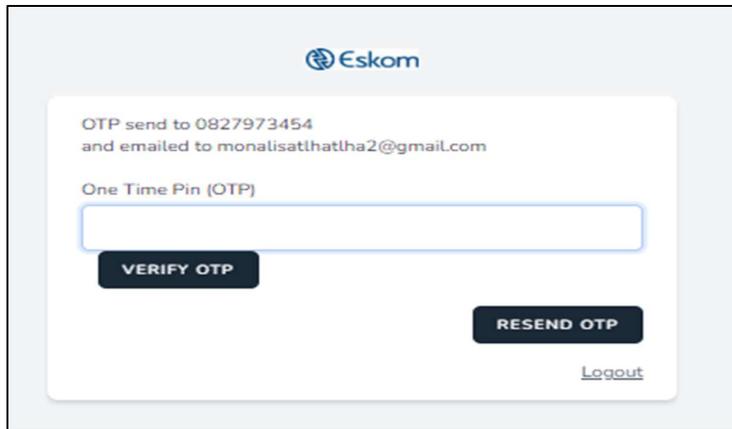

The OTP verification form displays the Eskom logo and a message: 'OTP send to 0827973454 and emailed to monalisathattha2@gmail.com'. Below this is a 'One Time Pin (OTP)' input field. There are two buttons: 'VERIFY OTP' and 'RESEND OTP'. A 'Logout' link is located at the bottom right.

