The bidder undertakes not to withdraw, or alter, the tender during this period.

The period of validity may be extended by the SCM Department, provided that the original bid validity period has not expired and that all bidders are given an opportunity to extend such period. Any such extension shall be agreed to by a bidder in writing. Bidders who fail to respond to such a request before the validity of their bid expires, or who decline such a request shall not be considered further in the bid evaluation process. 16. Specific Goals in terms of section 2(1)(d)(i) and (ii) of the Preferential Procurement Policy Framework Act

16.1 Broad-based black economic empowerment (B-BBEE) status level certificates

Bidders are required to submit original and valid B-BBEE Status Level Verification Certificates or certified copies of the original, not a photo-copy of another certified copy thereof together with their bids, to substantiate their B-BBEE rating claims.

Bidders who do not submit B-BBEE Status Level Verification Certificates or who are non-compliant contributors to B-BBEE do not qualify for preference points for B-BBEE but should not be disqualified from the bidding process. They will score points out of 90 or 80 for price only and zero (0) points for B-BBEE.

A trust, consortium or joint venture must submit a consolidated B-BBEE Status Level Verification Certificate for every separate bid.

Public entities and tertiary institutions must also submit B-BBEE Status Level Verification Certificates together with their bids.

If an institution is already in possession of a valid and original or certified copy of a bidder's B-BBEE Status Level Verification Certificate that was obtained for the purpose of establishing the database of possible suppliers for price quotations or that was submitted together with another bid, it is not necessary to obtain a new B-BBEE Status Level Verification Certificate each time a bid is submitted from the specific bidder.

Such a certificate may be used to substantiate B-BBEE rating claims provided that the closing date of the bid falls within the expiry date of the certificate that is in the institution's possession.

Each time this provision is applied, cross-reference must be made to the B-BBEE Status Level Verification Certificate already in possession for audit purposes.

AOs / AAs must ensure that the B-BBEE Status Level Verification Certificates submitted are issued by the following agencies:

Bidders other than EMEs

The relevant approved registered auditor may be contacted to confirm whether such a certificate was issued.

These certificates will be issued on the accounting officer's letterhead with the accounting officer's practice number and contact number clearly specified on the face of the certificates.

The content of B-BBEE Status Level Verification Certificates issued by accounting officers as contemplated in the CCA is detailed in paragraph 4.8.5 below.

- An EME that is regarded as a Specialized Enterprise, is required to submit a sworn affidavit confirming their annual turnover/ allocated budget/ gross receipt of R10 million or less and level of percentage of black beneficiaries to claim points

ELIGIBILITY AS QUALIFYING SMALL ENTERPRISES (QSE)

The Codes define a QSE as any enterprise with annual total revenue of between R10 million and R50 million.

1. BACKGROUND

The Cape Winelands District Municipality hereby invites tenders from experienced service providers for the professional rendering of interpreting services in Afrikaans, English and IsiXhosa for a contract period ending 30 June 2030.

2. INTRODUCTION

Due to the increasing demand for interpretation services during Council meetings, Integrated Development Plan (IDP) engagements, public participation processes, committee meetings and other statutory and operational meetings, the Cape Winelands District Municipality requires the services of an experienced service provider to render professional interpreting services on an ad hoc basis. The service is intended to facilitate effective communication in Afrikaans, English and IsiXhosa, thereby promoting inclusivity, accessibility and meaningful participation by all stakeholders in municipal processes.

3. DURATION OF TENDER

The duration of the tender will be for the period ending 30 June 2030.

4. SCOPE OF WORK

The division of the Municipal area into regions is solely for pricing and evaluation purposes and shall not be construed as separate contracts, separate tenders, or separate awards. The tender shall be evaluated in its entirety and awarded to a single service provider.

- 4.4.1 Simultaneous interpretation involves the real-time translation of a speaker's message from the source language into the target language without interrupting the natural flow of the proceedings.

- 4.9 Scheduled dates, times and durations of meetings and events may be amended, postponed or cancelled at short notice, depending on operational requirements.

- 6.6.6 The Cape Winelands District Municipality reserves the right to reject a tender from a service provider –
- (a) who during the last five (5) years has failed to perform satisfactorily on a previous contract with the municipality or any other organ of state after written notice was given to that service provider that performance was unsatisfactory; and/or

Failure to provide proof of a valid Letter of Good Standing within a mutually agreed upon timeframe from the Department of Employment and Labour or any institution that is licensed to carry out the business of insurance of its members against liabilities, will result in a bidder not being considered for further evaluation purposes. A Letter of good standing for "tender purposes" (valid at closing date) from the Department of Employment and Labour will also be accepted.

- 7.1 This bid will be evaluated on the basis of functionality. Bidders are required to submit sufficient information and supporting documentation demonstrating their experience and capability in providing the required interpreting services in order to be scored during the functionality evaluation.

- 7.2.3 Bids that fail to achieve the minimum functionality threshold of 33 points will not be considered further and will be excluded from the subsequent stages of evaluation.

O. CERTIFICATE OF INDEPENDENT BID DETERMINATION (MBD 9)

1. This Municipal Bidding Document (MBD) must form part of all bids¹ invited.
2. Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
3. Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
4. This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid rigging.
5. In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
