Dear Sir/Madam

Request for Enquiry Number	<u>E3542GXMPTUT</u>
Description / Project Title	<u>Supply, Test & Delivery of Structural and Industrial Steel on an as and when required 'Basis' for a period of 5 years at Tutuka Power Station - Main Store</u>
Tender Questions Closing Date	<u>20 October 2026</u>

Item	Updates – Addendum 2	Clarity Published Dates
1.	Tender Closing date has been extended to 27 October 2026	05 October 2026
2.	As per tender briefing today that was held at 11:00 on the 30th of September 2026 on teams. Q: On Quality requirements the tender has been classified under category 1 which is usually for service contracts and this tender is for Supply and delivery. We just want to understand if this was done intentional or it will be revised? A: Please note that Quality Requirements are determined based on the level of criticality to the plant, production and associated financial risks. For the transaction in question, the amount is of a high value and carries a high level of risk for civil structures as it will be used within Maintenance, Projects and Outages in large quantities.	05 October 2026

		Review Date	April 2026		

	Furthermore, the contract requirements extend beyond the supply and delivery of the structural steel and include the testing of the material to ensure compliance with the applicable SANS standards, as specified in the Scope of Work. Based on the above considerations, the quality requirements for this transaction will remain classified as Category 1