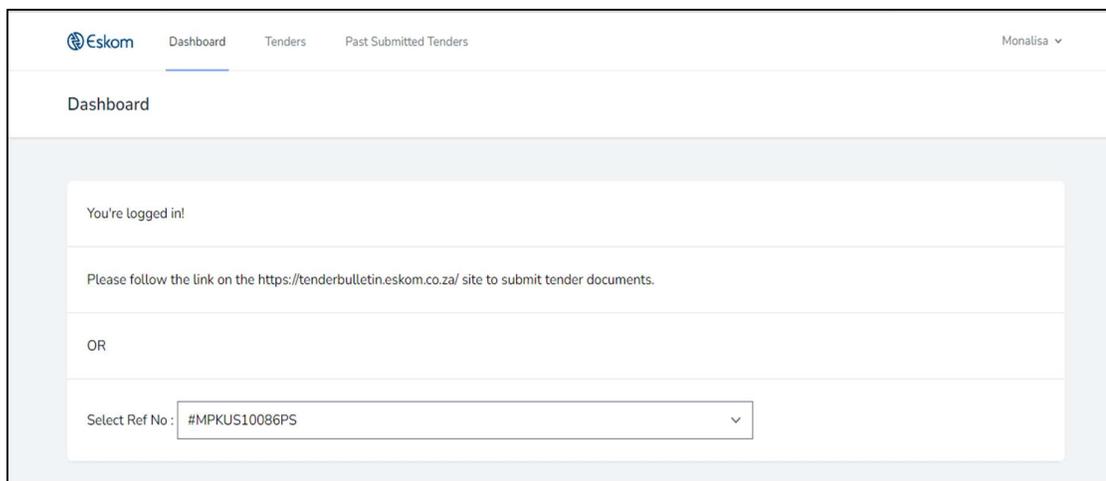

5. OTP sent to the registered cellphone number and email address

6. Insert the otp number then click **“Verify OTP”** button, to resend OTP click on **“Resend OTP”** button

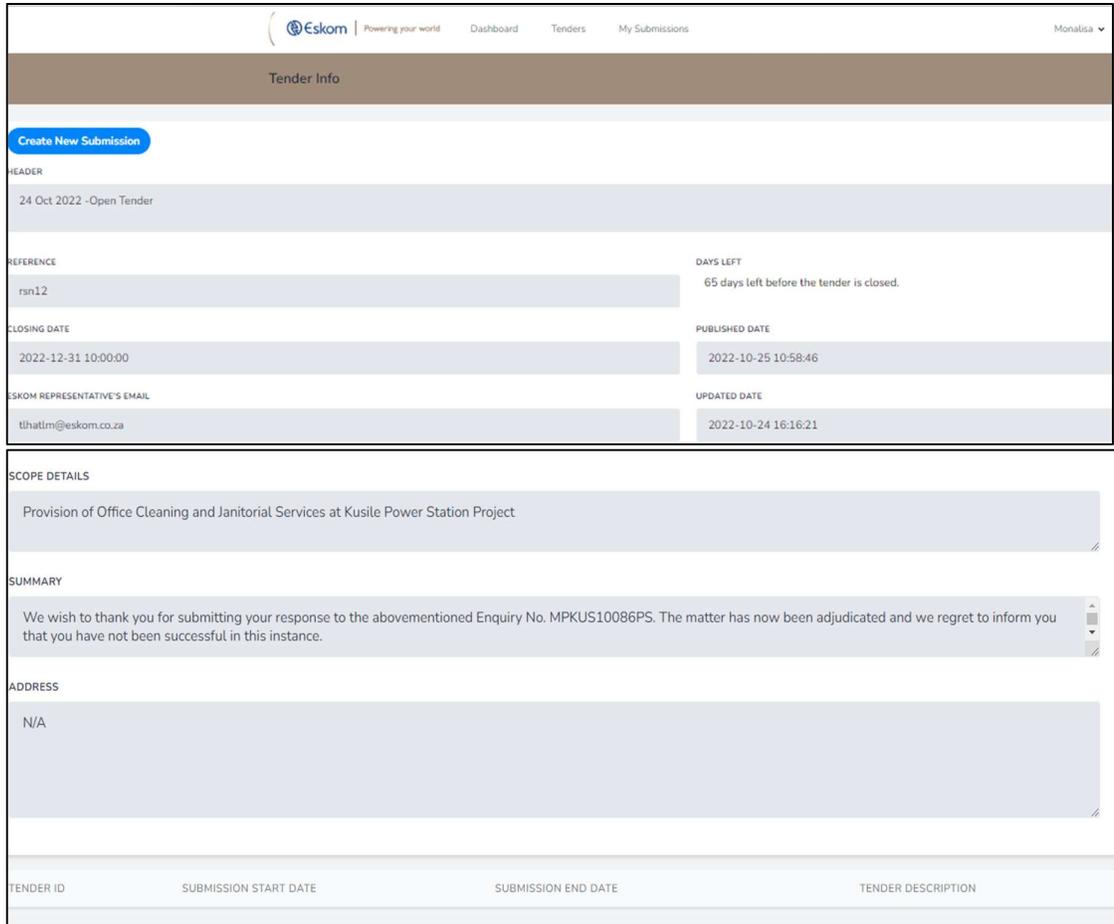

7. Landing page once OTP is verified

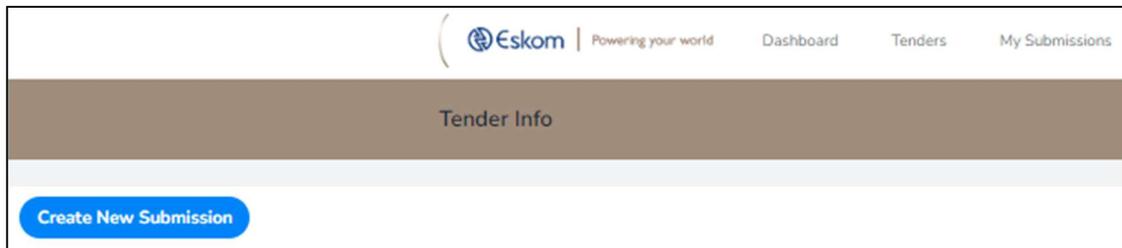

8. Select the preferred "Ref No"

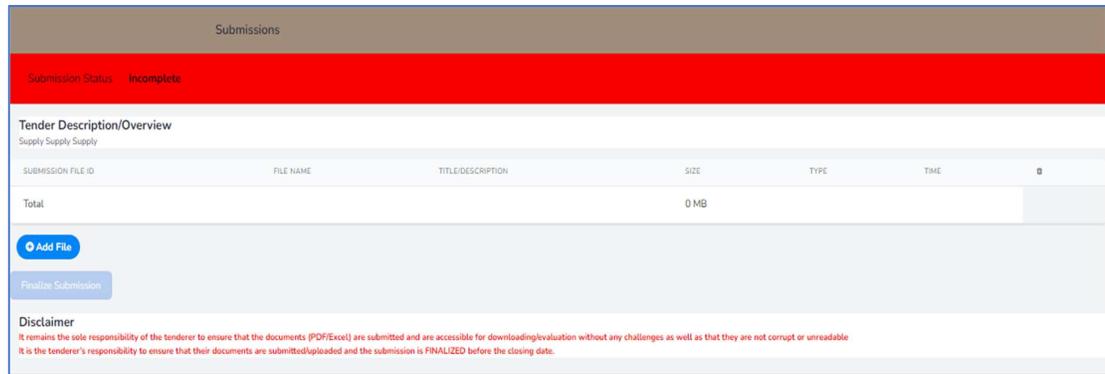

9. A page with the preferred Tender information is displayed before tender documentation can be submitted.

