RE: Sole Provider of Internal Audit Training

The Leadership Academy for Guardians of Governance, which is a subsidiary of The Institute of Internal Auditors South Africa (IIA SA), offers top-class training and is dedicated to the Internal Audit Profession in South Africa. The Leadership Academy is the sole provider of the Continuing Professional Development (CPD) training programs, which covers a wide range of topics including: Internal Audit, Risk Management, Governance, Fraud and additional topics relevant to the Internal Auditing profession.

As the market leader in Internal Audit Training we are committed to identifying latest trends and developments to ensure we incorporate leading-edge thinking and best practices in all our training courses. The CPD Program of the Leadership Academy is developed and presented solely by highly qualified Internal Audit Presenters vetted by the IIA SA & the Leadership Academy.

Trainers have extensive training and experience in the internal audit field which enables them to produce excellent programs, group discussions, case studies, practical applications, facilitator presentations and other interactive techniques.

Please feel free to contact me should you require any further information.

Yours sincerely
