3 GENERAL REQUIREMENTS

- 3.1 The "minimum stock to be kept on hand" column under section 2.1 indicates what Transnet Port Terminals (TPT) requires the Service Provider to keep on hand.
- 3.2 Delivery to be done within agreed lead time from receiving official TPT order.
- 3.3 Transnet reserves the right to:
 - 3.3.1 award a contract for only a portion of the proposed Goods which are reflected in the scope of this RFP;
 - 3.3.2 split the award of the contract between more than one Service Provider, should it at Transnet's discretion be more advantageous in terms of, amongst others, cost.

4 SITE INFORMATION

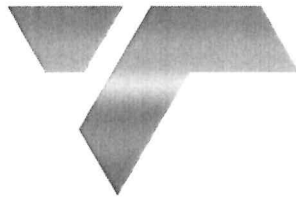

4.1 **Site Access**

The site is at the Container Terminal in the Port of Durban. Access to the Port of Durban will be subject to the TPT security requirements and regulations. A safety site induction will be compulsory for Suppliers that are entering the terminal for the first time.

Personal entering the terminal should have PPE (reflective vest, hardhat and safety shoes), a full safety file and provide their own revolving light for their vehicles.
