Dear Sir/ Madam,

ADDENDUM 01

Invitation to Tender: **E3312GXMWP**

Enquiry description: **Metallurgical and mechanical testing of ferrous and non-ferrous materials on an as and when required basis for the period of 5 years**

1. INTRODUCTION

Eskom published a tender for the Metallurgical and mechanical testing of ferrous and non-ferrous materials on an as and when required basis for the period of 5 years on National Treasury and Eskom Tender Bulletin on 26 August 2026. .

However, it was subsequently noted that the NEC did not indicate which pricing method should be used when populating the NEC. This addendum therefore serves to correct that omission and to inform suppliers that Option A must be used as the applicable pricing method.

2. AMENDMENT OF THE NEC

The NEC is hereby amended to clarify the applicable pricing method to be used by suppliers when completing and submitting their responses.

Suppliers are required to use Option A as the applicable pricing method when populating the NEC.

Except for the amendment stated above, all other terms, conditions and requirements of the tender remain unchanged and continue to apply.
