## 1 Background

eTendering system is a web-based system that allows suppliers bidding for various tenders advertised on Tender Bulletin system to “upload” their tender documents. Currently the tenderers or suppliers submit tender documents at various Eskom tender offices. eTendering system replaces the manual or physical submission of tender documents at various Eskom tender offices. eTendering system in a nutshell is an electronic box where tender documents can be “dropped” or “uploaded”. Suppliers will be required to register their details before they can be granted access to the eTendering system. An OTP (one time pin) will be sent to both their cell phone and email address.

**Quick and direct access is also available by using the following links:**

- **TenderBulletin Public website:** <https://tenderbulletin.eskom.co.za> - this is used by members of the public, to view and access Eskom published tenders. eTendering hyperlink will be found on this site. Members of the public may follow prompt instructions once they have clicked on the eTendering link (<https://eTendering.eskom.co.za>). This link will allow them to upload the required tender documentation.
- **eTendering website Public website:** <https://eTendering.eskom.co.za> - this is used by members of the public, to view information about published tenders and submit their tender documents.
- **N.B: Members of the public would need to have a CSD number to gain access to eTendering system.**

## 2 Problems

A channel of communication has been created in case users of the system experiences a problem with the system. In a case users come across some difficulties in using Tender bulletin, eTendering and OpenText systems they need to contact the buyer responsible for the published tender.

## 3 What's New

A new functionality to “add closed tenders”. Closed tenders refers to the tenders which are not listed on Tenderbulletin as normal tenders, but are tenders sent directly to the relevant and potential suppliers who meet the selection and evaluation criteria to offer what the buyer needs. These suppliers will be sent a link via email to bid privately.

## 4 Getting Started

To gain access to eTendering portal

1. Open your web browser
2. Type [TenderBulletin \(eskom.co.za\)](https://TenderBulletin.eskom.co.za) or <https://eTendering.eskom.co.za>
3. eTendering system login page will be displayed:

Fig 1

<b>Registration Form</b>	<b>Steps to follow</b>
--------------------------	------------------------

	<ul style="list-style-type: none"> <li>• Complete all the fields</li> <li>• Contact number must start with a Plus prefix e.g +27</li> <li>• Ensure that you also fill in the capture picture to validate that you are not a robot.</li> <li>• Once all columns have been filled click on register button</li>   <li>• Pop-up message will be displayed asking the registerer to verify the email sent to the provided email address.</li> <li>• If the email does not come through, click on “Resend Verification Email” button</li> <li>• email to be resent,</li> <li>• Once you have received the email click on <b>Verify Email</b> link provided on the email.</li> <li>• Then you will be directed back to etendering site with a login screen displayed, now complete the login with your verified email address and password</li> <li>•</li> </ul>
--	--

Fig1.1

Fig2a.

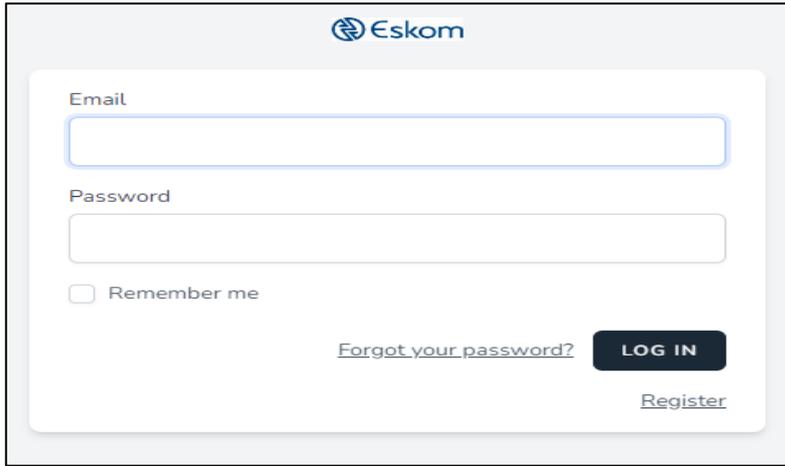

Fig2b.

