

PUBLIC NOTICE

TENDER AND JOB SCAM

Elias Motsoaledi Local Municipality, hereby warn the members of the Public particularly service providers and job seekers about scammers who deliberately impersonate the municipality, more so using the names of Municipal Manager, Chief Financial Officer, Manager Supply Chain or any other municipal officials in exchanges of cash.

We wish to inform the public that the municipality follows a strict Supply Chain Management process in accordance with the Supply Chain Management Policy and Municipal Finance Management Act when procuring goods and services.

Service providers are therefore to guard against this scam and requested not to deposit any money into private bank accounts, as the municipality never charges a deposit on the award of any tender or job.

The municipality strongly condemns such unscrupulous activities and encourages all service providers to refrain from entertaining such requests.
