

Notification NR 1 (25.06.2026) – Clarification

TENDER E2902GXMPKRI: Draw, Fabricate, Supply, Deliver, Replace, and Install new pipework with fittings inside the cable tunnels and pipe trenches at Kriel Power Station for a period of six months

Clarification request No.1:

Can other grades other than SF classification be considered

Response:

No, the primary classification remains SF as per confirmation with CIDB

Note to tenderers:

A reminder that the communication platform is the Eskom e-tender portal and that of National Treasury and the responsibility of the tenderer to visit regularly for possible updates. Any revised documents after site meeting, clarification information and minutes will be uploaded as such. Information as per the latest communication will apply.