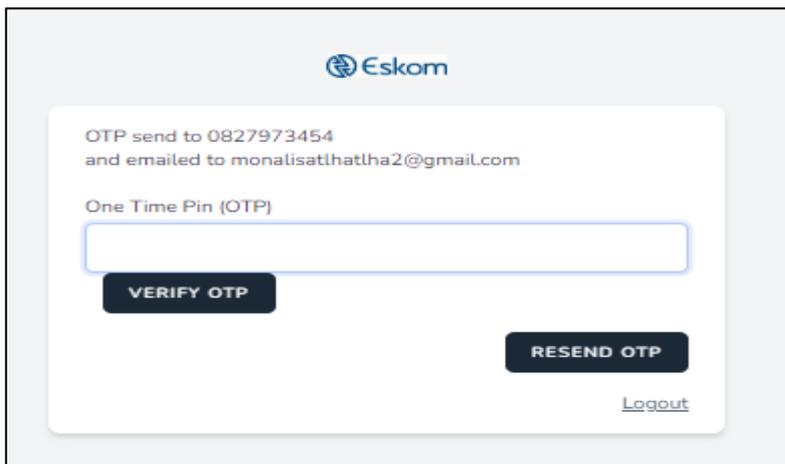

Fig3.

4. Once the email is verified, login using your registered email address and password then the OTP page will be displayed

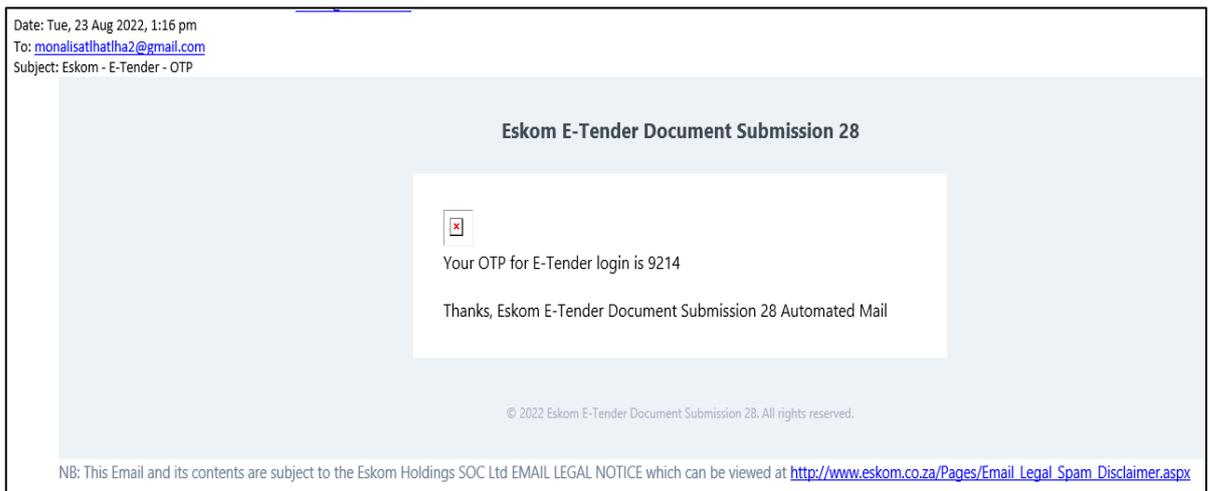

The login form features the Eskom logo at the top. It contains two input fields: 'Email' and 'Password'. Below the password field is a checkbox labeled 'Remember me'. At the bottom right, there is a 'LOG IN' button, a 'Forgot your password?' link, and a 'Register' link.

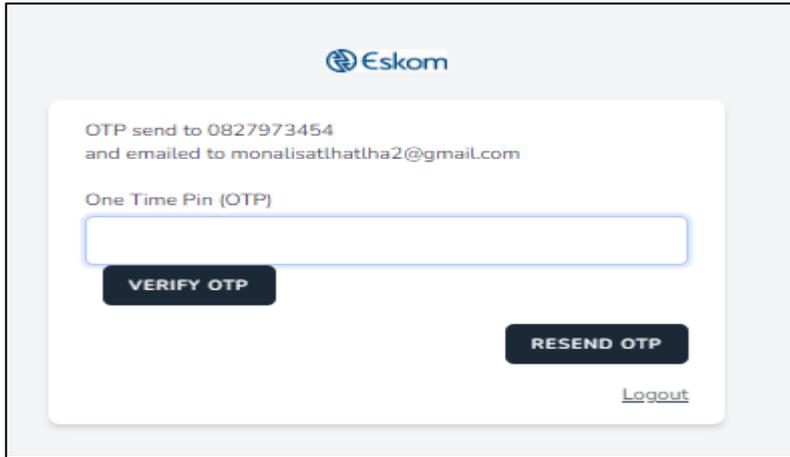

The OTP verification form displays the Eskom logo and a message: 'OTP send to 0827973454 and emailed to monalisatthatlha2@gmail.com'. It includes a 'One Time Pin (OTP)' input field, a 'VERIFY OTP' button, and a 'RESEND OTP' button. A 'Logout' link is located at the bottom right.