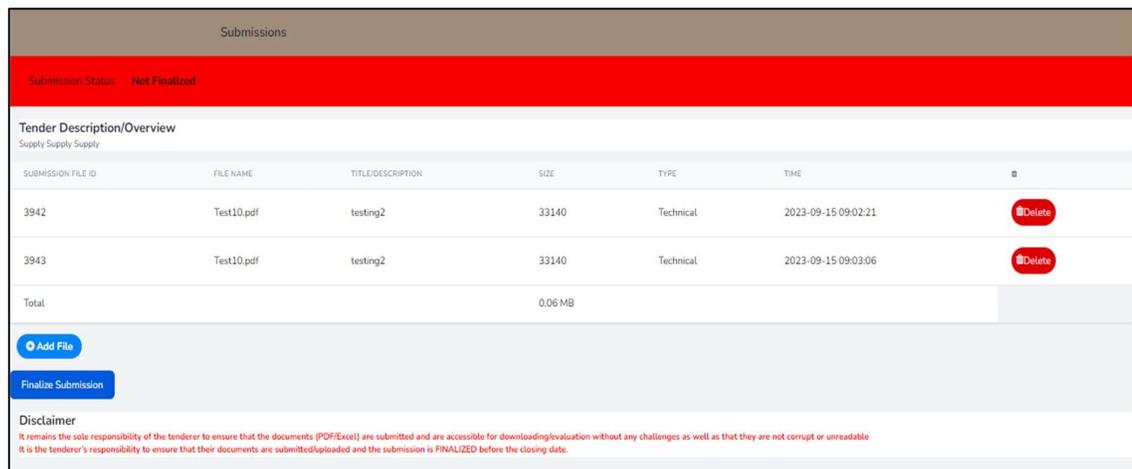

10. Click on **“Create New Submission”** button to submit required Tender documents

11. Landing page once clicked on **“Create New Submission”** button. Take note of the mentioned disclaimers.

12. To submit tender documents, click on **“Add file”** button

13. Upload required tender documents by:

1. Giving the file a name
2. Select the listed file type e.g.: Technical, commercial, finance and etc
3. Choose the file you need to upload
4. Then click on **“Upload”** button, Fig5.

