## 1. Introduction to Request for Proposal (RFP)

1.1 The Manufacturing, Engineering and Related Services Sector Education and Training Authority (merSETA) is a Schedule 3A public entity established in terms of the Skills Development Act (Act No. 97 of 1998), Registration Number 17/merSETA/01/04/20, to facilitate skills development for the Metal and Engineering, Motor Retail and Components Manufacturing, Automobile Manufacturing, Plastics Manufacturing and New Tyre Manufacturing Sectors Automotive Components Manufacturing Chamber.

The merSETA is inviting potential service providers to submit the proposal for the services described under scope of work.

1.2 This RFP is subject to the Preferential Procurement Policy Framework Act (Act No. 5 of 2000) and the Preferential Procurement Regulations (2022 Regulations), the General Conditions of Contract (GCC), and, if applicable, any other special conditions of contract. Where, however, the special conditions of the contract conflict with the general conditions of the contract, the special conditions of the contract prevail.

## 2. Background Information

The merSETA qualifications development project involves the development of all new qualifications as Skills Programmes using the QCTO methodology.

This qualification is to prepare a learners to operate as an Automotive Electrician. An Automotive Electrician tests, diagnoses, services, replaces, repairs and maintains automotive electrical wiring, electrical and electronic systems and their components.

The Transportation Electricians (Automotive Electricians) provide essential services to users of all automotive motor vehicles in the country. Transportation Electrician (Automotive Electricians) perform a variety of tasks to service, maintain and repair automotive electrical systems. The role of Automotive Electricians is further amplified by the fact that the engineering relating to modern vehicles constitutes a sophisticated integration of mechanical, electrical and electronic systems, with the electrical and electronic aspects becoming increasingly embedded in the operations of the mechanical systems of the vehicles.

In response to engineering and technology developments related to automotive vehicles, the work of the Automotive Electrician increasingly involves an accurate diagnosis of faults using diagnostic electrical/electronic equipment, the removal and

replacement of faulty, worn or defective components and the repair of such components. This qualification will also enable qualified Automotive Electricians to keep abreast of on-going technological developments in the industry and thus provide a basis for further career development. Learners acquiring this qualification can progress to perform advanced diagnosis of auto-electrical systems at a higher level.

The qualification will open employment opportunities in a growing and essential sector of the economy. These skills lead to a need to develop occupational skills programmes as Transportation Electrician.

This project is aimed at developing the Occupational Skills Programme for Transportation Electrician (Automotive Electrician).

### 3. Objectives of the Service

This project is to procure the services of a qualified and capable service provider for the development of the occupational skill programmes using the qualification – Occupational Certificate: Transportation Electrician (Automotive Electrician) SAQA ID: 117042 curriculum. The service provider will be responsible for the development according to the QCTO approved process, which comprises the templates, guidelines, forms and schedules.

### 4. Scope of Work (Service)

The Occupational Certificate: Transportation Electrician (Automotive Electrician) SAQA ID: 117042 qualification and curriculum documents will be the focus for this project. The target audience include, but not limited to the merSETA stakeholders, collaboration with industry-based Subject Matter Experts (SME's) to ensure the skill programme is aligned to workplace practices, related SETA communities and interested parties.

## 12 merSETA's RIGHTS

12.1 The merSETA is entitled to amend any bid condition, bid validity period, RFP specification, or extend the bid closing date, all before the bid closing date. All bidders, to whom the RFP documents have been issued and where the merSETA has records of such bidders, may be advised in writing of such amendments in good time, and any such changes will also be posted on the merSETA's website under the relevant tender information. Therefore, before submitting their bid response, prospective bidders should regularly check the website to stay informed about any amendments related to this matter.

12.2 The merSETA reserves the right not to accept the lowest priced bid or any bid in part or in whole. It normally awards the contract to the bidder who proves to be fully capable of handling the contract and whose bid is functionally acceptable and/or financially advantageous to the merSETA.

12.3 The merSETA reserves the right to award this bid as a whole or in part.

12.4 The merSETA reserves the right to conduct site visits at bidder's corporate offices and or at client sites if so required.

12.5 The merSETA reserves the right to consider the guidelines and prescribed hourly remuneration rates for consultants as provided in National Treasury Instruction 02 of 2016/2017: Cost Containment Measures, where relevant.

12.6 The merSETA reserves the right to request all relevant information, agreements, and other documents to verify the information supplied in the bid response. The bidder hereby gives consent to the merSETA to conduct background checks, including FICA verification, on the bidding entity and any of its directors, trustees, shareholders or members.

12.7 The merSETA reserves the right, at its sole discretion, to appoint any number of vendors to be part of this panel of service providers, if applicable (i.e., where a panel is considered).

12.8 The merSETA reserves the right to make a final decision on the interpretation of its tender requirements and responses thereto.

12.9 The merSETA reserves the right to consider the professional conduct and experiences it had with any bidder that rendered similar services to the merSETA in the past 5 years over and above the references put forward by the bidder in its response.

### **13 UNDERTAKINGS BY THE BIDDER**

13.1 By submitting a bid in response to the RFP, the bidder will be taken to offer to render all or any of the services described in the bid response submitted by it to the merSETA on the terms and conditions and in accordance with the specifications stipulated in this RFQ document.

13.2. The bidder shall prepare for a possible presentation should merSETA require such, and the bidder will be required to make such a presentation within five (5) days from the date the bidder is notified of the presentation. Such a presentation may include a practical demonstration of products or services as called for in this RFP.

13.3. The bidder agrees that the offer contained in its bid shall remain binding upon him/her and receptive for acceptance by the merSETA during the bid validity period indicated in this RFP, and its acceptance shall be subject to the terms and conditions contained in this RFP document read with the bid.

13.4. The bidder furthermore confirms that he/she has satisfied himself/herself as to the correctness and validity of his/her bid response; that the price(s) and rate(s) quoted cover all the work/item(s) specified in the bid response documents; and that the price(s) and rate(s) cover all his/her obligations under a resulting contract for the services contemplated in this RFP; and that he/she accepts that any mistakes regarding price(s) and calculations will be at his/her risk.

13.5. The successful bidder accepts full responsibility for the proper execution and fulfillment of all obligations and conditions devolving on him/her under the supply agreement and SLA to be concluded with merSETA, as the principal(s) liable for the due fulfillment of such a contract.

13.6 The bidder accepts that all costs incurred in the preparation, presentation, and demonstration of the solution offered by it shall be for the account of the bidder. All supporting documentation and manuals submitted with the bid will become merSETA property unless otherwise stated by the bidder(s) at the time of submission.