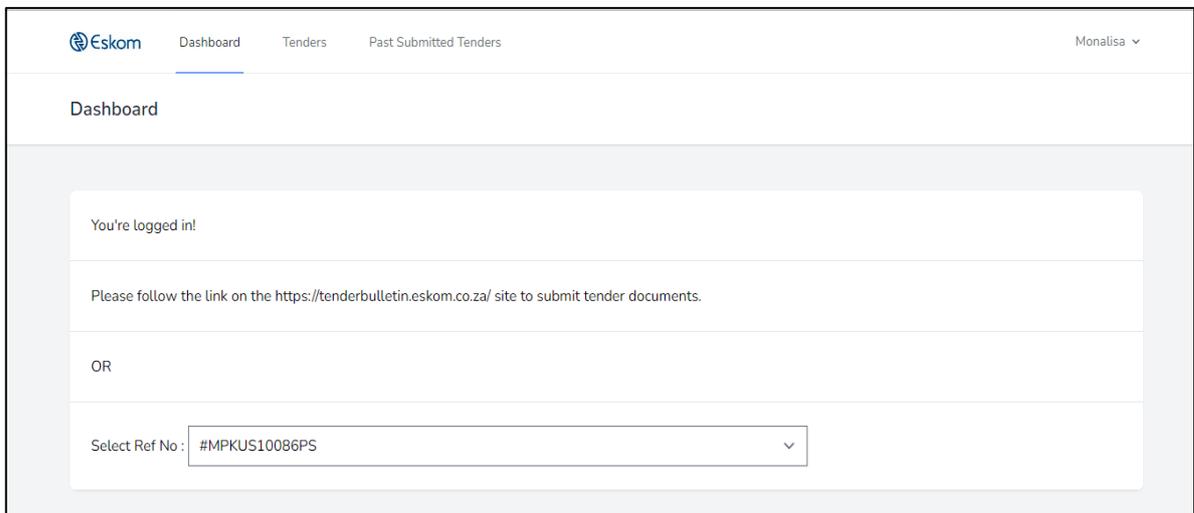

5. OTP sent to the registered cellphone number and email address

6. Insert the otp number then click **“Verify OTP”** button, to resend OTP click on **“Resend OTP”** button

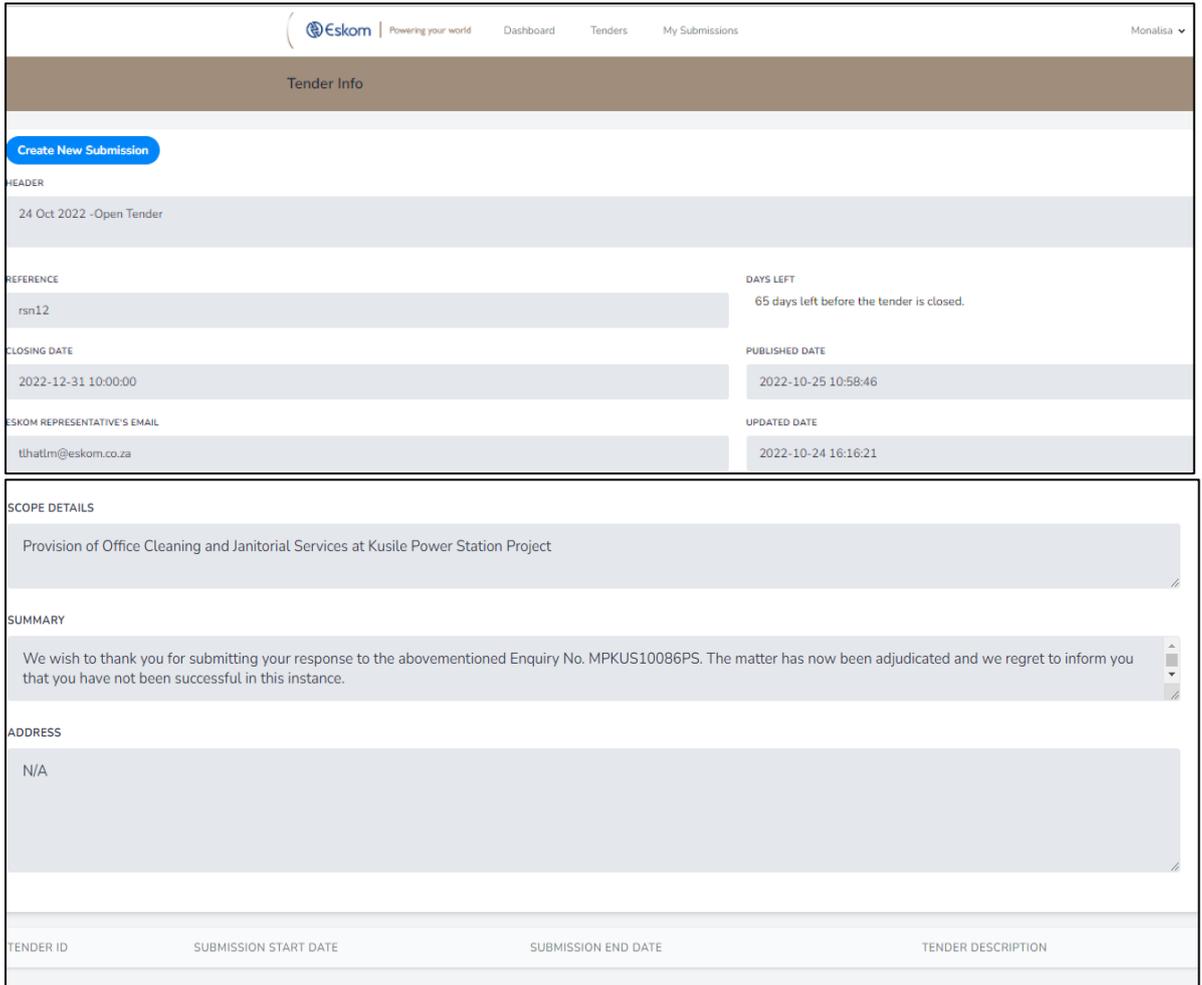

7. Landing page once OTP is verified

8. Select the preferred "Ref No"

9. A page with the preferred Tender information is displayed before tender documentation can be submitted.

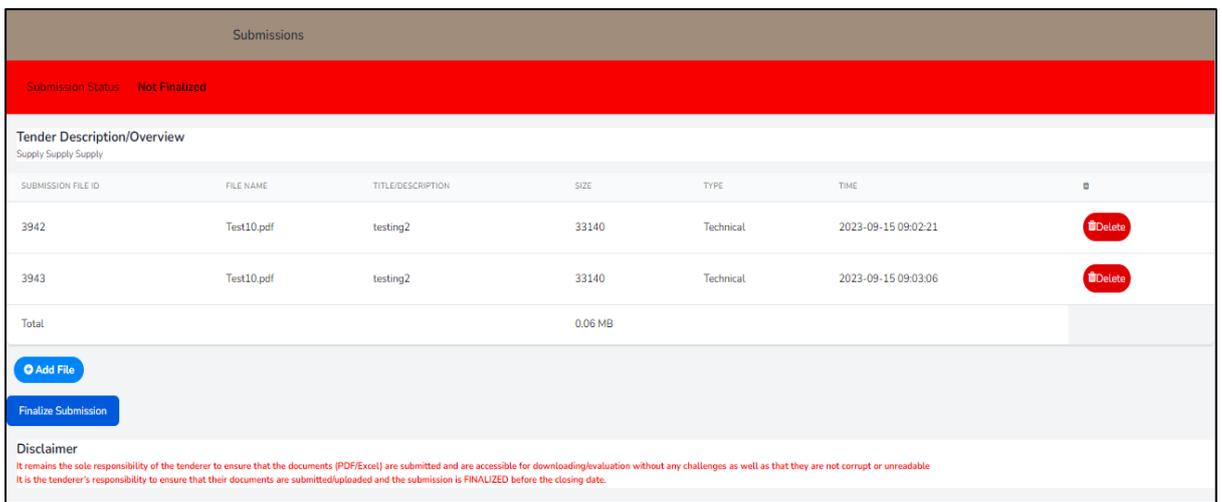

10. Click on **“Create New Submission” button** to submit required Tender documents

11. Landing page once clicked on **“Create New Submission” button**. Take note of the mentioned disclaimers.

**12. To submit tender documents, click on “Add file” button**

**13. Upload required tender documents by:**

1. Giving the file a name
2. Select the listed file type e.g.: Technical, commercial, finance and etc
3. Choose the file you need to upload
4. Then click on “**Upload**” button, Fig5.

