RE: E2126DXKZN – The establishment of a three (3) year contract for the Supply, Delivery, Servicing, Calibrating, Training, Maintenance and Repair of all Hydraulic and Battery-operated Crimping and Cutting tools, for use on MV/LV Copper and Aluminium conductors in the KwaZulu Natal and Free State Operating Unit, Central-East Cluster on an as and when required basis for a period of thirty-six (36) months.

You are urged to take note of the changes below as effected to tender enquiry E2126DXKZN:

The following changes have been made to the tender enquiry E2126DXKZN:

Description	Change
Item No. 1 and Item No. 30 on the price list have the same description but different Eskom SAP numbers.	Item No. 1 – SAP number 723768 is Battery powered crimper Jaw type: Hex narrow profile. Item No. 30- SAP number 667735 is battery powered crimper Jaw type: 4-point indent.
Item No.2 and Item No. 10 on the price list have the same description and SAP number.	Item No. 2 and Item No. 10 have the same SAP number (751481). Item No. 10 will therefore be removed, as it is a duplicate.

An “AMENDED” NEC3 Term services Contract has been loaded on the Eskom Tender Bulletin and E-tender portal. Please ensure that you complete and submit the Amended NEC3 Term Services Contract with the tender at tender submission stage, failure to do so will result in your tender being disqualified.
