

SPECIFICATION FOR

SUPPLY AND DELIVERY OF CLEANING MATERIALS AND EQUIPMENT

SCOPE OF WORK

- The scope of work in this contract is to supply and delivery of cleaning material & equipment on the “**As and When**” in South Gauteng Region.
- PRASA-CRES is looking to appoint **3 x Service Providers** from this procurement transaction to render the service for a period of **36months**.
- Successful service providers must be willing to meet the service levels of delivering the required material or equipment within 48hrs from the time of receiving a written request from Prasa-Cres.
- The cleaning material and equipment expected to be priced for and to be supplied by the successful 3 x service providers shall be of high quality and safe to use. Only industrial equipment will be accepted, no DIY quality standard equipment will be acceptable. All material will be safe to use and those with chemicals must have been tested and have MSDS documentation.
- The service provider will be required to deliver material as and when required at areas where PRASA operates within Gauteng South Region