Fig4.

Fig5.

14. Once clicked on **“Upload” button**, this page will be displayed with the submitted document(s). Continue to submit all the required documents under the correct category ,i.e: Technical should be selected if technical documentation is uploaded and etc. Verify all required documents are uploaded before making ‘Final Submission’ by clicking on ‘Finalize Submission’ button.

Submissions

Submission Status: **Incomplete**

Submissions

Submission Status: **Not Finalized**

Tender Description/Overview  
24 Oct 2022 -Open Tender

SUBMISSION FILE ID	FILE NAME	TITLE/DESCRIPTION	SIZE	TYPE	TIME	
357	Test9.pdf	testing	33140	Commercial	2022-10-26 14:05:34	Delete
358	Test3.pdf	testing1	33140	Technical	2022-10-26 14:12:32	Delete
359	Test3.pdf	test1	33140	Finance	2022-10-26 14:16:06	Delete
Total			0.09 MB			

Add File

Finalize Submission

- Click on **“Finalize Submission”** button. A file size cannot exceed 50MB and a total size of all uploaded files should not exceed 900MB.

The screenshot shows the 'Submissions' interface. At the top, it says 'Submission Status: Not Finalized'. Below this is a 'Tender Description/Overview' section for '24 Oct 2022 - Open Tender'. A table lists the following files:

SUBMISSION FILE ID	FILE NAME	TITLE/DESCRIPTION	SIZE	TYPE	TIME	
357	Test9.pdf	testing	33140	Commercial	2022-10-26 14:05:34	Delete
358	Test3.pdf	testing1	33140	Technical	2022-10-26 14:12:32	Delete
362	Test16.pdf	test6	33141	Finance	2022-10-26 15:09:57	Delete
Total			0.09 MB			

At the bottom of the interface, there are two buttons: 'Add File' and 'Finalize Submission'. The 'Finalize Submission' button is highlighted with a yellow border.

- Once “Finalize Submission” button is clicked the pop-up message confirming the submission will pop-up

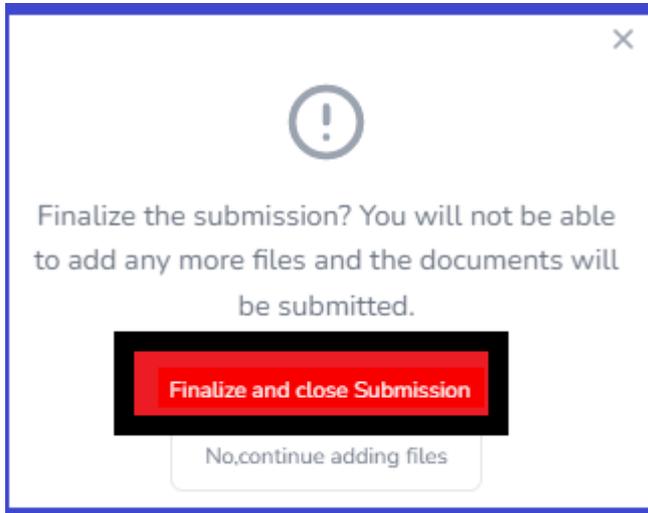

This screenshot shows the same 'Submissions' page as above, but with a confirmation dialog box overlaid in the center. The dialog box contains the following text:

Finalize the submission? You will not be able to add any more files and the documents will be submitted.

There are two buttons in the dialog: 'Finalize and close Submission' (highlighted in red) and 'No, continue adding files'.

17. Click on **“Finalise and Close Submission”** button to finalize the submission of documents.

If not all documents were submitted or still wish to add or submit more documents, click on **“No, continue adding files”** button.

18. Once the submission is finalised the page with all submitted documents will display with the submission and closed time and date timestamp at the bottom.

Submissions						
Submission Status		Submitted				
<b>Tender Description/Overview</b>						
24 Oct 2022 -Open Tender						
SUBMISSION FILE ID	FILE NAME	TITLE/DESCRIPTION	SIZE	TYPE	TIME	
357	Test9.pdf	testing	33140	Commercial	2022-10-26 14:05:34

## 5 Edit Registration

To edit already registered information such as Name, Organization, CSD and cell phone number select “Edit Registration” on the drop down, Fig1. New window with information that needs to be updated pop ups, Fig2. Click on “**Update**” button to update registration details.