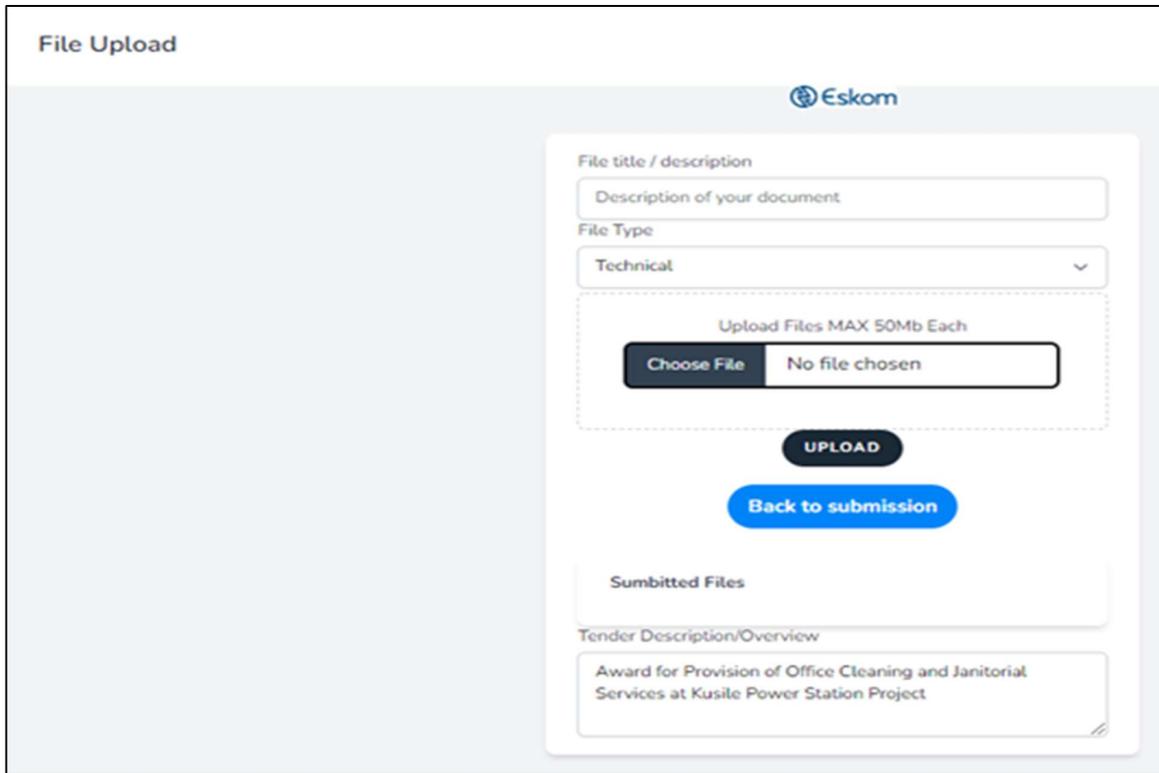

Fig4.

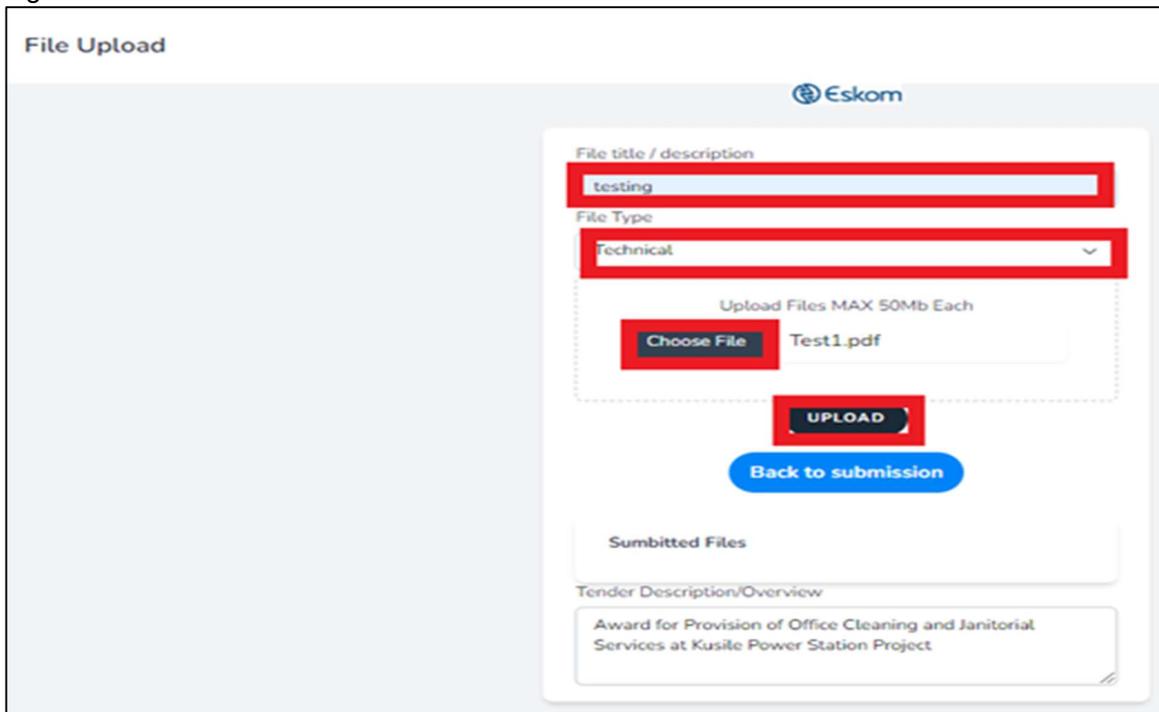

Fig5.

