

Tender Number: **E1117GXGPLETR**

Tender Description: **The refurbishment, Repair, Inspection and Maintenance of Dust Handling Plant (DHP) equipment at Lethabo Power Station during planned outage opportunities for the period of Five (5) years.**

Closing Date: **09 October 2026 @ 10:00am**

Clarification closing date: **Five (5) working days (01/10/2026) before the deadline for tender submission.**

	QUESTION	ANSWER
1.	Could you please confirm whether the price for replacement is the same as the price for casing?	The price is the same for both replacement and casing activities
2.	Health and Safety cost per outage	The costs are standard for IR, GO, and MGO, and the number of resources will remain the same. The only difference in the scope of work is that, during the GO, an additional four conveyors will be serviced.
3.	Forklift?	The supplier will provide the forklift, while Eskom will supply the bobcat and winch required for the bucket elevator activities.
4.	Where do we cater for transport ?	Transportation costs are to be included in the submitted rates, and no separate claims.