Fig1.

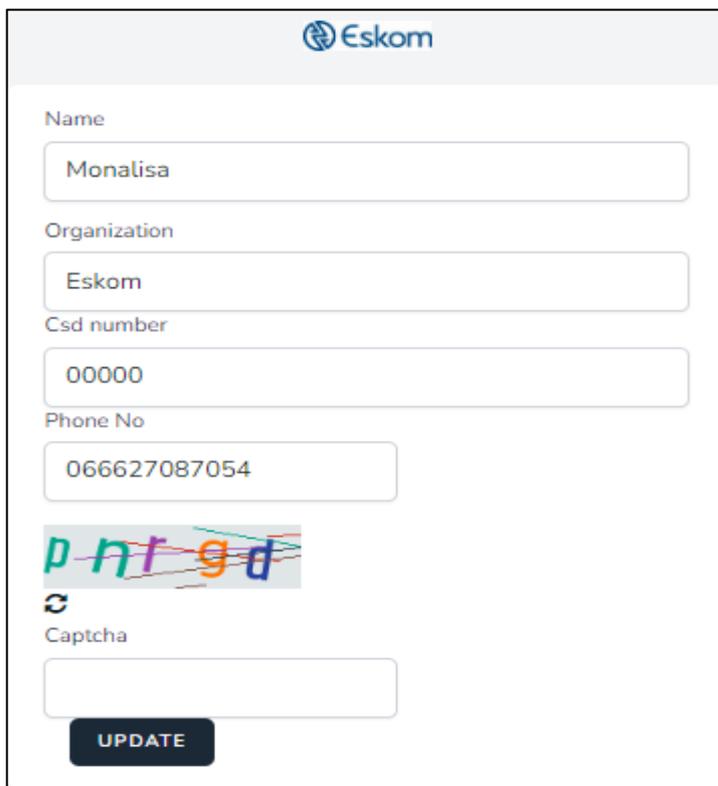

A screenshot of the 'Edit Registration' form. At the top is the Eskom logo. The form contains several input fields: 'Name' with the value 'Monalisa', 'Organization' with 'Eskom', 'Csd number' with '00000', and 'Phone No' with '066627087054'. Below these fields is a CAPTCHA image showing the letters 'p h t g d' in various colors and orientations. Underneath the CAPTCHA is a 'Captcha' input field. At the bottom of the form is a dark blue button labeled 'UPDATE'.

Fig2.

## 6 Log off Button

To logout, click “Log out” on the dropdown next to your name

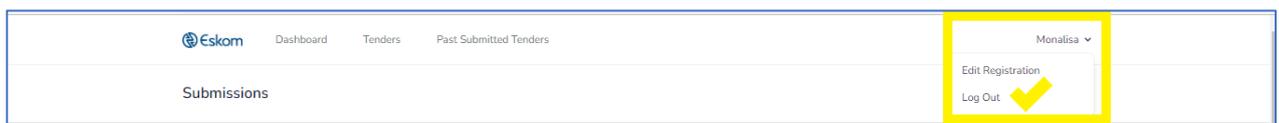

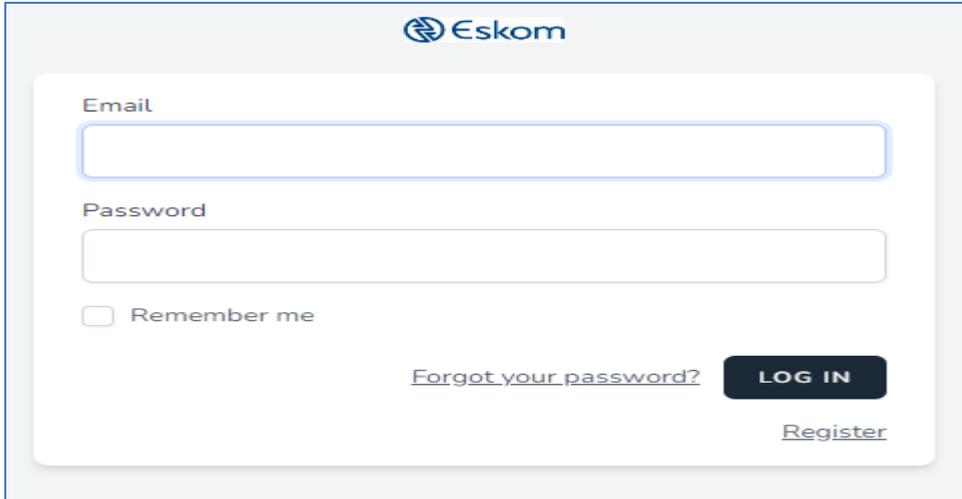

Fig1.