14. Once clicked on **“Upload” button**, this page will be displayed with the submitted document(s). Continue to submit all the required documents under the correct category ,i.e: Technical should be selected if technical documentation is uploaded and etc. Verify all required documents are uploaded before making ‘Final Submission’ by clicking on ‘Finalize Submission’ button.

Total			0.09 MB			

16. Once “Finalize Submission” button is clicked the pop-up message confirming the submission will pop-up

The screenshot shows the same 'Submissions' page as above, but with a white confirmation dialog box overlaid in the center. The dialog box contains a warning icon and the text: 'Finalize the submission? You will not be able to add any more files and the documents will be submitted.' It has two buttons: 'Finalize and close Submission' (highlighted in red) and 'No, continue adding files'.

17. Click on **“Finalise and Close Submission”** button to finalize the submission of documents.

If not all documents were submitted or still wish to add or submit more documents, click on **“No, continue adding files”** button.

18. Once the submission is finalised the page with all submitted documents will display with the submission and closed time and date timestamp at the bottom.

Submissions					
Submission Status	Submitted				
Tender Description/Overview					
24 Oct 2022 - Open Tender					
SUBMISSION FILE ID	FILE NAME	TITLE/DESCRIPTION	SIZE	TYPE	TIME

5 Edit Registration

To edit already registered information such as Name, Organization, CSD and cell phone number select “Edit Registration” on the drop down, Fig1. New window with information that needs to be updated pop ups, Fig2. Click on “**Update**” button to update registration details.

Fig1.

The screenshot shows the 'Edit Registration' form. It contains the following fields and elements:

- Name:** A text input field containing 'Monalisa'.
- Organization:** A text input field containing 'Eskom'.
- Csd number:** A text input field containing '00000'.
- Phone No:** A text input field containing '066627087054'.
- Captcha:** A captcha image showing the letters 'p', 'n', 'f', 'g', 'd' in various colors and orientations, with a refresh icon below it.
- UPDATE:** A dark blue button with white text at the bottom of the form.

Fig2.

6 Log off Button

To logout, click “Log out” on the dropdown next to your name

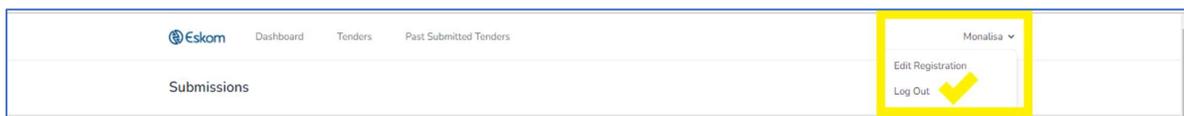

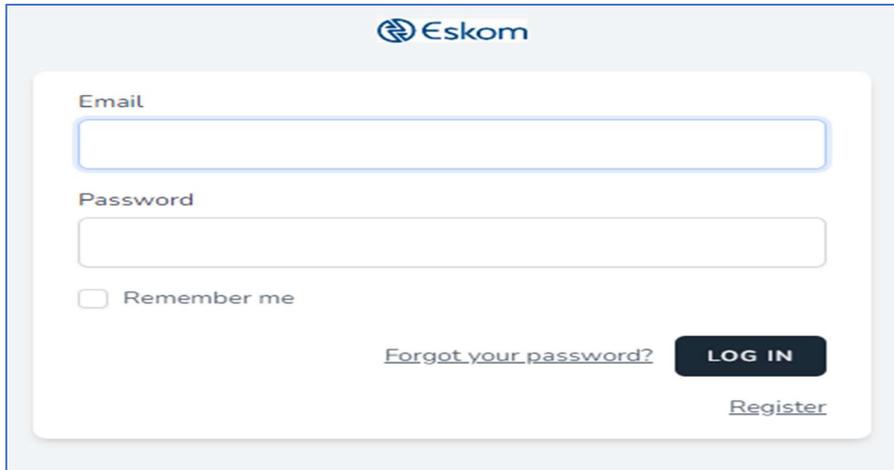

Fig1.

