

1. Equipment Packaging and Delivery Specification

1.1 Scope of Requirement

The supplier is required to provide complete sets of equipment as listed below. One set to be packaged in a cricket equipment bag and the other set to be packaged in a cardboard box to ensure standardisation, accountability, and ease of distribution to Mass Participation; Opportunity, Access, Development and Growth (MOD) Centres.

Partial deliveries will not be accepted.

1.2 Packaging and Delivery Conditions

- All items must be securely packed within the cricket bag and cardboard box.
- The box and cricket bag must be clearly labelled with:
 - Supplier details
 - Purchase order number
 - Full contents list
- A packing slip must be included and signed off upon delivery.
- Items must be cushioned and protected against damage during transportation.
- Delivery must be made to the designated designation as specified in the order.