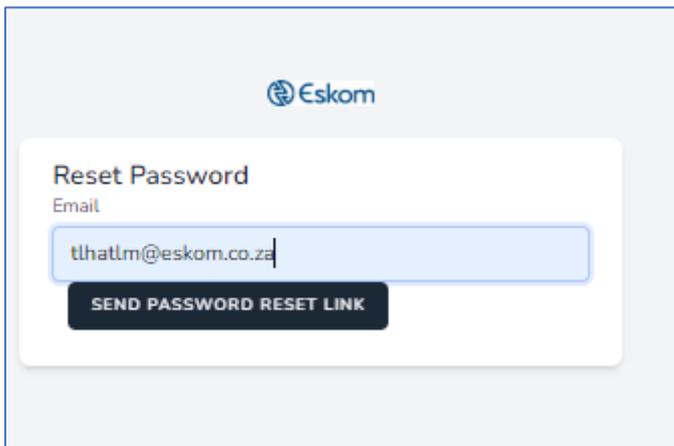

## 7 Password reset

To reset a forgotten password, click **“Forgot your password” Fig1.** and a new screen will pop up to enter an alternative email where the new password will be sent Fig2. Confirmation message will be sent to the user, Fig3.

The image shows a login form with the Eskom logo at the top. It contains two input fields: 'Email' and 'Password'. Below the 'Password' field is a checkbox labeled 'Remember me'. At the bottom right, there is a dark 'LOG IN' button and a 'Register' link. A link labeled 'Forgot your password?' is positioned to the left of the 'LOG IN' button.

Fig1.

The image shows a 'Reset Password' form with the Eskom logo. It has a title 'Reset Password' and an 'Email' label. The email input field contains the text 'tthatlm@eskom.co.za'. Below the input field is a dark button labeled 'SEND PASSWORD RESET LINK'.

Fig2.

The image shows a 'Reset Password' confirmation form with the Eskom logo. It has a title 'Reset Password' and a message: 'We have emailed your password reset link!'. Below the message is an 'Email' label and an empty input field. At the bottom is a dark button labeled 'SEND PASSWORD RESET LINK'.

Fig3.

An email confirming password reset will be sent to the email provided. Click on the link or **“Reset Password”** button to reset the password.