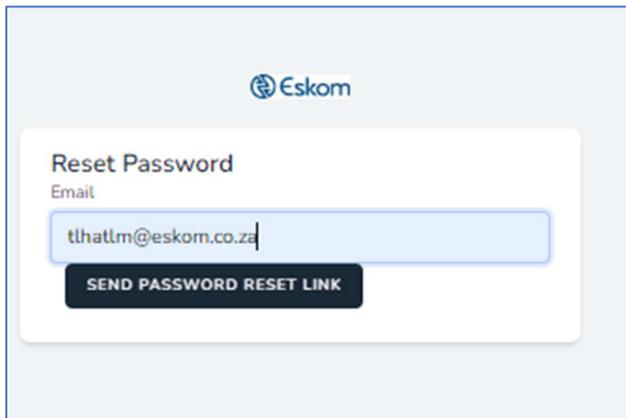

7 Password reset

To reset a forgotten password, click **“Forgot your password” Fig1.** and a new screen will pop up to enter an alternative email where the new password will be sent Fig2. Confirmation message will be sent to the user, Fig3.

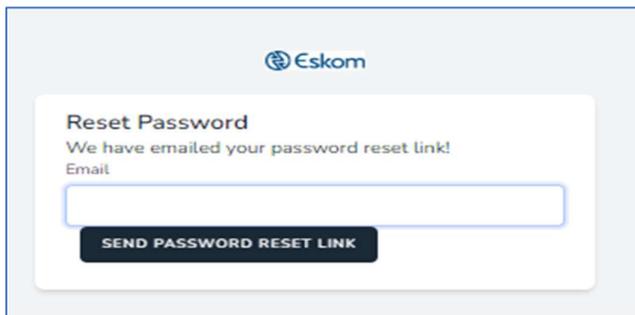

The login form features the Eskom logo at the top center. Below it are two input fields: 'Email' and 'Password'. A checkbox labeled 'Remember me' is positioned below the password field. At the bottom right, there is a 'LOG IN' button and a 'Register' link. A link for 'Forgot your password?' is located at the bottom center of the form area.

Fig1.

The 'Reset Password' form displays the Eskom logo at the top. The title 'Reset Password' is followed by the label 'Email'. An input field contains the email address 'tthatlm@eskom.co.za'. Below the input field is a dark button labeled 'SEND PASSWORD RESET LINK'.

Fig2.

The confirmation screen shows the Eskom logo at the top. The title 'Reset Password' is followed by the message 'We have emailed your password reset link!'. Below this is the label 'Email' and an empty input field. At the bottom is a dark button labeled 'SEND PASSWORD RESET LINK'.

Fig3.

An email confirming password reset will be sent to the email provided.
Click on the link or **“Reset Password”** button to reset the password.

