13 DARD 03/2026: ESTABLISHMENT OF A PANEL OF ACCREDITED TRAINING SERVICE PROVIDERS IN AGRICULTURAL SKILLS DEVELOPMENT FOR A PERIOD OF THIRTY-SIX (36) MONTHS.

1. INTRODUCTION

The NORTHWEST DEPARTMENT OF AGRICULTURE AND RURAL DEVELOPMENT (NW DARD) is established to facilitate equitable access to land, integrated rural development, sustainable agriculture and food security for all.

The constitutional mandate of the Northwest Provincial Department of Agriculture & Rural Development [NW DARD], is derived from the Constitution of the Republic of South Africa [RSA], Act No. 108 of 1996, as enshrined in the Bill of Rights, Chapter 2, **Section 27[1][b]**, which states that:-

*"everyone has the right to have **access to sufficient Food and Water** and the State must take reasonable legislative and other measures, within its available resources, to achieve the progressive realization of this right".*

In pursuit of this mandate, Department of Agriculture and Rural Development's vision is to accelerate land reform, catalyze rural development and improve agricultural production to stimulate an inclusive agricultural sector driving economic growth and food security.

The department will continue with implementation of its developed Provincial Refocusing Strategy to transition and reposition the agricultural sector into a viable sector that will stimulate local economic growth; inclusivity; sustainability of livelihoods and development across the North West Province through the seven identified Intervention Strategic Pillars.

It is against this background that the Department of Agriculture and Rural Development (DARD), wishes to appoint a database of accredited training service providers in agricultural skills development for a period of thirty-six (36) months.