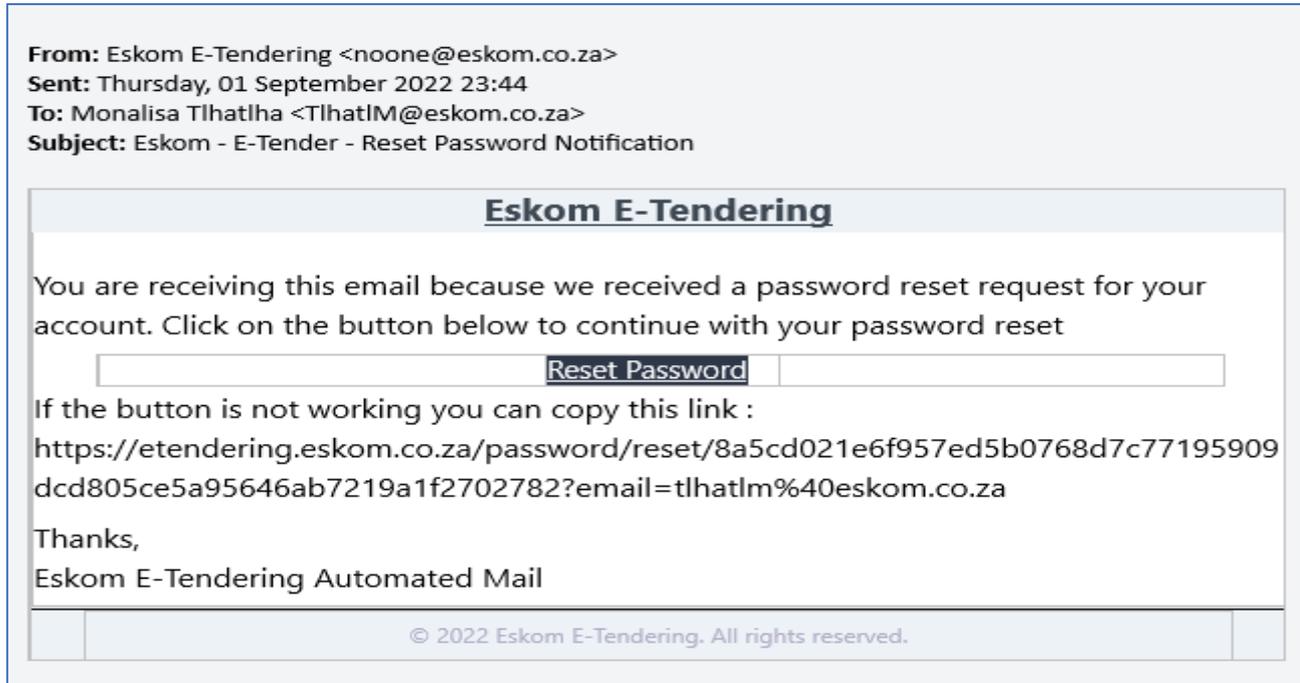

Fig4.

A new window will pop up to reset and confirm the new password, Fig5. Enter new password and confirm then click on **“Reset Password”** button.

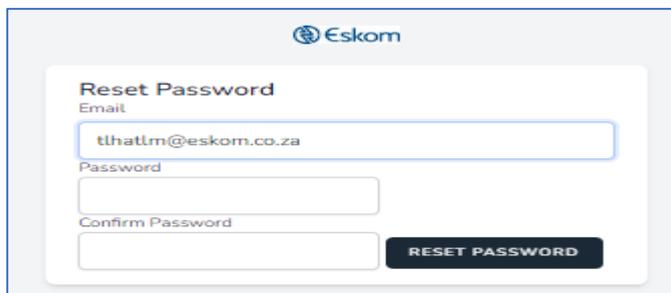

Fig5.

OTP window will pop up, type in the OTP sent to either the cell phone or email address.

Fig6.

OTP successfully goes through and lands on the below screen, password is successfully reset.

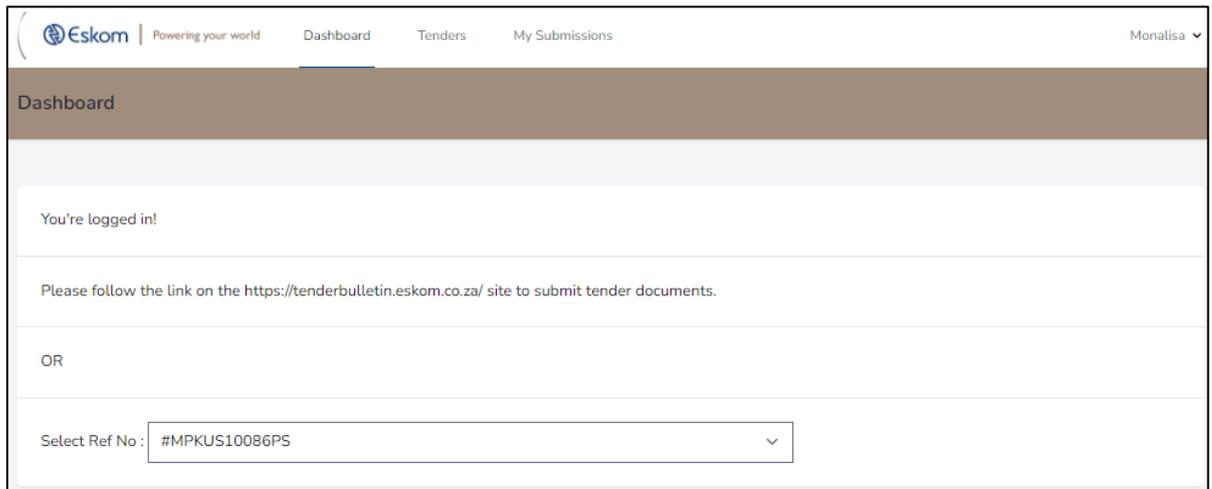

Fig7.

## 8 General

This system is compatible to most web browsers however we recommend Ms Edge.

**The end.**