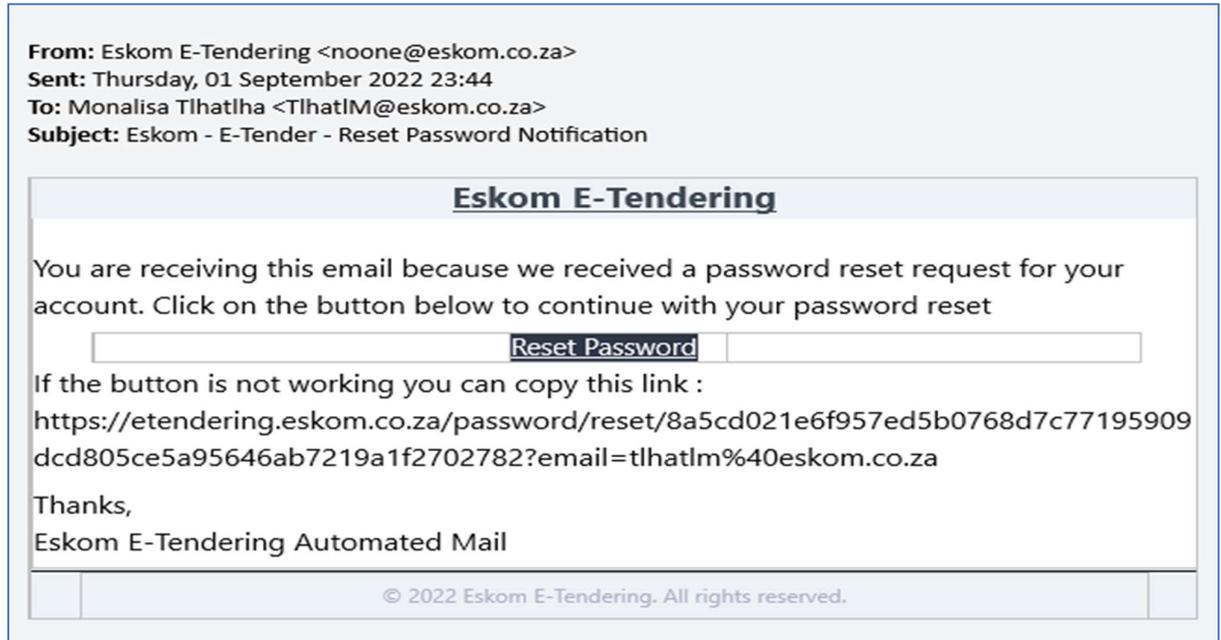

Fig4.

A new window will pop up to reset and confirm the new password, Fig5. Enter new password and confirm then click on **“Reset Password”** button.

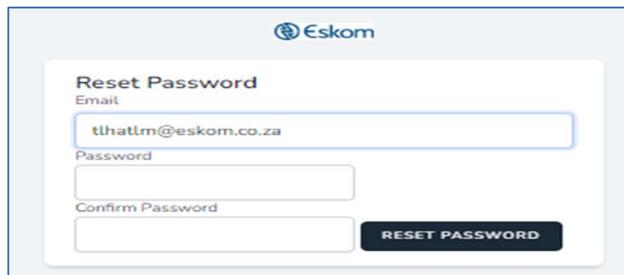

Fig5.

OTP window will pop up, type in the OTP sent to either the cell phone or email address.

Fig6.

OTP successfully goes through and lands on the below screen, password is successfully reset.

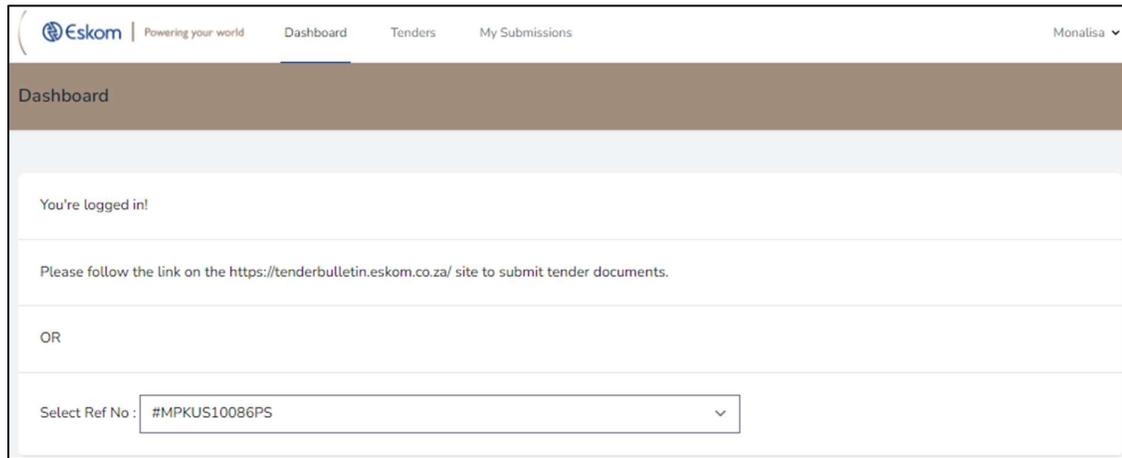

Fig7.

8 General

This system is compatible to most web browsers however we recommend Ms Edge.

The end.
