FINAL TENDER SPECIFICATION

October 2026

Employer	Limpopo Department of Sport, Arts and Culture
Project	Limpopo Provincial Theatre
Document Status	Final Tender Specification
Issue	Final Tender Issue October 2026

Document Purpose

This volume provides the measurable tender specification for Volume 8. Quantities are aligned to the current itemised pre-tender schedule. Each item includes a nominal size and an illustrative reference picture.

IMPORTANT - REFERENCE IMAGES: All sample pictures in this specification are illustrative design-intent references only. They do not prescribe a brand, manufacturer or proprietary product. Bidders may offer an equivalent product that meets or exceeds the stated dimensions, materials, performance, durability, accessibility and warranty requirements, subject to approval of samples and technical submissions.

DIMENSIONAL RULE: Dimensions are nominal tender dimensions. Unless a tighter requirement is stated, loose furniture may vary by approximately +/-5% where ergonomics and room clearances are maintained. Built-in items, counters, consoles and wall-fixed items must be site verified before manufacture and coordinated with approved architectural and services drawings.
