Find below answers to the questions raised during the Tender stage:

Q1: Re the Commercial Bid Analysis – do we need to quote for all the resources indicated on the CBA?

A1: *It is preferred, however you can amend the fields by changing the naming convention to the same or equivalent resource/s as per your company structure and/or leave the fields blank where there is no such a resource.*

However, for evaluation purposes, PetroSA will extrapolate the cost by using the rate provided for similar resource/s.
