5.2. **Question raised by potential bidder**

The advert on CIDB was published as Grade 7 CE or Higher hence we attended the briefing session and also that is common practice or norm on how tenders are advertised on CIDB. Also CIDB allows for notes to be input on the advert or make notes on the advert. The issue we have is that the team emphasized that the target group is Grade 7 CE Only and not Grade 7 CE PE and not Higher.

5.3. **Response by TASEZ**

TASEZ notes the concern raised and apologises for the confusion. However, the document which was shared indicated 7CE grading, and it was also clarified in the tender compulsory briefing as such. We also Confirm that the 7CE CIDB grading requirements as advertised remains the same. Going forward a note will be included from the CIDB portal.
